Dear Billy,

To follow-up on our conversation, I have discovered that my office inadvertently failed to send you previously the texts of the public notices regarding the WAME transfer of control application and the W225BD assignment application. Attached are those texts with instructions. Basically, the WAME notice must be both broadcast on the station and published in the *Statesville Record & Landmark* twice a week for two consecutive weeks. The W225BD notice needs only to appear in the newspaper on one occasion.

Please let me know if you have any questions.

Best regards,

Matt McCormick
