Economics, Womens Health	IHEARTRADIO COMMUNITIES: PUBLIC AFFAIRS SPECIAL	Lori Bettinger is the Co-President of Alliance Partners and serves as the President of BancAlliance. Bettinger discussed the ongoing conflict in Ukraine including a jump in U.S. food prices, a Russian oil-sparked recession, and more. She also covered the continued repercussions of the COVID-19 pandemic on our US economic system, the rise in interest rates by the fed, and the chance of a housing market crash. • Dr. Dorothy Fink, Deputy Assistant Secretary for Women's Health and Director of the Office on Women's Health in the Office of the Assistant Secretary for Health (OASH). As we wrap up March and Women's History Month, Dr. Fink focused on what we all should be thinking about this month for women's health. She offered information and advice to women who weren't able to get their mammograms and other cancer screenings done since COVID-19 started. Dr. Fink also talked about what women should know about the COVID-19 vaccine.	L. Bettinger, Dr. D. Fink	03/27/2022 11:30 AM	029:49
