Dear Sir or Madam:

On behalf of Entravision Holdings, LLC, and pursuant to the provisions of Section 614 of the Cable Television Consumer Protection Act of 1992, and Section 76.64(f) of the Rules and Regulations of the Federal Communications Commission, this will inform you that New Digital-Only Television Station KDCU (the "Station") serving the Wichita-Hutchison Plus, Kansas designated market area ("DMA") hereby elects retransmission consent for the carriage of the Station's broadcast signal on each of your cable systems serving the applicable communities within the DMA.

Section 76.64(f)(4) of the FCC's Rules provides that new television stations (i.e., stations providing over-the-air service in a market for the first time on or after July 1, 2001), such as the Station, have the right to make their initial carriage election during the period beginning 60 days prior to commencing broadcasting and ending 30 days after commencing broadcasting. We currently expect that the Station will commence broadcasting on or around August 1, 2009. Consequently, the instant, initial carriage election is timely submitted to you, for the period beginning January 1, 2009 and ending December 31, 2011.
