QUARTERLY ISSUES/PROGRAMS 2nd QUARTER 2019

KCNL has been silent for various technical problems and pending sale for all of 2018 up to October 24 when it returned to the air and has remained broadcasting for the remainder of the 4th quarter of 2018. The KCNL sale consummated October 25, 2018 and has continued full time on the air since that time. Due to further technical difficulties and set backs we have only broadcast music, ID's and various PSA's for the remainder of the 2018 fourth quarter.
