Further program descriptions:

WCUL-CA aired daily, a Weather and Traffic report from 10/1/10 thru 12/31/10. On Sundays, at 10am, an interview program talked to various employees of the Oneida Indian Nation. They are offered health care coverage at the Oneida Indian Healthcare facility. Other topics on this show included the comparison between the non Indian facilities and when the coverage allows outside doctors to accept the insurance, offered by the Oneida nation. Native Indians have free coverage, but not at other local hospitals. What are the ramifications of this?
