2nd quarter 2010
4-1-10 thru 6-30-10

WCUL has aired programs in this quarter about the following local issues:

Home health care
Health care facilities in the Rome/Oneida area
Weather
Traffic/Road conditions
Health/Hospital issues

Further program descriptions:

WCUL-CA aired daily, a Weather and Traffic report from 4/1/10 thru 6/30/10. On Sundays, at 11am, a new 1 hour program aired concerning the rising over 65 population in the local Central New York area, which is well above the New York state average. Various types of home health care help is available. Interviews with aides were conducted, with advice on different ways to help family members. Also airing on Sundays, a one hour program offered advice on placing the elderly in nursing home facilities or other similar health care centers. other separate hours discussed financial help available from various state and federal programs.
