

KAKQ-FM

Fairbanks, AK Quarterly Issues/Programs List 1st Quarter 2018

April 10, 2018

Issues

KAKQ-FM provides its listeners with programming and public service announcements that address issues of concern to our local community. Among the issues determined to be of most concern to the community during the preceding calendar quarter were:

- **Public Safety:** There is a growing urgent need for police officers in Fairbanks. The city needs to budget and provide some incentives to attract people to this field.
- **Public Health:** The opioid addiction problem and alcoholism continue to be a very serious problem as the numbers increase. Alaska has the highest percentage rate in the country.
- **Public Health/Feeding The Hungry:** With the closing of a major store, the daily salvage food has been reduced significantly causing less food for food boxes to feed the homeless, elderly people, and children who depend on these boxes.
- **Literacy:** The Literacy Council now offers GED tutoring for math and advanced English classes.
- **Volunteering:** The Red Cross of Alaska is recruiting volunteers to help with disaster relief.
