

KAKQ-FM

Fairbanks, AK Quarterly Issues/Programs List 1st Quarter 2019

April 10, 2019

Issues

KAKQ-FM provides its listeners with programming and public service announcements that address issues of concern to our local community. Among the issues determined to be of most concern to the community during the preceding calendar quarter were:

- **Education/Literacy:** Summer education opportunities for children during the summer months.
- **Military and Veterans:** Resources available to help meet the needs of local veterans, veteran homelessness and businesses looking to hire veterans.
- **Air Pollution:** It is caused by wood stoves. The problem is so severe that the stillest and coldest winter days, fine particulate concentrations exceed double the US air quality standard.
- **Climate Change and Forest Fires:** Alaska is a good laboratory and forests are sensitive and we can't study fires in isolation.
- **Homeless and Alcohol Recovery Programs:** Many programs are available to the community from the Fairbanks Rescue Mission.
