Good morning. thank you so much for letting me know about this. That is certainly not anyone from our organization. I will let our legal team know.

Have a great day.

[This eMail has been sent to you from an external source outside of Bonneville's eMail system]

Hey there,

I got an email from ekaterina@mix96sac.ai, asking me to fill my personal info on some Google form to participate in some 'bitcoin giveaway' and as I found it lil fishy, I googled "mix96sac" and found your site, which seemed legit to me. This is the second time that I have received such an email in the last few days so i couldn't hold myself but ask it out.

Tell me what to do about this...
