Subject: [External] Great job

Just wanted to let you know that you've knocked it out of the park with your Christmas mix this year. Great selection, about half old classics (Bing Crosby, Dean Martin, Jimmy Durante, that crowd) and the other half more modern artists, with a great splash of fun stuff (Snoopy and the Red Baron, Grandma Got Run Over, and all that). Great job, you guys are now my go-to radio station for December.

Merry Christmas!

AS
