Re: Retransmission Consent Election Notice - KOBR(TV)

Dear Sir or Madam:

As you are probably aware, the FCC's Rules (Sections 76.64) require each television station again this year to advise all cable systems in the station's local television market whether the station elects must-carry status or elects to proceed under the retransmission consent provisions of Section 325(b) of the Communications Act.

This letter is to advise you that KOB-TV, LLC, on behalf of its television station, KOBR(TV), elects to require you to obtain retransmission consent prior to the next 3-year election cycle commencing January 1, 2015, for the broadcast of KOBR(TV)'s signal on your cable system(s).

Enclosed for your review are two copies of our standard retransmission consent agreement. I would ask that you complete Exhibit A identifying your cable headends and the communities served by the same, as well as the channel locations on which the KOBR(TV) signals will be carried. If the agreement is acceptable, please sign both copies and return them to me for countersignature.

If you have any questions, please do not hesitate to contact the undersigned at (651) 642-4333 or legal assistant Kris Shuldes at (651) 642-4336. I look forward to receiving signed agreements from you.

Very truly yours,
