**Quarterly Issues
2nd Quarter 2013**

Among the issues determined to be concerns to the community during the Community Leader Quarterly Ascertainment meetings hosted by the Colorado Broadcasters Association on Monday, June 24, 2013 are:

Community Issues, Needs, and Interest:

- 1) Insurance Rates...How people can make personal decisions and take ownership of their insurance.
- 2) Emergency Preparedness...With the Wild Fires, people should have a personal inventory of their homes and be prepared for emergencies
- 3) Art...Using Art to bring people together. Make it available to everyone. Artists are always the first to move into a lower income neighborhood.
- 4) Neighborhood Development...Should be done responsibly. The original inhabitants should not be forced from their neighborhoods. Globeville is the most current neighborhood under development.
- 5) Tourism in Denver...How to attract visitors to Denver.
- 6) Homelessness/Drug Use on the the Street...How to make streets safe.
- 7) Sustainability
- 8) Attracting the next generation to attend Musuems. What needs to be done?
- 9) Education
- 10) Music in the Schools...More should be taught.
