WZXI 3rd Quarter 2021

WZXI continues to broadcast updates and Public Service Announcements concerning Covid 19. During the Third Quarter, WZXI broadcast over 400 PSA's.

The Garrard county infection rate is at the Severe level which is not as bad as other counties within our coverage area. 94.6 persons per week are newly infected. That relates to a 0.80 infection rate for our aprox. 17,000 population. 49.7 % of persons having one dose..

During the Third Quarter the National EANS test was performed. WZXI participated and has file all three forms.

WZXI continues to air "Kentucky Focus" a public affairs program each Sunday morning at 9:00. to date we have not received the schedule of topics aired for the 3rd Quarter from I Heart Media.

WZXI has lost a site for one of our translators and during this quarter Filings were granted and a move to another tower site were completed.

Through our membership with the Garrard Chamber of Commerce, WZXI was pleased to welcome the opening of the Longview Estates B & B during this Quarter.

WZXI continues to monitor and relay NWS severe storm warnings in real time during this quarter. Our area had several severe warnings and Flash flood warnings.

Our farming community activity depends on weather information. WZXI airs local weather forecasts twice hourly 18 hours each day.
