Re: Issues/Programs for WEIU FM

Date: January 3, 2024

The following is the Issues List for the 4th quarter of 2023 of programming on WEIU FM:

1. CHILDREN'S EDUCATION - How are the educational and informational needs of students being met?
2. MINORITY ISSUES - Are the needs of the minority population in east-central Illinois being met? If not, what can be done to improve the situation?
3. ECONOMIC AND AGRICULTURAL CLIMATE - What is the economic climate in our area? With agriculture being the largest industry, how are farmers dealing with the current economic times?
4. CRIME - Is it safe to live in east-central Illinois and what can be done to ensure the continued safety of our residents?
5. GOVERNMENT - What are the key issues in government, both state and federal, that are affecting east-central Illinois?
6. HEALTH – What are the health issues affecting those who live in east-central Illinois? What new medical advances are now available? Are there preventative health care issues that need to be examined?

Re: Methods of Determining Issues

Date: January 3, 2024

WEIU FM determined the issues/program list for the 4th quarter of 2023 by the following methods:

1. Analysis of local news reports from newspapers, television & radio.
2. Feedback from community members via various staff members participating in community service groups in the listening area.
3. Discussion of issues with local and regional officials on a continuing basis.

Please advise if you have any further questions or require further information.
