

## Community Issues / Programs List

Station WUDE, WNTB

Issue: Community Assistance – Hurricane Recovery and Preparation

Program Title: Community Connections

Time: 15 minutes

### Brief Narrative of Program:

Pamela Saulsby, Media Relations Specialist, External Affairs for FEMA came in for a studio interview. We discussed the damage done by Hurricane Florence and all that FEMA has done to help the citizens in our area. We discussed the fact that seven months after Florence, FEMA is still in our area, helping residents with their recovery. We also talked about preparation for the upcoming 2019 Atlantic Hurricane Season.

Aired Date: April 9, 2019 – 830am

## Community Issues / Programs List

Station WUDE, WNTB

Issue: Community Assistance – Non-Profit spot light

Program Title: Community Connections

Time: 12 minutes

### Brief Narrative of Program:

Christy Alley stopped by The Dude to discuss the many charities that The Harrelson Center caters to in Wilmington. They also just launched the Help Hub. The Help Hub is a collaboration outreach program providing short term assistance to people in need of financial help. They help them connect with resources in our community.

Issue: Community Assistance – Individuals with Disabilities

Program Title: Community Connections

Time: 11 minutes

### Brief Narrative of Program:

We had representatives from Paws4People Foundation in the studio to talk about their foundation mission and their upcoming event – the Paws on Parade 5K Doggie Run and 1 Mile Doggie Run. The proceeds benefit the Foundation, which raises, trains and places Assistance Dogs with veterans, military dependents, children and civilians who live with disabilities.
