7/01/01

[Guests: Ken Lamke, Terrence Herron] "In the Heat of the Night" Milwaukee's long hot summer of murder could be one of the deadliest ever. There were sixteen confirmed murders in the city of June and almost all of them are in three central city neighborhoods, Metcalfe Park and adjacent Sherman Park on the near northwest side, and an area west of the Milwaukee River between Brown and Burleigh. What is going on in the city and what, if anything, can be done about it Alderman Terrence Herron?

Duration: 10 minutes

9/09/01

[Guests: Joel McNally, Moira Fitzgerald] "Courtroom Comeback" In a huge victory for Wisconsin Electric, the State Court of Appeals has thrown out a jury's 100-million dollar punitive damage award against WEPCO for the company's dumping of cyanide laced wood chips in West Allis fifty years ago. Is the appellate court ruling correct, JJ?

Duration: 8 minutes

9/30/01

[Guests: Jeff Fawliniski, Bruce Murphy] "The Gov and the Gas Gougers" Governor McCallum's division of consumer protection is bringing charges against gas stations that jacked up their prices the night of the terrorist attacks. There is a state law that limits the size of one-day gas hikes. Are these charges proper, JJ?

REGULAR SHOWS

"BELLING AND COMPANY" --- Sundays, 10:30 - 11AM

A public affairs program of national and local news for and about Milwaukee and Wisconsin. Host Mark Belling, panelists Mordecai Lee and J.J. Blonien, and various guests discuss the issues of the day.

8/19/01

[Guests: Scott Walker, Joel McNally] "Brain Drain" The numbers aren't lying. If you want a high paying job, you have to leave the state of Wisconsin. University officials have been talking about it for some time: Graduates of the U-W system who remain in Wisconsin, make about 20% less money than those that leave the state. What if anything, can be done about the brain drain, Scott Walker?

Duration: 8 minutes

09/23/01

[Guests: Joel McNally, Nancy Chandler] "Fear of Flying" The extra security measures in place at airports aren't causing many delays...because nobody's there. All of our major airlines are reporting massive declines. The Federal Government is coming forward with a massive bailout, but it is clear some people are terrified to get back in there. How long will this last, JJ?

Duration: 8 minutes

09/30/01

[Guests: Jeff Pawlinski, Bruce Murphy] "Fly the Unfriendly Skies" President Bush is telling all of us to get back in the air. Bush has unveiled several measures to improve airline security and congress and the airlines are getting a big Federal bailout. But passengers are still staying away including business travelers with some firms barring all air flying including by employees who want to fly. How long before people return to the air, Alderman Jeff Pawlinski?

"BELLING AND COMPANY", Sundays, 10:30 - 11AM  
A public affairs program of national and local news for and about Milwaukee and Wisconsin. Host Mark Belling, panelists Mordecai Lee & J.J. Blonien, and various guests to discuss these issues.

7/1/01

[Guests: Ken Lamke, Terrence Herron] "Barrett two, Doyle zero" The battle for the Democratic nomination for Governor is still fourteen months away but one of the two presumed frontrunners has won two big victories. Milwaukee Congressman Tom Barrett has been given the go-ahead by the State Elections Board to use \$750,000 that had been stashed in his congressional campaign fund in his bid for Governor, over the objections of the other leading Democratic candidate, Attorney General, Jim Doyle. Some believe Barrett, not the better-known Doyle, is already the Democratic frontrunner. Do you agree with that Mordecai?  
Duration: 6 minutes

7/8/01

[Guests: Scott Walker, Moira Fitzgerald] "Cutting the Deal" The State Legislature has been working on a wide ranging State Budget for months, but it is finally time for the leaders of the Democrats and Republicans to cut a deal. Democrats in the Senate voted to raise the cigarette tax by 22 cents a pack. Republicans in the Assembly want no increase at all. What will happen Mordecai?

7/15/01

[Guests: Joel McNally, Jeff Pawlinski] "Embryo Imbroglia" The debate over funding or even allowing research and the use of stem cells from human embryos is raging in both Washington and Madison. Is this a Federal issue or is the State budget a place to be banning things like this, Mordecai?  
Duration: 10 minutes

7/15/01

[Guests: Joel McNally, Jeff Pawlinski] "One Deal at a Time" Those talks between Republican Scott Jensen and Democrat Chuck Chvala on cutting a deal on the State Budget are moving slower than the elephants in the circus parade. One thing the two sides did agree on was accepting a Democratic plan to rein in telemarketers allowing people to put their names on a list that phone solicitors could not call. But Governor McCallum says the proposal is anti-business and may use his item veto powers to strike it out of the budget. Is he right, Joel?  
Duration: 8 minutes

7/22/01

[Guests: Nancy Chandler, Matt Flynn] "Where's Johnny" Milwaukee Mayor John Norquist has been missing as long as Chandra Levy. City Hall regulars have been gossiping for days on how little they've been seeing of Norquist. The Mayor did show up for the opening of Summerfest when he gave Bo Black that big hug, but has since missed the GMO, the Circus Parade, the Mexican President's visit, and anything else going on around here. What do you make of the Mayor's disappearing act, JJ?

7/29/01

[Guests: Alberta Darling, Joel McNally] "The Deal" It wasn't the way it's drawn out in the civics books but there is agreement between Republicans and Democrats on what's in, and what's out of the state budget. All in all, which side won...who got more, Republican Senator Alberta Darling?

8/5/01

[Guests: Ken Lamke, Moira Fitzgerald] "The Final Word" After a half year of battling over the state budget, the Wisconsin Legislature is out of the picture and the state's still virtually unknown Governor is in. Scott McCallum can now use his veto powers to take anything out that he doesn't like in. Everyone expects at least some things to be cut...will the spending vetoes be substantial or not, Mordecai?

Duration: 10 minutes

8/5/01

[Guests: Ken Lamke, Moira Fitzgerald] "He's Out" So what? Longtime Milwaukee Democratic State Assemblyman Tim Carpenter is declaring with great fanfare that he is gay. This makes him the only openly gay elected official in Milwaukee. Do voters care if a politician is gay, Ken?

Duration: 8 minutes

8/12/01

[Guests: Matt Flynn, Tim Sheehy] "Didn't he Quit? A lot of people are asking that about Tommy Thompson. It was old home week with Tommy leading the annual Harley Ride for a day and even showing up for the State Fair one day before the annual Governor's livestock auction he so loved. They're not saying it publicly but Thompson's scene stealing is infuriating Governor Scott McCallum's staff. It also raises questions about how much Thompson misses Wisconsin, how long he'll last in President Bush's cabinet and if he's coming back to run for something. All good questions, Matt...

Duration: 12 minutes

8/19/01

[Guests: Scott Walker, Joel McNally] "Voice-Mail for the Homeless" Don't laugh. That's exactly what the State Legislature approved in the budget it passed a few weeks ago. Opponents think it is the most absurd idea Liberals ever came up with...Scott?

Duration: 6 minutes

8/26/01

[Guests: Ken Lamke, Matt Flynn, Mary Jo Baas] "A Kinder, Gentler State" Ron Kind, a Democratic Congressman who represents Western Wisconsin in Washington, is thinking about joining his party's battle for Governor. If he runs, his strategy will be unconventional. Kind's associates say he would focus his campaign on every part of the state except the Madison and Milwaukee areas and would try to dominate out-of-state voting by playing to anti-Milwaukee and Madison sentiment. Do you think he will run and does he have a chance, Mordecai?

8/26/01

[Guests: Ken Lamke, Matt Flynn, Mary Jo Baas] "Caucus Chaos" All four wings of the State Legislature, the Senate Democrats and Republicans and the Assembly Democrats and Republicans have their own staffs called party caucuses. The activities of those caucuses is the subject of probes by the State Elections Board, the State Ethics Board, and most ominously, a John Doe Criminal Probe being run by the Dane County District Attorney's Office. The focus is on whether the caucus staffers illegally did election work on state time. Governor McCallum is apparently considering doing away with them by vetoing their entire budget down to zero. Mary Jo Baas used to work in one of the Republican Caucuses...should they be killed off?

Duration: 8 minutes

8/26/01

[Guests: Ken Lamke, Matt Flynn, Mary Jo Baas] "Shrinking Influence" Milwaukee presently has two members of the US House of Representatives but that may change. Because the State's population isn't growing as fast as the rest of the nation, Wisconsin will have only eight house members rather than the present nine. Many believe the reduction will occur in the city of Milwaukee, the one part of the state with declining population. With Tom Barrett seeking re-election, the simplest solution would be to give Southside Congressman Jerry Kleczka the entire city. But some Democrats are fighting to keep both seats. Should they get their way, Mordecai?

Duration: 6 minutes

9/9/01

[Guests: Joel McNally, Moira Fitzgerald] "Feuding Season" Mean-spirited personal battles are breaking out all over the local political landscape and this morning we'll look at three of them.

Duration: 10 minutes

9/9/01

[Guests: Joel McNally, Moira Fitzgerald] "President Feingold" Wisconsin Senator Russ Feingold is commenting for the first time on speculation he's thinking about running for the wide open Democratic Presidential nomination in 2004. Is he planning to do it, Mordecai?

Duration: 6 minutes

9/16/01

[Guests: Terrence Herron, Ken Lamke] "The Morning After" What must Amercia do in the wake of last week's terror attack? The initial reaction is to vow to seek justice and support the President. But what does that mean, Mordecai?

Duration: 12 minutes

9/30/01

[Guests: Jeff Pawlinski, Bruce Murphy] "Fee-ding Frenzy" Milwaukee Mayor John Norquist has figured out how to slow the growth of property taxes. Create a bunch of fees and impose them on the same people who pay property taxes. Are his ideas good ones, Bruce?

Kevin Cooper was arrested, subsequently tried and convicted of the murders. 86-year-old Dr. Howell, a practicing chiropractor, was not convinced that Cooper was guilty and fearing that the real killers are still at large, has begun a campaign to get the state of California to provide DNA tests which would prove Cooper's guilt or innocence. Legislation, to take effect in January 2001 makes this a possibility. (C: Erin Moriarty - Sr. P: Reid Collins Jr. - P: Joe Halderman) (OAD: 10/26/00)
