

WMRX-FM/WMPX-AM Fourth Quarter 2014 Public File Report

*Stations are simulcast

Programs and Issues

These were the following issues we covered during this quarter:

Poverty

Health

Animal Control

Public Safety

Issues are determined by discussions with programming staff including staff that cover news and talking with local officials in both Midland and Gladwin counties.

WMPX/WMRX ran public service announcements and aired other programs dealing with each of these issues. Airplay affidavits and scripts for each of these public service announcements that correspond with each Issue.

Placed in Public File By Bob Meyer on 1/5/15
