

Midland Humane Society
2014 Public File

We're talking with Neil Wackerly, the president of the Humane Society of Midland County. Neil, how are some ways our community can help the Humane Society of Midland County?

Neil: There are many ways you can help the Humane Society of Midland County, obviously we are always looking for people to adopt animals, but you can join the Humane Society, people are always saying they would join but they can't come out to the shelter because I'd come home with five dogs or six cats. You don't necessarily have to come to the shelter, obviously we are always looking for people at the shelter, cuz you can walk dogs, socialize cats, you can help clean the areas if that is what you are focused on doing, then there is always the behind the scenes, we need people to help on the website, we need people to help plan the events, we need people to help transport animals, theres so many ways, you can find this all out on our website hsomc.org.

And Neil that website one more time where people can get information on helping the Humane Society of Midland County.
