Re: WIYC (TV), Troy, Alabama, FCC Fac. # 62207; Mandatory Carriage & Stream Issue Resolved

Dear Mr. Schully:

We represent WIYC, Inc., the Licensee of WIYC (TV), Montgomery, Alabama ("Station") located in the Montgomery-Selma, Alabama DMA. My client received a letter dated October 17, 2014 from DIRECTV regarding mandatory carriage. In the letter, DIRECTV indicates that it has ceased carrying the Station due to an "on-going stream issue in the station's signal". On February 2, 2015 we notified you that the Station was conducting testing on the equipment to determine and correct any problems with the equipment at the Station.

Please be advised that the Station has concluded the equipment check and that everything is operating correctly. Please consider this letter as notice that the Station is requesting the resumption of mandatory carriage of DirectTV must carriage and streaming.

If you should have any questions regarding this matter, please feel free to contact this Office.

Very truly yours,

John C. Trent
