Re: HD Channel Change

Dear Mr. Ardman:

This is to inform you that Bright House Networks will be making a change to the display channel number for WIYC's HD service. The WIYC HD channel is currently dual mapped and exists on channel 236 and channel 1009 (Elmore) and channel 1020 (Greenville). To simplify our lineup and make it less confusing for your viewers, effective September 15, 2015 the WIYC HD service can be viewed on channel 1009 only in Elmore and channel 1020 only in Greenville.

If you have any questions, please feel free to contact me at [scott.horne@mybriighthouse.com](mailto:scott.horne@mybriighthouse.com), or phone at 205-290-1008.

Sincerely,

A handwritten signature in blue ink, appearing to read "S Horne".
