**Re: DIRECTV Local Receive Facility ("LRF") Address Change for Montgomery-Selma, AL  
DMA**

Dear Mr. Ardman:

This letter is to notify you that, as early as December 12, 2016, DIRECTV will move to a new LRF in the Montgomery-Selma, AL designated market area. The new LRF address is as follows:

**3861 Atlanta Hwy.  
Montgomery, AL 36109**

DIRECTV has arranged for a good quality signal for your station at the new LRF location, therefore you do not need to make any further arrangements for signal delivery.

Technical questions regarding the LRF move or signal delivery to the new LRF can be addressed with our Locals-Technical team at [locals-technical@directv.com](mailto:locals-technical@directv.com).

Sincerely,

DIRECTV Locals-Business  
[locals-business@directv.com](mailto:locals-business@directv.com)
