# **WZXV ISSUES AND PROGRAM LIST**

## **QUARTER ENDING March 31, 2023**

Each quarter of the year we place in our public inspection file a list of what we (WZXV, 99.7 FM Palmyra, New York – 107.3 FM ATTICA, 106.5 FM CORTLAND, 104.1 FM ITHACA, 103.5 FM SYRACUSE, 102.9 FM BATAVIA, 102.1 FM EAST ITHACA, 101.1 FM AUBURN, 97.5 FM DANSVILLE, 97.5 FM CORFU, 94.9 FM AMHERST AND 93.3 FM BUFFALO.) have seen as the problems and/or needs of our service (Greater Finger Lakes region) in the preceding three months. The following is our list of **Issues and Concerns** for the Greater Finger Lakes region for the quarter ending, March 31, 2023. Following this list are specific WZXV programs that aired in response to these issues. This report is arranged by identifying the category on the issues list, the programs that aired which gave significant treatment to that issue, along with its topic, discussion, date and time aired.

1. **Family/Marriage/Men's & Women's Issues:** The Finger Lakes Region also has its share of problems relating to marriage, dating, abuse, among other things. We at WZXV Radio want to help in any way we can. Additionally, WZXV desires to give Biblical counsel and support for decisions on issues men and women face in today's world. There are also regular family issues that arise such as discipline, love, etc.

2. **Youth Issues:** The Finger Lakes Region also has its share of problems relating to the youth in our community beginning with dating, drugs, and alcohol, among other things. We once again desire to give Biblical counsel and support for decisions on issues that teens face every day.

3. **Economy/Business/Employment:** We want to encourage the community to make wise investments and have a good financial standing, as well as promoting economic development in the Finger Lakes Region. Also employment has a large impact on the economy thus this issue must be address as well.

4. **Outdoor Activities/Sports/Exercise:** WZXV understands the importance of a holistic lifestyle that is why we also want to promote outdoor activities to promote spiritual, mental, emotional and physical wellbeing. We feel that to provide our listeners with programming pertaining to sports, exercise or outdoor activities is to encourage them to maintain a healthy balanced life.

5. **Health/Health Care/Safety:** With rising medical and health insurance costs, it is crucial for the public to be informed about free and low cost health services offered, as well as general information about health that might be beneficial. We also support efforts to upgrade the quality and availability of emergency medical care.

6. **Local Entertainment/Activities/Community Events:** In addition to our desire to become more locally involved in our city's annual community events as well as our support for our local public schools' activities, many people have noted a degradation of the quality of entertainment available for families. Therefore, we announce many family-oriented activities that parents and children both will enjoy.

7. **Local, State, and National Education:** Because of WZXV being in an urban setting, with a large amount of high school, college and citywide sports, as well as opportunities for educational advancement for both beginning and advanced students, we find it useful to keep the public informed of the opportunities they have to "never stop learning."

8. **Local/State/National Government:** WZXV is an integral part of the communities public life we find it important to keep them abreast to all issues facing them in regards to their Governmental bodies. We provide EAS alerts on both a National and State level in the event of a distress, disaster or emergency, manmade or natural.

9. **Civil Liberties/Social Issues:** Everyone has been affected by the recent events that have caused racial tensions to be elevated. Several civil liberties have been greatly impacted to include but not limited to freedom of speech, religious observation and public gatherings. WZXV desires to bring unity by raising awareness and educating its listeners of the need to live peaceably with all men and how to do that.

10. **Science, History/ Breakthroughs and Anniversaries:** WZXV in an attempt to educate our listeners is poised to air content that is truthful and informative in the areas of Science and History. This may include studies, reports, documentaries and statistics that deal with the issues that concern our dedicated listeners while not excluding the intermittent.

11. **Public Service Announcements/Features** (PSA's) are submitted for airing by a wide variety of organizations. WZXV selects those that best address the issues and concerns of our city of license and the surrounding areas. Each PSA is approximately 30-60 seconds in length.

Knowing where and how to give to God's Kingdom can be a challenge for any one person, but it's all the more so if you're married. It's a beautiful thing when couples agree on how to manage their money — how much to spend and save, but finding agreement on *giving* is just as important. In Mark 10:7 Jesus tells us *“A man shall leave his father and mother and hold fast to his wife, and the two shall become one flesh.”* Does “becoming one” extend to the checkbook? Put another way, should husband and wife have joint or separate checking accounts? Rob West discusses that today. This is Faith and Finance - biblical wisdom for your financial journey. Regular listeners know that this is a question we get fairly often on the program, and it's especially important for couples when they first get married. Usually, they just set up joint checking and savings accounts and it's not really an issue. But not always.

Proverbs 22:7 carries a grim warning about debt: "The rich rule over the poor, and the borrower is slave to the lender." Nowhere is that more true than with student loan debt, now just over \$1.75 trillion. But you don't have to be part of that statistic. We'll talk today with Howard Dayton about how you can avoid it.

Howard Dayton is the former host of this program and the founder of Compass—Finances God's Way. Howard has written about student loan debt in the past and has come across some numbers that should make anyone think twice about falling into that trap.

### **STUDENT LOAN FORGIVENESS**

We're called to be good stewards of God's resources, but being financially faithful amid the business of modern life isn't easy. Today we'll tell you how to remain faithful in managing your money. It's easy to feel overwhelmed these days and be tempted to take the path of least resistance with money. Maybe it's easier to grab a cup of coffee on the way to work than to make it yourself. Or to hit a fast food drive-thru rather than making dinner for the family. But those expenses add up quickly, and before you know it, there isn't quite

enough money left over at the end of the month to meet your obligations and you're charged a late fee. It doesn't have to be that way. With preparation, you can avoid it.

### **LENDING TO FAMILY AND FRIENDS**

Have you ever had a family member or friend ask you to lend them money? It's a tough situation to be in. On this Faith & Finance, we'll give you some advice from God's Word to guide you.

- It's probably safe to say that being asked to lend money makes people uncomfortable.
- It's often a big decision that has consequences no matter how it turns out. When you lend money to another it changes the relationship. Proverbs 22:7 reads, "The borrower becomes slave to the lender." Lending money can hurt a relationship.
- And that can happen whether you lend the money or not. You're "between a rock and a hard place," and it seems like either way, someone may end up resentful.
- There are really only three things that can happen and only one of them is good. If you decide not to lend the money, the other person could be upset. If you do lend the money and the other person doesn't repay it, you'll probably be upset.
- It's only the third possibility that makes everyone happy. You lend the money, and the borrower pays it back. But consider carefully why they asked to borrow in the first place.
- They may not be able to repay the loan if they're already in bad shape financially, for whatever reason.
- Fortunately, God's Word gives us guidance here.
- WHAT DOES THE BIBLE SAY?
- First, God's Word tells us to help those in need ... lending money if necessary.
- Deuteronomy 15:8 says, "You shall open your hand to him and lend him sufficient for his need, whatever it may be."
- Turning to the New Testament, in the Sermon on the Mount, Matthew 5:42, Jesus says, "Give to the one who asks you, and do not turn away from the one who wants to borrow from you."
- And finally, a verse that might make you think the only proper response is to lend money to a family member, in particular, is 1 Timothy 5:8, which reads, "But if anyone does not provide for his relatives, and especially for members of his household, he has denied the faith and is worse than an unbeliever."
- SO SHOULD YOU ALWAYS LEND MONEY WHEN ASKED?
- Not at all. The above Scriptures imply a couple of things: First, there must truly be a need. And second, that lending the money would actually help the borrower and not simply allow that person to make more unwise financial decisions.
- Here Scripture has more to say:
- Proverbs 13:11 warns about one possible outcome of lending money. It reads, "Wealth gained hastily will dwindle, but whoever gathers little by little will increase it." Getting a loan is often the "easy way out."
- Maybe the borrower tells you the loan would be a "lifeline" — which it may be. But it's also "easy money" and the borrower may not appreciate the effort it takes to create that wealth. When you have to work hard for something ... you tend to want to hold onto it.

- Hard work produces character and wisdom. Proverbs 21:20 reads, “Precious treasure and oil are in a wise man's dwelling, but a foolish man devours it.”
- So before you get out the checkbook, think carefully about whether there's a real need.

ARE WE HEADED FOR A DEBT CRISIS? IS THERE A POINT OF NO RETURN? HOW WOULD A DEBT CRISIS AFFECT YOU? WE'LL TALK TO JERRY BOWYER TO GET THE ANSWERS ON THIS FAITH AND FINANCE.

ECONOMIST JERRY BOWYER IS PRESIDENT OF BOWYER RESEARCH AND A FREQUENT CONTRIBUTOR TO FAITH AND FINANCE AND WORLD OPINIONS. LEARN MORE ABOUT JERRY BOWYER AT [FAITHDRIVENINVESTOR.ORG](http://FAITHDRIVENINVESTOR.ORG).

BOWYER SAYS WHILE HE DOESN'T SEE A NATIONAL DEBT CRISIS LOOMING ON THE IMMEDIATE HORIZON, THERE IS NO QUESTION WE'RE DRAWING CLOSER TO ONE. OUR WORKING POPULATION IS DECLINING, OUR DEBT-TO-GDP RATIO IS 100%, AND THERE SEEMS TO BE LITTLE APPETITE IN WASHINGTON TO TRULY REIN IN SPENDING. THE NONPARTISAN CONGRESSIONAL BUDGET OFFICE RECENTLY ADDED ANOTHER \$3.1 TRILLION DOLLARS TO ITS PROJECTED NATIONAL DEBT OVER THE NEXT 10 YEARS. UNCLE SAM IS SPENDING MORE THAN IT TAKES IN - TO THE TUNE OF AROUND \$2 TRILLION DOLLARS A YEAR. THAT'S \$2 TRILLION DOLLARS OF SPENDING ON THE NATIONAL CREDIT CARD, EXPANDING THE NATIONAL DEBT, WHICH NOW STANDS AT ALMOST \$32 TRILLION DOLLARS. AND IF WE HIT A RECESSION LATER THIS YEAR, WE WILL LIKELY START ADDING TO THE NATIONAL DEBT EVEN MORE QUICKLY BECAUSE SOCIAL SPENDING WOULD BE UP WHILE GDP IS DOWN. WE HAVE ADDITIONAL CHALLENGES IN THAT OUR GOVERNMENT IS NOT EMPLOYING PRO-GROWTH POLICIES, WHICH MAKES IT MORE DIFFICULT TO GROW OUR WAY OUT OF THE SITUATION WE'RE IN. BOWYER, SAYS ANOTHER AGGRAVATING FACTOR IS THE FACT THAT ROUGHLY 70 MILLION PEOPLE ARE MISSING FROM THE ECONOMY BECAUSE THEY WERE ABORTED. IT'S POTTERVILLE IN IT'S A WONDERFUL LIFE: THE WORLD IS A WORSE PLACE FOR THE LOSS OF THOSE PEOPLE. HE EXPLAINS THAT IMMIGRATION WILL BE KEY TO THE FUTURE OF AMERICA, THOUGH THAT IS COMPLICATED WITH THE LACK OF AGREEMENT OVER IMMIGRATION POLICY IN WASHINGTON.
