

## Commercial Limits Certification

I, Robert DePascale, Regional Program Coordinator of television station WPNT, 22 The Point, in Pittsburgh, PA, hereby certify, for the period of April 1 – June 30, 2016, that

- 1) I understand the commercial limits rules imposed by the FCC rules (providing that programs originally produced and broadcast primarily for an audience of children aged 12 and under contain no more than 10 1/2 minutes of commercials per clock hour on weekends and no more than 12 minutes of commercials per clock hour on weekdays).
- 2) However, the following programs are NOT subject to the commercial limits because they are targeted to teens 13-16:
  - Dogtales E/I
  - Eco Company E/I
  - Wild About Animals E/I
  - Xploration Fablab E/I
  - Elizabeth Stanton's Great Big World E/I
  - Animal Exploration with Jarod Miller E/I
  - On the Spot E/I
- 3) There were no commercial limits violations.

## ASN E/I PROGRAMMING INFORMATION 2<sup>nd</sup> QUARTER 2016

American Sports Network airs the FCC required average of 3 hours of E/I programming each week within a weekly E/I programming block on Saturday mornings from 7:30am ET to 10:30am ET. The E/I programming on American Sports Network is targeted to ages 13 – 16 and includes the following programs:

**7:30 AM - LIVE LIFE AND WIN** - The goal of this series is to inspire and enlighten young viewers with inspirational teen success stories, as well as segments focusing on the arts, school and sports, exercise, nutrition, health and wellness. The series will promote such critical themes as social responsibility, perseverance, leadership, academic achievement and volunteerism.

**8:00 AM - ANIMAL RESCUE** - This program exerts a positive influence on its viewers by illustrating the best of human instincts. In particular, the show highlights respect and compassion for all living creatures, informative instruction on medical rehabilitation treatments and techniques, and the teamwork of animal rescue personnel. The viewer learns valuable information about animal development, behavior and habitats, and is also made aware of important environmental issues.

**8:30 AM - AWESOME ADVENTURES** – Various hosts and teens travel to destinations around the world, that can be both exotic and remote. This program is designed to educate, inform and entertain viewers about the world around them. Each journey is a lesson in the beauty of nature, earth's creatures, and the people who inhabit the land. The program is designed to make learning about our neighbors, both human and non-human, and the environment, fun.

**9:00 AM - 3 WIDE LIFE** - This program provides an inside look at the world of NASCAR auto racing. NASCAR teams, crew members, business personnel, and drivers are featured. They share their experiences, advice, and stories with viewers to provide an in-depth look at the hard work and dedication it takes to achieve their goals. Besides learning how to overcome adversity and the importance of teamwork, the program also informs viewers about the technical aspects of racing, how racing began, information on racing as a career, and the importance of philanthropy and helping others.

**9:30 AM - SPORTS STARS OF TOMORROW** - This program showcases the hard work and dedication required to be a true sports star. Chronicled are the trials and tribulations of young athletes as they strive to become top level performers in the sports arena. This program helps viewers realize that with hard work and determination, their goals in life and on the playing field are attainable. Key values such as dedication, discipline, commitment and community involvement are reinforced in each episode. The program also provides in-depth stories that reveal the important challenges and lessons that mold young athletes. Through these stories, viewers learn that while many desire greatness on the grand stage of competition, much can be learned through the journey that can make a significant difference throughout their lives.

**10:00 AM - REAL WINNING EDGE** - This program features young people who have been chosen to be profiled because of their adoption of pro-social values and principles. The particular youth featured is interviewed by a celebrity in the same talent field. This program shows the viewer that honesty, loyalty, hard work, self-discipline and balancing school work with social activities and friends, and developing a sense of purpose in his/her life, all combine to help the viewer stand against influences which could hurt him/her or others.

**Curiosity Quest**

Curiosity Quest is an upbeat, family, educational program that explores what viewers are curious about. In each show, host Joel Greene ventures on a quest to answer viewer's letters of curiosity. Each quest takes the audience on location for an unscripted, hands-on, educational exploration. In addition, throughout each program, Joel will hit the streets to get real and often comical answers to questions pertaining to each episode. Joel's enthusiastic personality often lands him in hilarious situations in pursuit of the answer.

**Real Life 101**

Real Life 101 introduces you to real people doing real jobs. From doctors, lawyers and veterinarians to Career counselors, drug counselors, Lipizzaner stallion trainers and special effects wizards, Real Life 101 takes you "on the job" so you can see for yourself why these professionals love what they do. Learn about jobs you might not know even existed! Join hosts every week as they explore new professions in the exciting world of work. It's half-hour of thought-provoking, eye-opening fun and entertainment!

**Awesome Adventures**

Awesome Adventures is an adventure/travel show that takes teens, ages 13 to 16, on incredible journeys all over the world. The show has won numerous awards, and, in 2013, was nominated for a daytime Emmy for Outstanding Travel Series. The destinations and activities are diverse, from Ice Climbing the glaciers in Iceland to trekking next to Lava in the islands of Hawaii.

**Aqua Kids Adventures**

Aqua Kids motivates young people to take an active role in preserving aquatic environments and wildlife, by showing how other kids just like them can do the same. Whether it's saving sea turtles or participating in a beach cleanup, the Aqua Kids demonstrate the real and lasting contribution children can make in protecting the future of their community and the world.
