Daily NewsMakers Segment included visits from County Executive Ted Rumley, County Commissioner Robert Goff, and County Clerk Don Townsend concerning what's going on in county government.

Topics discussed in the 2nd Quarter include...

- Mr Rumley talked about establishing City- County Joint Historic Preservation Commission.
- The County is continuing to try and upgrade the Historic Dade County Courthouse, through the use of SPLOST.
- Dade County moving ahead on lighting the soccer fields and a lease purchase agreement to fund the project.
- The County announced the schedule of meetings for the setting of the millage rate.
- County is in talks with the Dade County Water and Sewer about purchasing land for a reservoir, for the county, off of Sales Ln.
- An ordinance was established prohibiting Public Drunkenness and Disorderly Conduct.

Daily NewsMakers Segment included visits from Sheriff Ray Cross, Lt. David Hughes and Lt. Nathan Baker concerning law enforcement issues in Dade County. Continued discussion on the topic of Opiate and drugs and it's relation and impact in the country. Sheriff Cross urged citizens to use the locked drop off container to rid of old or unused medications.

WKWN streams the Dade County Commission, Dade County School Board and the City of Trenton's, monthly, via our Facebook page, KWN News Now.
