Daily NewsMakers Segment included visits from County Executive Ted Rumley, County Commissioner Robert Goff, and County Clerk Don Townsend concerning what's going on in county government.

Topics discussed in the 3rd Quarter include...

- Trenton City Commission discussed the Dade County Chamber of Commerce and what the city is receiving for their contribution Trenton Mayor, Alex Case, suggested a meeting with the Chamber President and the County Official to discuss the contract through the city and the county.
- Dade County residents speak out concerning land development concerns for Wildwood and Lookout Mountain and the related traffic problems.
- Continued discussion by local citizens and commissioners concerning the water reservoir and the Water / Sewer Authority.
- Commissions discussed collecting a roll back millage rate for the county, for next year's tax collections.
- Commissioners addressed an increased number of tires being dumped on land and not being disposed of properly. And, that the county had received a scrap tire abatement grant.

Daily NewsMakers Segment included visits from Sheriff Ray Cross, Lt. David Hughes and Lt. Nathan Baker concerning law enforcement issues in Dade County.

- Dade County Sheriff's department along with the School System discussed the implementation of additional School Resource Officers. Dade County will now have an SRO in every school.
- Continued discussion on the topic of Opiate and drugs and it's relation and impact in the country. Sheriff Cross urged citizens to use the locked drop off container to rid of old or unused medications.
- Information concerning Dade County's Chief Deputy being struck by a vehicle being pursued in a high-speed chase, leaving the deputy in critical condition.

WKWN streams the Dade County Commission, Dade County School Board and the City of Trenton's, monthly, via our Facebook page, KWN News Now.
