CHRISTMAS IN COMANCHE IS COMING...

Even though the Christmas light show on the square may look different this year than what we are used to...our county seat will still showcase 1,000s of lights throughout the Christmas Season.

Through the generous efforts of the Friends of Historic Comanche civic group, the courthouse will be lit up with over 3,000 light bulbs on the building. There will also be lighted wreaths at each entrance that will match the beautiful greenery, lights and bows that adorn Old Cora each Christmas.

The little white church is being rebuilt and will sit on the corner like it does each Christmas and will have its beautiful stained glass windows lit up each night for all to enjoy.

AND FOR THE EXCITING NEW ADDITION TO CHRISTMAS IN COMANCHE...the [Texas Rural Living, Inc.](#) Group; Clint & Jami Tunnell, have donated a 12', pre-lit commercial Christmas tree with over 2,000 lights on it to serve as our COMMUNITY CHRISTMAS TREE and will sit next to Old Cora. We will be posting in the future our plans to have the children and children at heart participate in this exciting new addition.

The 35th Annual Steve Clemons Deer Hunter's Chili Supper this Friday! 🌟 🦌

Have you ever wondered about the origin of the name "Steve Clemons Deer Hunters' Chili Supper"?

This long-standing event, the Steve Clemons Deer Hunters' Chili Supper, was established more than three decades ago by members of the Comanche Chamber of Commerce and Agriculture Board of Directors, one of them being Steve Clemons himself. Among this group were passionate deer hunters who recognized the many numbers of individuals who journeyed to Comanche County for hunting and outdoor adventures. Thus, they conceived the idea for this supper as a way to kickstart the deer hunting season!

This event has always remained open and free to both travelers and the local community.

This deer season, the hunters of Central Texas are being asked to consider donating a deer to help feed the hungry. By partnering with Coleman County Processing and the Food Bank of West Texas, Cornerstone Community Action Agency is able to pay a reduced processing cost for deer donated to this program. This program has been a great success in previous years, providing meals to Central Texas families Brown, Callahan, Coleman, Comanche, Eastland, Runnels, and McCullough counties. All it takes is to field dress the legally tagged deer and bring it to Coleman County Processing in Coleman. CCAA will pay for the processing cost of the deer and once completed, it will be donated to local area food banks. It will then be distributed to families in our communities. Join in making a difference by donating your deer.

The 35th Annual Steve Clemons Deer Hunter's Chili Supper this Friday! 🌟 🦌

Have you ever wondered about the origin of the name "Steve Clemons Deer Hunters' Chili Supper"?

This long-standing event, the Steve Clemons Deer Hunters' Chili Supper, was established more than three decades ago by members of the Comanche Chamber of Commerce and Agriculture Board of Directors, one of them being Steve Clemons himself. Among this group were passionate deer hunters who recognized the many numbers of individuals who journeyed to Comanche County for hunting and outdoor adventures. Thus, they conceived the idea for this supper as a way to kickstart the deer hunting season!

This event has always remained open and free to both travelers and the local community.

Tragically, Steve Clemons passed away in December 2015, but the tradition lives on with the help of others and continues to thrive and expand with each passing year.

Santa's Helpers, Comanche by Kerry Dudley Chair

Santa's Helpers is a 501C3 charity helping area residents at Christmas. Begun in 1982 by Bill Davis, a Disabled American Veteran and Marie Hill, a USPS worker, they were able to help about 35 families with gifts and food. Since then, the group expanded, housed in the basement of the Old First United Methodist Church and continued to grow where annually, about 150 senior citizens and families are helped at Christmas. The Methodist church still supports and houses our efforts every year after Thanksgiving through distribution day.

Through community donations, Santa's Helpers has been able to assist less fortunate families and seniors for 41 years. Currently, we're accepting applications for assistance and will be conducting interviews with deadline for submission of December 9th . Distribution day will be determined soon. Applications for assistance are available weekly in The Comanche Chief and in box outside office of Methodist Church on East Grand in Comanche. Comanche area residents (Sidney, Proctor, Comanche, Gustine) are eligible to apply however, DeLeon

Santa's Helpers, Comanche by Kerry Dudley Chair

Santa's Helpers is a 501C3 charity helping area residents at Christmas. Begun in 1982 by Bill Davis, a Disabled American Veteran and Marie Hill, a USPS worker, they were able to help about 35 families with gifts and food. Since then, the group expanded, housed in the basement of the Old First United Methodist Church and continued to grow where annually, about 150 senior citizens and families are helped at Christmas. The Methodist church still supports and houses our efforts every year after Thanksgiving through distribution day.

Through community donations, Santa's Helpers has been able to assist less fortunate families and seniors for 41 years. Currently, we're accepting applications for assistance and will be conducting interviews with deadline for submission of December 9th . Distribution day will be determined soon. Applications for assistance are available weekly in The Comanche Chief and in box outside office of Methodist Church on East Grand in Comanche. Comanche area residents (Sidney, Proctor, Comanche, Gustine) are eligible to apply however, DeLeon residents should apply through Ministerial Alliance program at Methodist Church in DeLeon.

Items most needed are blankets, bikes or tricycles, Barbies and sports balls, Superhero toys and remote control cars. We shop Comanche only so listed items have either been limited in quantity or unavailable here. Once again, we're asking for the community's support in acquiring additional items to help make Christmas better for others.
