At approximately 9:00 PM on Friday, July 21, 2023, Deputies with the Eastland County Sheriff's Office responded to a domestic fight in progress at a residence on Hwy 183 between Cisco and Rising Star. Deputy David Bosecker arrived on scene first and immediately began receiving gunfire from the suspect. Deputy Bosecker was struck and fatally wounded. Other units arriving were able to apprehend the suspect and no one else was injured. The suspect was taken to Stephens County Jail where he was charged with Capitol Murder. This is an active investigation being led by the Texas Rangers.

Deputy Bosecker had been in law enforcement for over 21 years and was a master peace officer. He began his law enforcement career in Wise County as a deputy then transitioning to Texas Alcoholic Beverage Commission. He would later become a Game Warden for Texas Parks and Wildlife. And Police Officer for Comanche PD. He finally ended up at Eastland County as a deputy in 2021 and he also worked part time for Cisco PD as a marine enforcement officer.

On Thursday of last week, Larry Liles and J. W. Figueroa of the Comanche Nation made the journey from Lawton, Oklahoma, down Texas State Highway 16 (formerly known as Buffalo Hump's Trail or the Eastern Comanche War Trail) all the way to Comanche, Texas.

They met with the organizers of the time-honored Comanche County Pow Wow to begin planning for next year's event.

Planning progressed so well that the discussion began to involve elements for this year's event coming up on the weekend of September 23-24. This year's event will possibly include vendors from the Tribe with traditional Comanche food and crafts and possibly even dance demonstrations.

Sleep in Heavenly Peace is having a bed building event this Saturday at 3M In Brownwood from 8am to 11am! If you would like to volunteer, this is a great opportunity to do so.

Their goal is to get enough volunteers from Comanche County so they can provide free beds to children ages 3 - 17 in need.

Due to declining water levels in Proctor Lake, the US Army Corps of Engineers has made the difficult decision to close the Sowell Creek Day-Use Boat Ramp in the interest of public safety. The low lake levels make launching from this ramp hazardous to visitors and their property. Unfortunately, with the closure of this ramp, Proctor Lake currently does not have any open ramps for large vessels. Visitors can still launch kayaks, canoes, and other small vessels, but no facilities remain open that can support trailered vessels. The last time low lake levels forced the closure of all seven developed boat ramps at Proctor Lake occurred during the 2014-2015 drought. Large scale flooding in Spring 2015 relieved that drought. Proctor Lake staff will continue to monitor lake levels and their ramps to determine when conditions have improved enough to reopen individual boat ramps. Please reach out to the Proctor Lake Project Office at 254-879-2424 with any questions.
