On behalf of Jackson Housing Authority's Social Services department, I would like to extend a huge thank you for supporting us and attending our job fair on Tuesday. Although we did not have the turnout we'd hoped for, we're appreciative of the few job seekers who did take the time to come by. Maybe one or all of them will obtain employment. In any event, we could not have done this without you, and again, THANK YOU. We hope that you'll continue to support us with future events, and if we can assist you in anyway, please don't hesitate to ask.

Hope each of you have a wonderful day!!

Thelma,

WBBJ-TV uses a mentoring program to train new employees. We pair a new employee with a seasoned one in their area for two weeks of training upon joining our team. New reporters will spend time with the photographer/editor to learn about the equipment and the technical side of their job. Then they train with a seasoned anchor to learn the reporting side of their position. Part-time technicians also go through training on different jobs to be able to do expanded roles within their work week. We also consistently share videos and articles from the TAB, RTNDA and Poynter with ideals, tips and examples of how to improve their skill-sets. With mentoring and training we are able to promote qualified employees from within the station to higher levels of positions.
