## Quarterly Issues and Program List

15	Crime	10:02pm	10/26/17	:22	24 Hour News 8 @ 10pm	She was found in a shallow grave near Swam Creek Marsh near Allegan--about 50 miles away from the Lockhart home. Theresa's body will not undergo an autopsy to determine how she died. Christopher Lockhart was always considered a person of interest, but investigators could never pin the crime on him. In his suicide note, police say he expressed remorse for killing Theresa...and asked for forgiveness.
15	Health	10:14pm	10/26/17	:41	24 Hour News 8 @ 10pm	Late this afternoon President Trump declared a national health emergency over the opioid addiction epidemic-- but stopped short of calling it a national disaster. That's something that would have opened the gates for more federal funding. Instead-- the health emergency designation means agencies can cut through red tape faster to treat victims-- and that more grant money can be funneled toward drug treatment.
15	Education	4:30pm	11/02/2017	3:42	Maranda	Maranda visits the Careerline Tech Center to learn about their culinary arts program

## Quarterly Issues and Program List

15	Crime	10:09pm	11/4/17	:22	24 Hour News 8 @ 10pm	A Grand Rapids Marine and former Toys for Tots coordinator is facing sex crime allegations. 32-year-old James Mackenzie faces three counts of second-degree criminal sexual conduct. Mackenzie was arrested late last month and released on bond. We don't know much about the allegations against him. He is expected to be back in court in a couple of weeks.
15	Health	4:30pm	11/06/2017	1:55	Maranda	Doctors discuss the upcoming flu season and how you can take care of your family.
15	Health	4:30pm	11/07/07	22:00	Maranda	Entire show dedicated to the opioid drug epidemic. We talk with doctors, law enforcement, counselors and parents and children about the issue.

## Quarterly Issues and Program List

15	Education	10:18pm	11/28/17	:60	24 Hour News 8 @ 10pm	Here in Kent County, officials are closing the Recycling and Education Center for the next three weeks in order to upgrade equipment. We've learned one-point-five million dollars in improvements will be made during that time including optical scanners... that can separate different types of plastic coatings on things like milk cartons. A \$400-thousand-dollar, private grant will help pay for one of the new machines and that must be installed by the end of the year. Even though county officials admit this isn't the best of timing, with the holidays approaching, they're still asking people to hold on to their recyclables... until the week of December 19th.
15	Health	4:30pm	11/29/2017	3:46	Maranda	Priority Health has tips to stay healthy and active over the holidays
