

**ISSUES/PROGRAMS LIST
THIRD QUARTER OF 2010
FOR STATION WQQZ-CA(TV), PONCE, PUERTO RICO**

This Quarterly Issues/programs List is a list of non entertainment programming, which in the view of the management of Station WQQZ-CA(TV), represents the most significant treatment by the Station of certain issues believed to be of community concern. The management of the Station selected the issues of greatest community concern by conducting interviews with resident of the viewing area and leaders of local organizations and interest groups. Based on the results of these interviews, CMCGPR License LLC selected the following issues as of greatest concern:

- Quality of the Environment
- Drug Addiction
- Automobile Safety
- Health (Including Cancer, Depression, Drug Abuse, Health Prevention, Sexual Diseases)
- Abuse of Children and Animals
- Education (Learning Issues)
- Preservation of Family Values

The management of the Station believes that the most effective way of providing information concerning the above-noted issues is by means of public service announcements aired at various times of the day so as to include all of the Station's viewers. Attached to this report is a listing of those public services announcements aired during the first quarter of 2010 which devoted attention to the issues identified above. The listing includes a short description of the announcement, the date of airing and the duration of the announcement.

On November 9, 2009 station entered in to a program agreement with Spanish Broadcasting Systems (SBS) which provided a series of programs which covers others community issues as well as the ones described above. Effective November 23, 2009 SBS started broadcasting its programming over WMEI-TV facilities.
