**Subject:** Re: Cumulus-Fresno EEO Audit Exemption Request

Dawn,

Because the February 2021 audit of KMGV(FM), Fresno, CA (Fac ID #18409) would include review of the 2019 and 2020 EEO Public File Reports, ending July 31st, for the below-referenced station employment unit, and we previously reviewed the 2019 report as part of the FCC's February 2020 audit of this unit, KMGV(FM) is exempt from responding to the February 2021 audit.

We suggest you place a copy of this email in the FCC-hosted online public inspection file belonging to each station in the employment unit (along with a copy of the Commission's February 25, 2021 audit letter, which must appear in the public file pursuant to agency rules).

Best, Elizabeth

**Subject:** Cumulus-Fresno EEO Audit Exemption Request

Dear Elizabeth,

On behalf of Cumulus Licensing LLC, licensee of KMGV(FM), Fresno, California (Fac. ID #18409), I am writing to request an exemption from the requirements outlined in your February 25, 2021 letter based on the recent audit of the station's EEO program. KMGV(FM) is part of larger station employment unit based in Fresno, California (the "SEU"), which submitted an audit response last year on July 7, 2020. The SEU's 2018 and 2019

EEO Public File Reports, both ending July 31, were filed as part of that response. The Commission responded favorably to the SEU's audit response on July 9, 2020.

I thank you in advance for your consideration of this request.

Warm regards,

Dawn
