Blake & Tim,

Once a year I speak to the Central High School Social Science department. The lecture and Q&A I do is on the role of media in relation to civics & government.

My most recent visit was Friday October 7th, 2016. I will be back again at roughly the same time in 2017.

I have also been a guest on Sunday Morning Matters, the local public affairs program on KSEE 24. The topics were civility in media and Sen. Kamala Harris' upcoming visit to Central CA.

So far my only appearance was on Sunday June 18th, 2017.

Let me know if either of you have questions.

Can you give me the names of who might have sent responses to here? I can't find a file for this year. If I knew who sent her info I can try searching her old email inbox.

Each employee sent her emails individually alerting her as to their participation. I can have everyone try to dig up that info again. So, Sue didn't have the info documented??

Tim,
We attended several of these events, all of which should have been documented by Sue Stoner.

All
Most of you know this drill by now.

I'm putting together information for our annual EEO report. Please let me know if you or any of your staff has participated, or will participate in an "outreach activity" during the period from Aug 1, 2016 through July 31, 2017:

- Presentations at schools, civic groups, etc. to discuss careers in broadcasting, and/or broadcasting in general.
- Conducted station tours
- Participation in job fairs

I'm looking for dates and details. If you have any questions, please let me know.

Thanks.
