

KMPH

Issues & Programs Report for First Quarter 2020

CONSUMER AWARENESS

Great Day, Jan 9, 2020, 06:08 AM, :18, Local: The California Food Expo is now ending its run after nearly a decade. The expo's board of directors decided to shut down the event for financial reasons. This is an important alert for viewers as the expo featured hundreds of food and drink businesses from throughout the state.

Midday, Jan 14, 2020, 11:33 AM, :27, Local: PG&E says it is seeing more than twice as many scam phone calls than usual this year. The caller threatens to shut off your power and demands payment in the form of prepaid debit cards or gift cards. This story is important for viewers because scams are incredibly common here in the Central Valley.

Midday, Feb 5, 2020, 11:48 AM, :26, Local: Sprint and Comcast are now partnering to create new caller ID technology to protect you from annoying and invasive robocalls. The technology would prevent callers from faking the phone number that shows up on your screen, making it more difficult to trick you into picking it up. This story is important because these robocalls scam one out of every 10 Americans. Yearly losses add up to nearly \$10 billion.

Midday, Mar 3, 2020, 11:46 AM, :33, Local: iPhone maker Apple is now settling a class-action lawsuit, claiming the company purposely slowed down older phones to get users to buy new models. The payout will cost Apple around \$500 million. This story is important for viewers because they may receive some money because of this lawsuit. Anyone who owned an iPhone 6, 7 plus, or SE can file a claim. The expected payout is expected to be around \$25.

Great Day, Mar 12, 2020, 08:25 AM, :28, Local: The beauty products store Sephora is now making changes because of the Coronavirus. All paid and free in-store makeup services at Sephora are now suspended. This is an important alert for viewers because the chain has a number of locations in the Central Valley.

Midday, Mar 12, 2020, 11:47 AM, :16, Local: The tax deadline could be extended due to the coronavirus. The April 15th deadline could be postponed by at least a few months or waive fees linked to late filing. This is important for viewers who still have not filed their taxes

Great Day, Mar 13, 2020, 08:10 AM, :41, Local: The Save Mart Center is now postponing a number of events because of the Coronavirus. That includes concerts from Lynyrd Skynyrd and the Italian pop group Il Volo. This is an important story for people who may have tickets or made plans for future events in Fresno.

Midday, Mar 13, 2020, 11:39 AM, :24, Local: PG&E says it will begin offering flexible pay plans due to the coronavirus. The utility company also says it will not disconnect electricity and gas for people who are unable to pay their bills. This applies to both residential and commercial customers. This is important for viewers who may not be able to work due to the outbreak

Midday, Mar 17, 2020, 11:32 AM, 01:17, Local: Treasury secretary Steven Mnuchin is now calling for lawmakers to come up with a major economic stimulus package to help the country avoid another recession. This new plan would include aid to small businesses and airlines and sending checks directly to Americans. This story is important because the coronavirus is forcing some out of their jobs. Getting some money to help stay afloat could make all the difference for some families.

Midday, Mar 24, 2020, 11:36 AM, :25, Local: The city of Fresno is now suspending its curbside pickup program due to the coronavirus. Any scheduled pickup after March 27 are now on hold. This story is important for viewers because many people rely on these pickup dates to get large and hard to transport items out of their homes.

Great Day, Mar 26, 2020, 09:04 AM, :40, Local: Nearly 3.3 million people filed for unemployment benefits last week. That is more than four times the previous record set back in 1982. The surge comes as layoffs accelerate due to the widespread economic shutdown because of the coronavirus. This story is important for viewers because some economists think unemployment could reach 13% by May. During the great recession, the highest jobless rate was 10%.

CRIME

Midday, Jan 2, 2020, 11:30 AM, :55, Local: The Roman Catholic Diocese of Fresno is facing a new lawsuit accusing Father Anthony Moreno of sexual assault. The lawsuit says the abuse was reported to church officials, but Father Moreno was allowed to remain in the ministry. This story is important for viewers because Father Moreno has served in churches all over the valley through several decades.

Ten O'clock, Jan 2, 2020, 10:05 PM, 02:27, Local: Two men broke into a high-end boutique in North Fresno last month and stole thousands of dollars' worth of designer handbags and jewelry. This is important to viewers because the burglars are still on the loose and the theft was caught on camera. A viewer could potentially be able to identify one or both of the burglars.

Ten O'clock, Jan 3, 2020, 10:03 PM, 01:52, Local: A father in Fresno is still searching for answers on who shot and killed his son and why they did it. Fresno Police said on the day it happened that it was an unprovoked and senseless act of violence. This is important to viewers because a senseless act of violence like this could have happened to anyone and the gunman is still on the loose.

Ten O'clock, Jan 5, 2020, 10:01 PM, :30, Local: Four masked men with handguns robbed a Wienerschnitzel in Visalia and made off with cash and a worker's cell phone. They left in two cars and are still on the run. This is important to viewers because Visalia Police are asking for the public's help in finding any kind of information about the masked men and someone watching may know something about the men or the robbery.

Ten O'clock, Jan 6, 2020, 10:01 PM, 01:45, Local: A Fresno band is missing all of its instruments and gear worth more than 20 thousand dollars, leaving it unable to perform. The equipment was stolen out of the band's U-Haul truck after the band had performed in Santa Ana. This is important to viewers because the band needs help getting their gear back and someone watching could possibly help.

Ten O'clock, Jan 6, 2020, 10:06 PM, 01:46, Local: A man in Fresno has been arrested 11 times in the past year but he keeps being let out of jail. Now he's been terrorizing a neighborhood in Fresno by breaking into people's homes. This is important to viewers because the man is a threat to society and making others feel unsafe and not much is being done about it.

Great Day, Jan 8, 2020, 08:05 AM, :23, Local: People who rent from a Derrell's Mini Storage facility in Merced are now being told to check on their stuff. Deputies say thieves broke into the facility on Santa Fe Drive twice. This is an important alert for the community and anyone who may have items stored at that facility.

Midday, Jan 8, 2020, 11:32 AM, :46, Local: Two gang members are now in custody, accused of involvement in several shoot outs at an apartment complex in southwest Fresno. Police are hoping the arrests will help recover several unregistered guns and stop the violence in this neighborhood.

Ten O'clock, Jan 9, 2020, 10:00 PM, 02:30, Local: About a year and a half after a man was killed by a driver high on marijuana, that man's family fears they may never see justice. It was the first time Madera County had ever convicted someone for driving under the influence of marijuana. The driver may only go to jail for about four months. This is important to viewers because someone driving under the influence of marijuana may not face a strict enough penalty and that could set a dangerous example for future offenders.

Ten O'clock, Jan 10, 2020, 10:03 PM, 02:17, Local: A woman says a driver cut her off, pretended to be an officer, and tried to get her to come out of her car. This is important to viewers because the imposter is still on the loose and officers would never pull anyone over without flashing their lights first.

Ten O'clock, Jan 11, 2020, 10:01 PM, 01:45, Local: It's been more than a month since a hit-and-run in Selma killed a man. There's been no new leads for police to follow up on for weeks and with no new answers on the hit-and-run, that man's son is pleading for anyone to come forward if they have more information about that incident. This is important to viewers because someone watching could potentially have information for the victim's son and for Selma police.

Ten O'clock, Jan 12, 2020, 10:02 PM, :25, Local: The Fresno County Sheriff's Office says a man was shot and killed in Southeast Fresno. The gunman is still on the run. This is important to viewers because someone watching could possibly provide information about the shooting and may have info that could lead to an arrest.

Ten O'clock, Jan 16, 2020, 10:06 PM, 02:24, Local: The Madera County Sheriff's Office says deputies have caught the man responsible for the October 2019 murder of a 16-year-old girl. The man that deputies arrested had no criminal history before but now has several felony charges from two different agencies. This is important to viewers because it's a positive update and it will provide a sense of peace and justice to the victim's family.

Great Day, Jan 17, 2020, 05:17 AM, :55, Local: The Madera County Sheriff's department says a 19-year-old former marine is responsible for killing a 16-year-old in Madera last year. Now, investigators say the 19-year-old may have used social media to contact other young girls too. Deputies are asking anyone who was contacted by the former marine to call them right away. This is important for people in our area to know about so they can help the county make its case and keep this from happening to anyone else.

Ten O'clock, Jan 17, 2020, 10:01 PM, 02:00, Local: Thieves are smashing their way into stores and loading up as many cigarettes as they can. Fresno Police say it's because of the rising costs of cigarettes due to a higher tax in California. They've become a lot more valuable so thieves are targeting them so that they can flip them either on the street or to another business owner to try and resell them. This is important to viewers because the thieves are still on the run and anyone watching could possibly identify the thieves and turn them in.

Midday, Jan 20, 2020, 11:31 AM, :36, Local: A man is dead after a high-speed chase through Fresno and into Madera county ended in a high-flying crash. Police say the car officers were chasing hit up to 110 mph. The road the driver was on makes a hard-right turn, but the driver instead drove his car off a canal bank, launched more than 400 feet through the air, clearing the San Joaquin river.

Ten O'clock, Jan 20, 2020, 10:01 PM, :25, Local: A shooting near a homeless shelter in Fresno, California left three people injured. This is important to viewers because the shooter is still on the loose and someone watching could possibly have more information on the incident.

Midday, Jan 23, 2020, 11:58 AM, :36, Local: Fresno police are searching for two people they say robbed a Pier One Imports in north Fresno this morning. Employees told officers that two Hispanic men walked in with a gun and demanded money from a safe. Investigators say the robbers got away with money and an item belonging to one of the employees. This story is important because it is unusual. Officers say it is weird that the robbers would target a furniture store, especially on unloading day. Police are now looking at the surveillance footage.

Great Day, Jan 24, 2020, 06:08 AM, :48, Local: The Kings County Sheriff's Department is now using technology called "Smartwater CSI" to help track down ag thieves. The move was inspired by a decrease in property thefts in Tulare County after the Sheriff's office in that county started using the technology. This is an important crime update for viewers in the agricultural business who may be vulnerable to ag thefts.

Ten O'clock, Jan 24, 2020, 10:05 PM, 02:08, Local: A landscaper who works for FOX26 had his landscaping equipment stolen while working outside the TV station. This is important to viewers because the thieves took advantage of the opportunity in broad daylight to steal the equipment. This could happen anywhere and it's a good lesson to always keep valuable equipment locked up at all times.

Ten O'clock, Jan 25, 2020, 10:02 PM, :30, Local: A six-year-old girl is in the hospital after being shot in the shoulder. It's unknown who shot her, but she wasn't the target. Police say they think there was some sort of argument that led to gunfire within the apartment complex where she and her friend were playing. This is important to viewers because police are still trying to find out more information about the shooting and someone watching could potentially have valuable information that could lead to an arrest.

Ten O'clock, Jan 29, 2020, 10:02 PM, 02:12, Local: A man in Fresno, California says he got a call from PG&E saying that his bill was overdue, and his power could be shut off. The call turned out to be a scam. This is important to viewers because too many people fall for these kinds of scams and it's necessary to report on what to look out for in scam calls.

Ten O'clock, Jan 30, 2020, 10:08 PM, 01:53, Local: A man in Madera County is looking for his stolen scooter. The thief was caught on surveillance video coming up and stealing the scooter from his driveway. This is important to viewers because the thief was caught on camera and someone watching could possibly identify the thief.

Ten O'clock, Feb 2, 2020, 10:03 PM, 01:00, Local: Police were out all over the valley looking for people who may have been driving under the influence. They are patrolling to try and attempt to keep people on the road safe from accidents. This is important because not only are you putting people in danger when you drive under the influence, but you will also face a large fine and possibly jail time if you are caught by police.

Great Day, Feb 3, 2020, 09:08 AM, :40, Local: One woman is dead, and five others are hurt after a shooting on a Greyhound bus over the grapevine. It happened overnight in Lebec, which is south of Bakersfield. Officers say when the shooting started, the bus driver pulled over. The shooter then got off the bus and left the gun behind. Officers say the shooter is in custody. This story is important for viewers in our area because the shooting happened close to the Central Valley. Many people use these buses to cross the grapevine to get to, or come from, Los Angeles.

Midday, Feb 4, 2020, 11:30 AM, :20, Local: A 24-year-old man is now behind bars after Corcoran police found him inside a parked car with a minor under the age of 14. Officers say Jose Rodriguez got in touch with the child via social media and arranged to meet for sexual purposes. He is now facing several sex crime charges. This story is important for viewers because it serves as a reminder for parents to make sure they know who their child is talking to online.

Ten O'clock, Feb 5, 2020, 10:11 PM, :26, Local: A teacher's aide in Mendota was arrested for having sex with a 16-year-old boy. Investigators said that they arrested the 42-year-old and are accusing her of having a sexual relationship with the boy. She had been working as an instructional aide for the Mendota school district when it happened, and she gave a full confession. This is important because people need to be able to talk with their kids about the dangers of this kind of thing.

Midday, Feb 12, 2020, 11:36 AM, :26, Local: A Madera Ranchos woman is now convicted of torturing and murdering her adopted daughter. Amy Chavoya was arrested back in 2015. Prosecutors say the abuse began ten years ago, when she started fostering two children. She was eventually allowed to adopt them both. She now faces life in prison.

Ten O'clock, Feb 12, 2020, 10:04 PM, :47, Local: A man was caught on camera stealing eyeglasses and sunglasses from a Fresno Optometrist's office. The man was seen scooping frames into a trash can before leaving, more than 80 frames were stolen, totaling between 18 and 19 thousand dollars. This is important because this man is still out there, and people are looking for anyone with information to call them.

Great Day, Feb 13, 2020, 05:08 AM, 00:27, Local: State lawmakers are taking aim at package thieves hoping to increase punishments for repeat offenders. If the new proposal passes the state senate, repeat offenders could be charged with a felony after their third offense in three years. The bill would also increase sentences to up to three years in prison. This is important for people in our area to know so they are aware of what our elected officials are working on.

Ten O'clock, Feb 13, 2020, 10:11 PM, :43, Local: Reedley Police busted a crew that carried out several break-ins in the area. They are now hoping to find the owners of the stolen items that were recovered. This is important because if you were the victim of a break-in then your stuff may have been recovered by the police.

Midday, Feb 14, 2020, 11:33 AM, :23, Local: A detentions deputy with the Kings County sheriff's office is now under arrest after detectives say he secretly Recorded sex videos with a woman and then sent those videos to someone else. Investigators say the woman he Recorded had no idea it was happening. Detectives also say the deputy was also harassing the woman who he sent the videos too. That deputy is now on administrative leave while the investigation continues.

Ten O'clock, Feb 14, 2020, 10:02 PM, :21, Local: Fresno Police are searching for a man who robbed a Chevron station at gunpoint. He ran in and demanded money from the employee before running out. Luckily, no one was hurt in the robbery, but the man is still on the loose. There was another similar burglary later that night, but police are unsure if the two are related. This is important because this man is still out there, and he may dangerous.

Ten O'clock, Feb 15, 2020, 10:01 PM, :23, Local: Sanger Police say that a shooting between two groups in vehicles could have been because of road rage. Two people were driving when another group pulled up next to them and started to shoot at their car. One person was hit but they ran away and asked a stranger for help. This is important because police are still looking for those involved in this shooting.

Ten O'clock, Feb 16, 2020, 10:03 PM, :25, Local: A 19-year-old was shot multiple times and rushed to an area hospital. Fresno Police are asking anyone with information about this shooting to please call them. This is important because whoever shot the person is still out there.

Great Day, Feb 17, 2020, 05:06 AM, 01:00, Local: The hunt is now on for a shooter or shooters who attacked a 19-year-old in Northwest Fresno. Officers say the teenager is now recovering in a nearby hospital. This is important for people in our area to know as police are asking anyone with information about the shooting to help with the investigation.

Great Day, Feb 18, 2020, 06:07 AM, 01:20, Local: Multiple businesses in North Fresno are on high alert after a string of burglaries in the area. This is an important crime alert for viewers as investigators are asking for anyone with information to contact them.

Great Day, Feb 19, 2020, 05:02 AM, 00:40, Local: The hunt is still on for a pair of men wanted by police for robbing several Fresno businesses last week. Officers say surveillance video shows the men pulling out guns and demanding cash. This is important for people in our area to know as police are asking anyone with information about the shooting to help with the investigation.

Ten O'clock, Mar 10, 2020, 10:01 PM, :30, Local: Two people were hurt in a hit-and-run accident on Highway 99 in Fresno, California. A semi-truck hit a car and sent it flying off the highway into a nearby business. Police are still looking for the truck that hit them. This is important to viewers because someone watching could possibly have information on where the truck might be.

Ten O'clock, Mar 21, 2020, 10:00 PM, :34, Local: There were two shootings in Fresno tonight and police are asking for anyone with information on either to call the Fresno Police Department. One teenager was shot in the face and one man was shot in a drive-by shooting. This is important because police are looking for information in both of these shootings.

Ten O'clock, Mar 24, 2020, 10:01 PM, 01:30, Local: A police chase in Fresno led to a shootout between the officers, those in the car, and a citizen with a CCW. Two men in a car ran from police, they began to shoot at the police and the police fired back, A citizen shot one of the men in the chest and tackled him so police could arrest him, police are still looking for the second man. This is important because police are still looking for another suspect and he may be dangerous.

Ten O'clock, Mar 28, 2020, 10:00 PM, :36, Local: A suspected D.U.I. driver caused a multi-car crash on the highway. The driver was driving erratically and rear-ended a car which led to multiple cars crashing and one car catching on fire. This is important because it shows the danger of driving while under the influence.

ECONOMY

Ten O'clock, Jan 12, 2020, 10:04 PM, 01:30, Local: A law that kicked in at the new year mandates that from now on, every new home that's built must have solar panels installed on the roof. With the new law, the Energy Commission says savings on homeowners' utility bills tops the corresponding increase in mortgage payments by about \$420. It would also create jobs here in the Central Valley. This is important to viewers because it's a positive thing for the economy and for those looking for work. It's also a positive for homeowners looking to save money.

Ten O'clock, Jan 22, 2020, 10:06 PM, 02:05, Local: Residents in Clovis, California are frustrated over a road project that would widen a major street in the city. A civil engineer at the City of Clovis explained that the road hasn't been dug up in decades, so road workers are not sure what they'll run into when they go in for construction. This is important to viewers in this area because a lot of people drive through that street and a major construction project like this one could cause major traffic problems.

Ten O'clock, Feb 24, 2020, 10:12 PM, 01:25, Local: The Coronavirus is continuing to spread around the globe, thousands are infected, and thousands have died. The global markets have now started to become effected by it. The virus is causing concern on Wall Street. This is important because if the virus continues to spread and cause panic, then it could have a serious impact on the world economy.

Great Day, Feb 27, 2020, 05:07 AM, 00:30, Local: The financial impact of the coronavirus is now spreading, as the disease is sinking stocks lower today. Major concerns surround how the virus is disrupting supply chains in major industries like technology, fashion, and travel. This is important for people in our area to know so they can keep track of their finances during this market downturn.

Great Day, Feb 28, 2020, 05:02 AM, 01:00, Local: The stock market will open down again today following a historic 1,200 point drop yesterday. The DOW, S&P, and Nasdaq are all down around 10% from last week's record highs. Food and travel are facing the toughest hits, as people are choosing to stay home amid coronavirus concerns. This is important for people in our area to know so they can keep track of their finances during this market downturn.

Great Day, Mar 10, 2020, 05:06 AM, :30, Local: The annual raisin bargaining meeting that was going to happen in Fresno is now canceled because of Coronavirus concerns. This is important for people in our area to know about because it could have a big impact on growers and our local economy.

Ten O'clock, Mar 14, 2020, 10:05 PM, 01:18, Local: Even though the number of confirmed cases of coronavirus in Fresno County are low, attempts to limit the spread are having massive effects on local businesses in the area. Employees' hours are being cut and others are being laid off as a result of the reduced number of people out in public. This is important to viewers because a lot of viewers work in non-essential businesses and other local businesses and with them getting less money, it could mean the unemployment rate could jump and more people will need help.

Ten O'clock, Mar 15, 2020, 10:04 PM, 02:16, Local: California Governor Gavin Newsom is asking for all of the non-essential businesses like bars, nightclubs, breweries and wineries to shut down to stop the coronavirus from spreading. This is important to viewers because a lot of people in our viewing market work in non-essential businesses like the ones listed and it could greatly impact their day-to-day life and they will likely lose a lot of money.

Ten O'clock, Mar 16, 2020, 10:05 PM, 02:00, Local: Fresno, California mayor Lee Brand announced that the city is now under a state of emergency. He also announced that the city has ordered all the bars to close and for restaurants to change how they handle business. This is important to viewers because changes like this could greatly hurt the local economy.

Ten O'clock, Mar 25, 2020, 10:01 PM, :20, Local: The Fresno City Council declared that all sporting goods stores can re-open during the shelter in place order. They are now considering sporting goods stores to be essential businesses because they sell emergency supplies like food, water, propane, and other essential items. This is important because many people in the area were upset because they depend on places like that for their essential items.

EDUCATION

Great Day, Jan 7, 2020, 06:07 AM, :19, Local: A new agriculture and technology building is set to be unveiled at Madera City College this week. The building cost nearly a half-billion dollars with funding provided by Measure C. This is an important news update for viewer as more projects are planned for community college campuses in Madera, Fresno, Reedley, Clovis and Oakhurst.

Great Day, Jan 14, 2020, 05:08 AM, :47, Local: Fairmont Elementary School is now planning to build a new state of the art ag complex. The project will cost around \$5 million across a two-acre plot next to the school. The new complex will include a science lab, an animal lab, and a water energy and technology lab. This is important for people in our area to know about because the school is taking donations to raise funds for the new complex, which will help to educate future farmers here in our area.

Midday, Jan 15, 2020, 11:39 AM, :26, Local: The Merced county library is launching a six-month pilot program to allow five of its branches to stay open past 6:00 p.m. This is important for viewers in our area because many people, especially children rely on service offered by public libraries.

Ten O'clock, Feb 25, 2020, 10:12 PM, :2:07, Local: The school board in Selma voted to cut several positions today. Several teachers found out that they would soon be unemployed, however, the cuts were not as large as the board initially proposed. This is important because these budget cuts are going to affect a lot of people.

Great Day, Mar 9, 2020, 06:05 AM, :39, Local: The Clovis Unified School District says it is taking extra precautions to protect students from the Coronavirus. The district says its classrooms, common spaces and restrooms are now deep-cleaned every night. This is an important alert for viewers in our area who may have children in the district and are concerned about their safety.

Great Day, Mar 10, 2020, 08:00 AM, :29, Local: College classes across the state are now canceled or delayed because of the Coronavirus. This is an important alert for viewers as more schools in our area prepare to transition to online classes.

Great Day, Mar 11, 2020, 06:03 AM, :40, Local: Parlier High School is now closed for the rest of the week while the entire school is disinfected. That is because a student from Parlier High visited an area considered at risk for Coronavirus. This is important for people in our area to know about because now they know they need to find childcare for their children or some other means of educating them.

Great Day, Mar 12, 2020, 05:02 AM, :30, Local: Fresno, Clovis, and Central Unified School Districts are now taking new steps to prevent the Coronavirus from reaching students and staff. All trips are now canceled to any county with ten or more confirmed cases. This is important for people in our area to know about so they can make sure their children are safe from the disease.

Great Day, Mar 13, 2020, 05:03 AM, :25, Local: Fresno State is now suspending all in person classes starting this upcoming Monday. Teachers will now have most of next week to prepare and create new online courses. Those are scheduled to begin one week from today. This is important for people in our area to know about so they can plan their educational roadmap as we move deeper into the coronavirus outbreak.

Great Day, Mar 16, 2020, 08:01 AM, :42, Local: Schools across the Valley are now closed to help protect against the outbreak. Fresno and Clovis schools are among the closures. These schools will be closed until at least April 14th. This is an important alert for parents who may have students in school. We announced more district closures and directed people to kmph.com for more information.

Great Day, Mar 17, 2020, 08:00 AM, :23, Local: Classes at Fresno City College are now cancelled out of precautions related to the Coronavirus. Right now, teachers are working to transition to online classes. This is an important alert for students in our area who will be impacted by the changes. The online classes start March 23.

Midday, Mar 19, 2020, 11:35 AM, :38, Local: California governor Gavin Newsom is now trying to waive standardized testing for this school year due to the coronavirus outbreak. Governor Newsom says he doubts students will return to school to finish out this year and likely won't see a classroom again until the fall. This story is important because most schools in the area are closed for now. Many districts are offering packets of work, to keep children learning while out of the classroom.

Great Day, Mar 27, 2020, 06:08 AM, :16, Local: More valley school districts are extending campus closures because of the Coronavirus. Central, Parlier and Selma Unified now say home-based learning will continue through at least May 1st. Kings Canyon Unified is also keeping its students at home until at least the beginning of May.

Great Day, Mar 31, 2020, 06:08 AM, :25, Local: Fresno Unified School District will continue to offer free meals to students during its normal spring break period. This is an important alert for families that rely on these meals.

ENVIRONMENT

Ten O'clock, Jan 8, 2020, 10:05 PM, 02:37, Local: Fans of camping and off-roading at the Oceano Dunes near Pismo Beach are now getting ready to appeal to state lawmakers to consider other options to improve the air quality that don't involve closing the dunes. This is important to viewers because a lot of people in Fresno go to the Oceano Dunes to camp and go off-roading.

Midday, Jan 9, 2020, 11:36 AM, :58, Local: A rally at the state capitol is now planned to keep the Oceano Dunes open to the public. This follows a decision by California State Parks to close 48 acres of land that was previously used for camping. It also cut the number of camping permits in half. The decision was made to cut down on dust and people who live in the area say off-roaders are to blame for kicking it up. This story is important because a lot of people from the Central Valley travel to Oceano Dunes for camping, off-roading for vacations.

Great Day, Jan 13, 2020, 05:07 AM, :53, Local: California is now the first state in the country to enact a law forcing all new homes and apartments to have solar panels. The law brings us closer to the goal of zero-energy consumption in homes. Developers say the move will save money for homeowners and help the environment. This is important for people in our area who may be looking into moving into a new home. The cost of the new homes will include the solar panels, but developers say the cost will be offset by savings to energy bills.

Great Day, Feb 5, 2020, 06:05 AM, :30, Local: A fire broke out at an old, historic hardware store in downtown Chowchilla. Traffic in the area was shut down due to fire equipment for several hours, and the fire could be seen from several blocks away

Ten O'clock, Feb 21, 2020, 10:03 PM, :34, Local: The Fresno Irrigation District says it is postponing the start of their 2020 water deliveries due to the lack of rain this winter and a below-average snowpack. They decided to not offer any agriculture water deliveries for now. A decision will not be made until mid-March. This is important because a lot of people are dependent on that water for their farms and businesses.

Great Day, Feb 24, 2020, 05:02 AM, 01:00, Local: A construction project in northeast Fresno was expected to create traffic delays near two high schools. A map of the closure was shown, and alternate routes were suggested.

Ten O'clock, Feb 27, 2020, 10:10 PM, :24, Local: Surveyors with the State Department of Water Resources surveyed the snow level near Lake Tahoe. The conditions in that area were far below average, less than half of what is considered average. This is important because the snowpack has a large impact on the amount of water we will have during the year and many farmers depend on that water.

Ten O'clock, Mar 6, 2020, 10:03 PM, 01:44, Local: A new program starting Monday aims to clean up highways in Fresno, California. This is important to viewers because local highways in Fresno have been an eyesore for a long time and those taking on the project have a lot of work cut out for them. If completed, it would do a lot to make the city cleaner and prettier.

Midday, Mar 25, 2020, 11:36 AM, :35, Local: Sequoia and Kings Canyon national parks are closed to the public. Parks and beaches across the state saw a large number of visitors over the weekend, despite the statewide shelter in place order. State parks are shutting down to minimize the spread of the coronavirus. This story is important for people who planned on visiting the parks or perhaps live there. Highway 180 will remain open for through traffic and for people with private property in the area.

HEALTH

Midday, Jan 3, 2020, 11:45 AM, :36, Local: Vape companies have less than a month to stop making, distributing and selling certain flavors of their products. Under the new rule, the companies will only be allowed to sell two flavors - tobacco and menthol. This story is important because there is a growing risk of severe lung illnesses associated with vaping in teenagers and young people. The national youth tobacco survey shows more than five million middle and high school students reported using e-cigarettes last year.

Ten O'clock, Jan 15, 2020, 10:03 PM, 01:55, Local: California Governor Gavin Newsom says that the homeless crisis has reached a state of emergency. He believes that money for housing and mental health services, plus a constitutional amendment could solve the problem. This is important to viewers because homelessness in our viewing area is a major problem and any legislation regarding the homeless crisis could greatly impact the Central Valley.

Ten O'clock, Jan 21, 2020, 10:05 PM, 01:17, Local: A deadly virus is spreading fast in Central China and now health officials have confirmed that someone has it on the west coast. The CDC explains that the virus could be spread from just one person coughing or sneezing near someone else, so it could be very dangerous. This is important to viewers in this area because many people travel through airports and they could be easily exposed.

Great Day, Jan 22, 2020, 06:08 AM, 00:02, Local: Officials confirm two reported cases of the Norovirus at Yosemite National Park. 170 people have reported feeling sick after visiting the park this month. This is an important story, as Yosemite is a popular tourist destination in our area. Between 4 – to – 5 – million people visit the park each year.

Great Day, Jan 22, 2020, 5:06 AM, 00:01, Local: The World Health Organization is issuing a warning about the outbreak of a deadly new disease called the Coronavirus. The CDC says one case is already confirmed in the U.S. after a man traveled from China to Washington state. The CDC is now sending workers to several airlines to screen people coming from China for the disease. This is important for people in our area to know about so they can be on the lookout for symptoms of this pneumonia-like disease.

Ten O'clock, Jan 23, 2020, 10:04 PM, 01:42, Local: The number of deaths caused by the new coronavirus jumped to 26. China is locking down many more cities in hopes of containing the outbreak. Several cities and counties in the U.S. are also investigating possible cases. This is important to viewers because the virus is rapidly spreading and could reach the Central Valley soon.

Great Day, Jan 24, 2020, 05:08 AM, 00:42, Local: Symptoms for the newest deadly strain of the Coronavirus include things like cough, fever and runny nose. Valley Children's Hospital is now warning parents against going to the emergency room. Instead, if you think you or a loved one is infected, stay home and make an appointment with your doctor. This is important for people in our area to know about so they can keep their family and our community safer.

Great Day, Jan 27, 2020, 05:13 AM, 01:00, Local: There are now two confirmed cases of the Coronavirus in California. The CDC is now working with the Los Angeles Department of Public Health and the L.A. airport to prevent it from spreading any more. This comes as China's health minister now says the disease can be spread before symptoms start to show. This is important for people in our area, so they know to take preventative measures to avoid getting the disease.

Ten O'clock, Jan 27, 2020, 10:03 PM, 01:36, Local: The deadly coronavirus is getting worse as the death toll in China has reached around 106 and the number of confirmed cases has reached more than 4500. U.S. diplomats and other citizens have been rushed home. This is important to viewers because the rapid spread of the virus is threatening to reach the United States and many areas could be greatly affected.

Great Day, Jan 28, 2020, 06:08 AM, :19, Local: Inmates at the Fresno County Jail are now quarantined following a possible outbreak of mumps. As many as 12 inmates are in isolation right now. This is an important health alert for anyone who may know someone in jail or work at the Fresno County Jail. Everyone who came in contact with infected inmates will be vaccinated.

"Ten O'clock, Jan 28, 2020, 10:05 PM, 02:01, Local: A new confirmed case of coronavirus has reached an area outside of China, this time in the Middle East. The United Arab Emirates says the infected person had come from Wuhan, China where the virus came from. An interactive map made by Johns Hopkins tracking the virus has placed a marker within Fresno County even though no cases have been confirmed here. This is important to viewers because misconceptions like those can cause unnecessary panic in residents within Fresno County and it's important to ease those fears through clarifying the mistakes.

Ten O'clock, Jan 29, 2020, 10:05 PM, :55, Local: A children's hospital in the Central Valley is implementing a new screening process that may help catch the coronavirus outbreak before it spreads. This is important to viewers because the coronavirus is spreading all over the world and screening processes such as those being implemented in the children's hospital can help save lives and curb the number of new cases.

Ten O'clock, Jan 30, 2020, 10:02 PM, 01:37, Local: The number of cases of the novel coronavirus in China has reached over ten thousand. There have now been 213 deaths. Japan is now becoming the latest country to urge its citizens not to travel to China. This is important to viewers because the virus is continuing to quickly spread with no solution in sight.

Great Day, Jan 31, 2020, 05:01 AM, 01:05, Local: The World Health Organization is now declaring the Coronavirus outbreak a public health emergency. This is prompting the US State Department to warn all Americans against traveling to China for any reason. This is important for people in our area to know about so they can stay up to date on the seriousness of the outbreak and keep their loved ones safe.

"Ten O'clock, Jan 31, 2020, 10:01 PM, :30, Local: A third case of coronavirus was reported in California after a man in the Bay Area tested positive. Health officials say the man is in Santa Clara County and that he had been to China. This is important to viewers because the cases of coronavirus are increasing in the state and around the world with no signs of slowing down.

Ten O'clock, Jan 31, 2020, 10:08 PM, 01:17, Local: A woman from Fresno, California is sending surgical masks to her family in China. The problem is that she is finding it harder and harder to find surgical masks on store shelves. This is important to viewers because as the virus reaches local areas, the need for protection will increase and with little to no supplies, residents will find it difficult to protect themselves properly.

Ten O'clock, Feb 1, 2020, 10:07 PM, :31, Local: The Coronavirus is continuing to spiral out-of-control in China, the virus has killed 304 people and is continuing to spread. There are severe shortages of medical supplies and the World Health Organization warns that nearby countries should be prepared for it to spread. This is important because we should be prepared in case the virus begins to spread in the United States.

Ten O'clock, Feb 4, 2020, 10:07 PM, :24, Local: A cruise ship full of people has been quarantined near Yokohama, Japan. One of the passengers became sick with the virus and now at least ten of the passengers on the ship have tested positive for the virus. This is important because the virus is continuing to spread and if not taken seriously enough it could become a global problem.

Ten O'clock, Feb 7, 2020, 10:12 PM, :15, Local: The Coronavirus is continuing to spread, around 35,000 people have tested positive for the virus and 722 have died so far. The World Ag Expo is taking precautions for the virus by installing hand sanitizer and hand washing stations all over the grounds. This is important because it appears as if this virus is not going to stop spreading anytime soon and people need to be aware.

Ten O'clock, Feb 8, 2020, 10:15 PM, 02:21, Local: Two cruise ships are stuck at sea with thousands of people on board due to the Coronavirus. One of the ships is docked in Japan but unable to let its passengers off and one is out at sea looking for a country to that will let them dock and let their passengers off. This is important because this virus is affecting thousands of people and it spreads very easily.

Ten O'clock, Feb 11, 2020, 10:03 PM, :32, Local: The Coronavirus continues to spread throughout China and now the rest of the world. more than 1,100 people have died, and more than 44,000 people have been infected. There are now 13 cases in the United States after a woman who was evacuated from China came down with the virus. This is important because now that the virus is in the U.S. people need to be ever more careful about their health.

Great Day, Feb 12, 2020, 06:03 AM, 01:06, Local: In a few weeks, voters will head to the polls to cast their ballot of a new Mayor. We asked 20 questions of each candidate to learn about their vision for Fresno. This is an important story for viewers who wish to become more informed about the mayoral candidates.

Great Day, Feb 26, 2020, 05:08 AM, 00:30, Local: Clinical trials are now underway for a new coronavirus treatment. Scientists with the National Institute of Health are now testing an anti-viral previously used to treat Ebola and sars. This is important for people in our area to know about so they can stay aware of what the government is doing to combat the disease.

Ten O'clock, Feb 28, 2020, 10:03 PM, :31, Local: The Coronavirus is continuing to spread uncontrolled around the world with the number of infected close to 84,000. The World Health Organization upgraded the threat to very high. There are now three community spread cases in the United States. This is important because it is beginning to spread in the United States without people knowing where it originated.

Ten O'clock, Feb 29, 2020, 10:07 PM, :27, Local: The first death from the Coronavirus in the United States happened in Washington State. A state of emergency has now been put in place for that area. The virus is continuing to spread all over the United States and there is still no vaccine available. This is important because the death toll may continue to rise in the United States like it has in other areas of the world.

Ten O'clock, Mar 1, 2020, 10:03 PM, 01:21, Local: Another American has died from the coronavirus, bringing the death toll to 2 in the U.S. Meanwhile in the Central Valley, hardware stores are struggling to keep N-95 breathing masks in stock. This is important to viewers because a shortage of breathing masks means that local doctors, who really need the masks, won't have many masks to go around, which would put their health at risk.

Ten O'clock, Mar 2, 2020, 10:02 PM, 01:48, Local: Six people in Washington State have died from the coronavirus. There are a lot of unknowns surrounding the virus and how it might continue to spread. That lack of knowing is causing fear across the Central Valley. We broke down what's fact and what's fiction by speaking to a local doctor and asking him all the pertinent questions about the coronavirus. This is important to viewers because a lot of local residents are scared of the virus spreading in the area and it's necessary to inform people of the facts that are known about the coronavirus to ease their fears.

Great Day, Mar 3, 2020, 05:04 AM, 00:35, Local: The Centers for Disease Control and Prevention is now reminding all Americans not to panic amid the ongoing Coronavirus outbreak. The agency is reminding everyone to wash hands often and follow other basic hygiene guidelines to avoid getting or passing the disease. This is important for people in our area to know about so they can stay healthy as others continue to get sick.

Midday, Mar 4, 2020, 11:37 AM, :25, Local: Health officials say one person in California has died due to the coronavirus. The Placer county public health department says this person was an older adult with underlying health issues. This story is important for viewers because this is the first death in our state related to the coronavirus.

Ten O'clock, Mar 4, 2020, 10:01 PM, :30, Local: A local children's hospital in the Central Valley isn't taking any chances as concerns grow over the novel coronavirus. It's changing its visitation policy to only allow parents, guardians, and direct caregivers inside. This is important to viewers because with the virus spreading so rapidly, it's important to take measures to curb the numbers of new cases.

Midday, Mar 5, 2020, 11:35 AM, :28, Local: Valley Children's Hospital is now changing its visitation policy due to the coronavirus. The hospital says it will only allow parents, guardians and direct caregivers inside. Everyone who comes into the hospital will also be asked about their health and travel history. This story is important because Valley Children's Hospital serves children from all over the country as well as the valley. This move will help protect patients' health.

Ten O'clock, Mar 5, 2020, 10:04 PM, 01:18, Local: California has 51 confirmed cases of coronavirus so far, and there are no confirmed cases in the Central Valley. Three people are, however, self-monitoring in their homes as a precaution. This is important to viewers because the viewers need to be updated on this rapidly-changing situation.

Ten O'clock, Mar 6, 2020, 10:07 PM, 01:29, Local: Costco stores in the Central Valley are trying to keep up with the increased demand for water, toilet paper, and other cleaning supplies in the wake of the coronavirus pandemic. This is important to viewers because if residents start stockpiling these essential items, it would mean people who really need them might not be able to find any supplies.

Ten O'clock, Mar 7, 2020, 10:03 PM, 01:30, Local: Two people in the Central Valley have tested positive for the novel coronavirus after getting off of the same Grand Princess cruise ship. Both cases are in isolation and being monitored in their homes by the county health departments. This is important to viewers because residents need to be updated whenever new cases pop up locally so that people can take the proper precautions to keep themselves safe.

Ten O'clock, Mar 8, 2020, 10:03 PM, 01:27, Local: After two people in the Central Valley tested positive for the coronavirus, local health officials are reminding the public of what symptoms to look out for and how they differ from the flu and common cold. This is important to viewers because a lot of people can't tell between the new virus and the flu and common cold and it's necessary to report the important differences.

Midday, Mar 9, 2020, 11:31 AM, :26, Local: Two people in the Central Valley are now in-home isolation after confirmation that they are infected with the coronavirus. One lives in Madera county, the other lives in Fresno county. The Fresno county public health department says it is also keeping track of 60 others who are self-monitoring in their own homes. This story is important because it reminds viewers that this outbreak is close to home and very dangerous.

Ten O'clock, Mar 9, 2020, 10:18 PM, 01:08, Local: Clovis Unified School District in Clovis, California put together an informative video teaching students how to properly wash their hands per CDC guidelines. This is important to viewers because amid the coronavirus pandemic, it's urgent that people be reminded of proper hand-washing techniques to keep themselves safe and clean.

Midday, Mar 10, 2020, 11:47 AM, :26, Local: Scientists are now urging you to wash your handheld devices, like phones and tablets, just as much as you wash your hands. New research shows the coronavirus can live on objects made of metal, glass and plastic for up to nine days. This story is important for viewers because researchers say our phones could play a huge role in spreading the coronavirus because of the number of surfaces they touch.

Great Day, Mar 11, 2020, 06:02 AM, :22, Local: There are now more than 1,000 cases of the Coronavirus here in the U.S. That's according to new data from Johns Hopkins University. This is an important alert for viewers as the virus is now in all but 12 states, including California.

Midday, Mar 11, 2020, 11:35 AM, :36, Local: The Peach Blossom Festival, set to begin tomorrow at Fresno State, is now canceled. The director of the program says the safety and well-being of our campus community is our highest priority. This story is important because this is the first time the event has been canceled in more than six decades. Children from all over the Central Valley travel to Fresno State to perform poems and other readings.

Ten O'clock, Mar 11, 2020, 10:05 PM, 01:55, Local: The rapid spread of the coronavirus in the United States is causing the cancellations of a lot of things like schools, hotel reservations, and even the NBA season. President Trump suspended travel to and from Europe as a preventative measure to keep the virus from spreading further. This is important to viewers because the situation concerning the coronavirus is moving very fast and they need to be updated as fast as possible when new information is available.

Ten O'clock, Mar 12, 2020, 10:05 PM, 02:02, Local: A lot of schools around Fresno County are announcing school closures amid the coronavirus pandemic. California State University Fresno is also moving its classes online. This is important to viewers because a lot of our viewers are students who need to be made aware of changes in their school routines. A lot of our viewers are also parents who will be affected by the school closures and they need to be made aware of such changes so that they can make alternate childcare plans.

Ten O'clock, Mar 13, 2020, 10:02 PM, :30, Local: Tulare County in California has confirmed a second confirmed case of coronavirus. The infected person is in stable condition and is self-isolating at home. It is a travel-related case. This is important to viewers because there are more cases popping up in our viewing area and viewers need to be informed of all updates.

Ten O'clock, Mar 13, 2020, 10:05 PM, 01:52, Local: Even as people are discouraged from being in crowds, people are going to grocery stores and buying up all the water, toilet paper, and non-perishable items. This is important to viewers because as people are panic-buying, that leaves less for people who need basic groceries for everyday living.

Ten O'clock, Mar 14, 2020, 10:03 PM, :30, Local: Fresno County in California has confirmed a second case of coronavirus. It is another travel-related case. Fresno County says there is no immediate threat to the community. This is important to the viewers because this is in our viewing area and viewers here need to be informed of any updates to this pandemic.

Midday, Mar 16, 2020, 11:34 AM, :35, Local: Kaweah Delta in Visalia is now prepared to test people for coronavirus in Tulare County. This comes after the first two confirmed cases in the county. More than 70 people there are self-quarantining. This story is important because local health services are now offering ways to make sure people can get the tests they need to stop the spread of the virus.

"Ten O'clock, Mar 17, 2020, 10:07 PM, :30, Local: A number of stores in the Central Valley are making arrangements to help seniors and the disabled buy groceries and other essentials by opening their stores exclusively to that group in the mornings. This is to help keep senior citizens and the disabled away from the general public for their health and safety. This is important to viewers because a lot of the viewers in our area are elderly and vulnerable to illness and this information could be very useful for them if they're running low on groceries.

Great Day, Mar 18, 2020, 06:01 AM, :31, Local: Provided an update on the coronavirus count to viewers for five counties in our viewing area as more people were being asked to stay home from work to prevent the spread of the virus.

Midday, Mar 18, 2020, 11:34 AM, :39, Local: Several school districts are now taking steps to make sure students don't go hungry by offering meals to families who come to pick them up. Fresno, Clovis and Central Unified are all offering meal programs. This story is important because some children don't get food at home, relying on what the schools can provide. Without class in session, those students go without eating.

Great Day, Mar 19, 2020, 06:01 AM, 14:00, Local: Provided updates on how the coronavirus was impacting Central Valley residents, including a temporary "shelter-in-place" order, limited functions at courthouses, avoiding coronavirus test scams, delayed Census compilation, the changes to DMV services and more with a directive to our website at kmph.com

Ten O'clock, Mar 19, 2020, 10:06 PM, 01:46, Local: The number of coronavirus cases in the Central Valley are continuing to rapidly rise and the state of California became the first state in the country to put a statewide 'shelter in place' order into effect. This is important to viewers because as the coronavirus pandemic progresses, it's important to stay updated on all new information coming in since the pandemic continues to affect our way of living.

Great Day, Mar 20, 2020, 06:00 AM, 10:00, Local: Continued local coverage on the impacts of the coronavirus pandemic, including updates on the numbers of people impacted according to county, the "shelter-in-place" order issued overnight, where people should/should not go, job opportunities for out-of-work teachers; and pet foster opportunities as local shelters become inundated with abandoned pets.

Ten O'clock, Mar 21, 2020, 10:02 PM, :31, Local: The CDC is warning that people with asthma are more likely to get very sick with the Coronavirus because of the effect that the virus has on the respiratory system. There is no vaccine for the virus so people with asthma and other respiratory issues need to be extra cautious about who they come into contact with. This is important because there is still not a specific treatment plan for those that catch the virus.

Ten O'clock, Mar 22, 2020, 10:01 PM, :35, Local: Merced County health officials have confirmed the first case of Coronavirus in their county. The person who tested positive was diagnosed after returning from travelling and they did not catch it from the community. The doctors and health staff are working to narrow down any people that this person may have exposed. This is important because the virus is continuing to spread in the valley.

Great Day, Mar 23, 2020, 06:06 AM, :26, Local: A valley business is working to make sure healthcare workers have enough masks to protect themselves from the Coronavirus. The Authorized Vac & Sew store in Fresno is now handing out free mask making kits. Each kit has enough material to make 12 masks. After the masks are made, they will be donated to healthcare workers. This is an important alert for viewers who can help protect local healthcare workers.

Ten O'clock, Mar 23, 2020, 10:03 PM, :51, Local: A hotline has been set up by Kaweah Delta Healthcare District in Visalia. Anyone who thinks they may be showing symptoms of the Coronavirus can call the number to talk to a healthcare professional and set up an appointment if necessary. This is important because it will keep people from infecting others if they do have the virus.

"Great Day, Mar 24, 2020, 08:01 AM, :18, Local: We provided an update to viewers on the number of confirmed coronavirus cases in the central valley. That includes 16 cases in Tulare County, 13 in Fresno County, five in Madera county and one in Merced County.

"Great Day, Mar 25, 2020, 08:01 AM, :15, Local: We provided an update to viewers on the number of confirmed coronavirus cases in the central valley. That includes 17 cases in Tulare County, 18 in Fresno County, six in Madera county and one in Merced County.

Great Day, Mar 26, 2020, 08:01 AM, :14, Local: Merced County is now set to offer more Coronavirus testing options. The county is rolling out mobile testing sites across its east and west side. This is an important alert for viewers in the area who suspect they may have the virus. Testing will be available by appointment only, which must be obtained through the Department of Public Health

Ten O'clock, Mar 26, 2020, 10:00 PM, :26, Local: All California DMV field offices are going to close and then reopen next week as "virtual field offices". All appointments between now and April second will be cancelled. This is due to the Coronavirus outbreak. This is important because everyone needs to do their part to prevent the spread of the virus.

Ten O'clock, Mar 27, 2020, 10:00 PM, :22, Local: The number of positive Coronavirus tests in the Central Valley continues to rise on a daily basis. Many of the positive cases have been community passed, which means that people are catching it from people in the community and not from travel. This is important because it shows how necessary it is for us to stay inside as much as possible.

Ten O'clock, Mar 29, 2020, 10:08 PM, :16, Local: Fresno City bus drivers are going to start wearing breathing masks as a precaution during the Coronavirus outbreak. The city is saying that this is not because they are sick but only as a deterrent. This is important because public transportation is still an essential service but those driving need to stay safe.

Great Day, Mar 30, 2020, 08:03 AM, 01:14, Local: Preparations are now underway to convert the Big Fresno Fair grounds into a step-down hospital for Coronavirus patients. Officials say the federal government is providing around 250 hospital beds to be used for patients if local hospitals fill up. This is an important health alert for viewers who are concerned about the Coronavirus in our area.

Ten O'clock, Mar 30, 2020, 10:01 PM, 01:41, Local: A positive Coronavirus test is keeping thousands of students from getting free meals. Someone related to an employee in the Firebaugh school district forced them to shut down the service that was providing free meals to families while the schools are shut down. This is important because so many families depend on these free meals to make sure their children are fed on a daily basis.

POLITICS

Ten O'clock, Jan 2, 2020, 10:01 PM, :30, Local: Iran is promising a 'harsh retaliation' after a U.S. airstrike killed Iranian General Qassim Soleimani. Soleimani was the head of Iran's elite Quds Force. This is important to viewers because the threat of a harsh retaliation is leaving Americans with a lot of questions and a sense of uneasiness, not knowing what this could lead to.

Great Day, Jan 6, 2020, 06:09 AM, :20, Local: State lawmakers are considering a plan to borrow more than \$4 billion to prepare for wildfires and other natural disasters. Some republicans are skeptical of the plan, saying California should use existing money to address the problem. This is an important political story for viewers as wildfires have impacting our viewing area in recent years.

Great Day, Jan 7, 2020, 05:18 AM, :50, Local: Members of the California assembly are now proposing a green new deal for our state, called the California Green New Deal. Lawmakers say it will address the impacts of climate change and issues of equity throughout the state. The new bill's goals include reducing homelessness, cutting greenhouse gasses, and improving living standards in poor communities. This is important for people in our area to know about because it is what state leaders are working on and could impact future taxes and elections.

Midday, Jan 7, 2020, 11:33 AM, :29, Local: Military bases in California are increasing security as tensions rise with Iran. Marine Corps Air Station Miramar, Camp Pendleton and Naval Base Point Loma are implementing additions security measures for people living on the bases. This story is important for viewers who have family or friends in the military currently serving at these stations. The new security measures are causing delays at base gates and all visitors are being turned away. It is unclear how long these security measures will be in place.

Ten O'clock, Jan 7, 2020, 10:04 PM, 01:36, Local: Iran fired ballistic missiles into Iraq, hitting bases where U.S. troops are stationed. It's unknown if any Americans were killed. President Trump says he'll address the country in the morning about the attacks. There was also a plane crash and explosion in Iran's capital city of Tehran. It was a passenger plane from Ukraine with about 170 people on board. This is important to viewers because it's unknown if attacks like these could lead to a war with Iran, which would definitely impact the lives of many Americans.

Ten O'clock, Jan 7, 2020, 10:08 PM, 01:53, Local: There's no draft currently going on and the last draft was during the Vietnam War. The possibility of there being one and the emergence of fake texts floating around is sparking fear in people in the Central Valley. This is important to viewers because some people are falling for the fake texts about a draft and they are spreading fear among many people in Fresno.

Midday, Jan 10, 2020, 11:30 AM, :30, Local: Governor Gavin Newsom unveiled his state budget plan. In that plan, healthcare for 27,000 low-income, older immigrants who are in the country illegally. This story is important for viewers who are either 65 or older or have family that fit that category to qualify for this aid. The budget also proposes \$20,000 stipends for educators who teach at a high-needs school for four years.

Ten O'clock, Jan 11, 2020, 10:09 PM, 01:32, Local: The conflict between the U.S. and Iran is at a standstill but tensions are still very high. Republican and Democrat lawmakers are working to de-escalate the situation and members of Congress are trying to limit the President's authority over the military's involvement in Iran. This is important to viewers because a lot of viewers are feeling uneasy about the possibility of war with Iran.

Ten O'clock, Jan 19, 2020, 10:06 PM, 02:15, Local: The launch of President Trump's impeachment trial is two days away and now the President has picked his legal team and representatives have delivered their case against him. This is important to viewers because this is an important moment in history and if the President is impeached, he'll become the third president to be impeached in U.S. history.

Great Day, Jan 28, 2020, 5:15AM, 00:55, Local: Gigantic ballot boxes are now installed all over Fresno County as part of California's new Voter's Choice Act. Voters can now drop off ballots 24 hours a day, seven days a week up to a month before the upcoming election. This is important for people to know about so they can make sure their vote gets counted.

Great Day, Feb 3, 2020, 06:09 AM, 00:01, Local: Fresno County elections officials are now offering new ways to people to drop off their mail-in ballots. There are now 40 drop boxes installed through the county at various locations. This is an important alert for viewers who may seek alternatives to voting in person.

Midday, Feb 11, 2020, 11:33 AM, :22, Local: You don't have to wait to vote in the California primary. The Fresno county elections office says it has already received around 17,000 ballots by mail. The election is still three weeks away. This story is important because convenience will lead to better voter turnout, and more representation is always better. There are white ballot boxes spread out around the county to make it easy to vote.

Great Day, Feb 18, 2020, 05:07 AM, 01:30, Local: Local congressional candidates are now making their cases for why voters should send them to Washington, D.C. Viewers can watch interviews with many of the candidates on our website. This is important for people in our area to know about so they can make an informed decision before heading to the polls.

Great Day, Feb 21, 2020, 05:01 AM, 00:35, Local: Russia is now taking steps to rig the next presidential election according to a top U.S. election security official. The meddling is expected to include hacking, weaponizing social media, and attacking election infrastructure. This is important for people to know so they can be aware of everything surrounding our presidential election coming up this year.

Great Day, Feb 21, 2020, 05:06 AM, 00:43, Local: The White House is now asking congress for approval to move money from other agencies to help fight the ongoing coronavirus outbreak. It is asking for over one billion dollars to help with research and care. This is important for people in our area to know about so they can stay aware of what the government is doing to combat the disease.

Great Day, Feb 25, 2020, 05:06 AM, 00:43, Local: The White House is now asking congress for approval to move money from other agencies to help fight the ongoing coronavirus outbreak. It is asking for over one billion dollars to help with research and care. This is important for people in our area to know about so they can stay aware of what the government is doing to combat the disease.

Great Day, Mar 2, 2020, 05:06 AM, :45, Local: Former South Bend Mayor Pete Buttigieg and billionaire Tom Steyer are now out of the race to become the democratic nominee for president. Buttigieg says the eventual nominee will have his backing. This is important for people in our area to know about so they can stay informed on important elections.

Ten O'clock, Mar 3, 2020, 10:00 PM, 00:00, Local: This newscast was entirely devoted to California's primary. We reported updated numbers on the local government races and on the national primary. This is important to viewers because they depend on news outlets like ours to keep them updated on the latest election results.

Great Day, Mar 4, 2020, 05:05 AM, 01:00, Local: The top block of the show included winners and results from every major election in our state and other states who voted as part of super Tuesday. This is important for people in our area to know about so they can keep track of what changes will be coming to our community, state, and country.

SAFETY

Ten O'clock, Jan 1, 2020, 10:01 PM, 01:35, Local: California Highway Patrol is maximizing its efforts to crack down on drunk drivers on New Year's. In the span of 12 hours, the CHP has made 348 D.U.I. arrests up and down California, compared to 251 arrests made last year. This is important to viewers because drunk driving is a big problem in Fresno and it's necessary to have more patrol cars out keeping people from leaving their holiday parties and driving drunk.

Great Day, Jan 2, 2020, 06:03 AM, :38, Local: A search continues this morning for a missing Tulare County woman. Deputies say 36-year-old Brittney Steenburgen was last seen Saturday at her home in Plainview. This is an important alert for viewers as deputies are asking anyone with information that can help find her to call the Tulare County Sheriff's Office.

Great Day, Jan 3, 2020, 06:08 AM, 00:01, Local: A high surf advisory along the central coast is bringing big waves. That's good news for surfers, but it can also be very dangerous. This is an important safety alert for many of our viewers who vacation along the central coast.

Ten O'clock, Jan 4, 2020, 10:07 PM, :30, Local: A scam is going around Kings County where someone calls and identifies himself as a sergeant or lieutenant with the Sheriff's office and tells the person on the other line that they missed a jury summons. The scammer tells the person they have to pay to avoid being arrested. This is important to viewers because they need to know that the Sheriff's office or any law enforcement agency will ever call out of the blue and demand money.

Ten O'clock, Jan 9, 2020, 10:00 PM, :30, Local: A man in Fresno is in really bad shape at the hospital after a car hit him. Police say the man was jaywalking when he was hit. This is important to viewers because it's a reminder to not jaywalk, especially at night.

Ten O'clock, Jan 13, 2020, 10:02 PM, 01:48, Local: People in the Philippines are on high alert thanks to an erupting volcano. So far, nearly a million people have evacuated. A woman in Fresno has family in the affected area and is worried for her family. This is important to viewers because a lot of people in our viewing area have relatives that live near the evacuated area and are potentially in danger.

Ten O'clock, Jan 14, 2020, 10:01 PM, 01:40, Local: A local woman is devastated by the recent eruption of the Taal volcano in the Philippines since her family is in the affected area. A bigger eruption of the volcano could have very deadly consequences on the people living near it. This is important to viewers because many viewers in our area have family in the Philippines and updates like these are very important to them.

Great Day, Jan 16, 2020, 05:00 AM, :58, Local: Fresno Police were trying to track down the person responsible for opening fire at a gas station overnight. Officers said there were people in the parking lot, and those who were getting gas when shots were fired. Three men were hit and taken to a hospital for treatment. They were all expected to survive.

Midday, Jan 16, 2020, 11:51 AM, :20, Local: Nissan is now expanding an airbag recall. More than 350,000 vehicles are affected. This is just another part of the Takata air bag inflator recall. This is important for viewers in our area that may drive these vehicles. The inflators in these vehicles can explode and send shrapnel at people in these cars.

Great Day, Jan 17, 2020, 06:00 AM, :24, Local: Snow chains are required right now for two major routes to Lake Tahoe and through the Sierra Nevada. Chains are required along Interstates 80 and 50. This is an important traffic and weather alert for viewers who may travel in that area for the weekend. Caltrans is telling people to avoid travel because of the snowy conditions.

Ten O'clock, Jan 18, 2020, 10:04 PM, 01:35, Local: Toxic gas and chemicals are still coming out of the Taal volcano in the Philippines. People there are still on high alert while the possibility of another eruption looms. A local group in Fresno, California is trying to send children in the Philippines protective masks in areas that have run out of them. This is important to viewers because it's a positive update to an ongoing story about the volcano in the Philippines.

Ten O'clock, Jan 20, 2020, 10:07 PM, 01:51, Local: A computer bug that works by making malicious files look legitimate is putting thousands of users at risk. This is important to viewers because a lot of people own a Windows PC and this story could help them keep themselves safe by following advice given by experts in the story.

Great Day, Jan 21, 2020, 05:06 AM, :54, Local: A computer bug is putting thousands of people at risk, by stopping your computer from warning you about potentially dangerous programs or downloads. Cyber security experts say a fix is already available. To get it, users need to make sure Windows 10 is set to update automatically. This is important for people in our area to know about so they can protect themselves and their families from hackers.

Great Day, Jan 27, 2020, 06:10 AM, 00:03, Local: The California Highway Patrol is reminding parents to double check child car safety seats. The CHP car crashes are one of the leading causes of death for children in the United States. Many of these deaths could've been prevented with properly installed safety seats. This was an important safety story for viewers, as we showed common mistakes parents make when installing car seats.

Great Day, Feb 2, 2020, 06:00 AM, :13, Local: Police are on the scene of a deadly crash in Orosi. Officers say it happened near Avenue 432 and Road 120. This is an important breaking news update for viewers who may travel through the area and need to find an alternate route.

Ten O'clock, Feb 3, 2020, 10:08 PM, :25, Local: A 82-year-old Merced woman has been missing since Sunday night. Investigators believe she is on foot and she has been known to walk away to visit friends. This is important because police are looking for anyone with information about where this woman might be. She could possibly be in danger.

Great Day, Feb 4, 2020, 06:00 AM, 00:01, Local: Investigators are now working to figure out what caused a small store to catch fire in south Fresno.

Great Day, Feb 6, 2020, 06:02 AM, :37, Local: A Fresno Co. Sheriff's deputy crashed into a big rig at a blacked-out intersection overnight. We discovered PG&E shut power off to the street lights and traffic lights in the area of North Ave. & Academy Ave., making it hard for drivers to see oncoming traffic.

Ten O'clock, Feb 6, 2020, 10:01 PM, :22, Local: A person was struck by a train in the area of Barstow and Valentine tonight. It was an Amtrak train and police have stopped the train while the scene is being investigated. This is important because people are hurt or killed by trains too often, people need to understand how dangerous it can be to walk on train tracks or just to be near them while distracted.

Great Day, Feb 7, 2020, 06:00 AM, :20, Local: Traffic was blocked at Clovis & Olive in southeast Fresno due to a two-car crash. At least one person was taken to a hospital with moderate injuries. Viewers were advised to stay out of the area for the hour traffic was blocked for crash clean-up

Midday, Feb 7, 2020, 11:30 AM, :25, Local: One person is behind bars after a major bust in Fresno. Fresno co. sheriff's deputies say they found more than 1,200 marijuana plants growing inside a home. This story is important for viewers because these marijuana grows can pop up anywhere in the city. Being attentive can help law enforcement catch the people growing illegal drugs, keeping them off the streets.

Great Day, Feb 10, 2020, 05:44 AM, 00:33, Local: Fresno County sheriff's deputies are now urging parents around the valley to be aware of what their children are doing online. Deputies are now asking parents to teach their kids to block or unfriend suspicious people, report them in the app, take a screenshot of the abuse, and know how their kids' apps work. This is important for people in our area because it can help keep their loved ones safe from online predators.

Great Day, Feb 10, 2020, 06:06 AM, 00:02, Local: Investigators are warning that child predators are lurking everywhere. We talked to deputies for tips to keep kids safe. Deputies say they've focused their attention online in order to prevent internet crimes against children. This is an important alert for viewers to help keep their children from becoming victims.

Midday, Feb 10, 2020, 11:46 AM, :24, Local: 14,000 baby carriers sold at target and on Amazon are now being recalled because of faulty buckles. There are no reports of any children getting hurt, but if you own one, you are asked to stop using it and return it for a free replacement. This story is important because viewers may have this device, and their child may not be safe.

Great Day, Feb 13, 2020, 06:00 AM, 02:13, Local: Officers are now investigating a deadly crash on Highway 99 near Jensen. This is an important traffic alert for viewers who will need to avoid the area as the crash investigation is blocking traffic on this busy highway.

Midday, Feb 13, 2020, 11:31 AM, :40, Local: Traffic is still backed up in Central Fresno following a deadly crash this morning. Fresno police say a driver was making a U-turn on a one-way street and didn't see oncoming traffic. The crash is still under investigation and this part of central Fresno is still blocked off. Traffic should be clear again in about 30 minutes.

Great Day, Feb 14, 2020, 08:02 AM, :30, Local: Newly released video shows a person walking up to a door in northeast Fresno neighborhood and checking to see if it is locked before knocking. This is an important reminder for viewers to lock their doors, as thieves are checking for house. It's also a reminder to call police if people notice suspicious activity in their neighborhood.

Ten O'clock, Feb 17, 2020, 10:09 PM, 01:39, Local: A 22-month-old boy is in child protective services after his mother left him in a locked car in Fresno. The mother left him in the car while she went shopping at Save Mart. Even though the temperature outside was mild it still gets hot inside cars. This is important because people need to know the dangers of leaving children or animals locked in cars.

Ten O'clock, Feb 18, 2020, 10:02 AM, :22, Local: One firefighter is dead, and one is missing after a massive fire at a library in Porterville. Firefighters are still working on putting the fire out, which started earlier today. Unfortunately, 1 firefighter has lost his life and one is still missing. This is important because a firefighter is dead.

Great Day, Feb 19, 2020, 06:00 AM, 02:20, Local: Firefighters are on the scene of a devastating fire in Porterville. At least one firefighter is dead, another is still unaccounted for. This is an important alert for the community who just lost a firefighter. The Porterville library is also destroyed.

Ten O'clock, Feb 19, 2020, 10:00 PM, :40, Local: Two 13-year-old boys are being blamed for the fire at the Porterville library yesterday that is responsible for the death of two firefighters. This is important because one small decision by these two kids claimed the life of two people and caused incredible damage.

Great Day, Feb 20, 2020, 05:01 AM, 01:00, Local: The Porterville library remains closed after being destroyed by a fire. Investigators say the body of a second firefighter who died in that fire is now recovered. A memorial is now growing for both firefighters who lost their lives. The fire department is asking people not to bring things to the library. This is important for people to know so they stay out of investigators way and stay safe while this fire is looked into.

Ten O'clock, Feb 20, 2020, 10:02 PM, 02:07, Local: Deputies and volunteers are searching for a man who disappeared near Shaver Lake yesterday. The man was with his girlfriend when their truck got stuck, he left the truck to try and find help and that was the last time he was seen. His family is scared that he may be in danger. This is important because it can get very cold in the mountains and this man needs to be found soon.

Ten O'clock, Feb 22, 2020, 10:01 PM, 02:14, Local: It has now been three days of searching for the man that went missing near Shaver Lake. Deputies and volunteers have spent days on foot, in jeeps, with dogs, and with helicopters trying to find the man. His family is becoming increasingly worried. This is important because the longer this man is missing, the more danger he may be in.

Ten O'clock, Feb 23, 2020, 10:01 PM, 01:45, Local: The man that has been missing since earlier this week near Shaver Lake was found alive and well. The 24-year-old man got lost after he went on foot trying to find help for his girlfriend and himself. He was able to find shelter and hold out until rescuers were able to find him. This is important because a lot of people were worried about him and now, he is home safe.

Great Day, Feb 24, 2020, 05:04 AM, 01:00, Local: A construction project in Northeast Fresno is almost finished. The project is meant to expand the northbound lanes of Willow Avenue from one lane to three lanes. The project is facing some delays which people in our area need to be aware of because it could impact their commute.

Ten O'clock, Feb 26, 2020, 10:03 PM, :31, Local: Sanger Unified is asking parents to have a discussion with their kids about stranger danger and what to do if someone tries to lure them away. The district says that a man tried to lure a student into his car, the student ran back to the school and told a teacher. Police arrested the man, but they are still investigating the situation. This is important because kids need to know what to do in these situations.

Midday, Mar 2, 2020, 11:30 AM, :25, Local: Avenue 432 at road 120 near Orosi is now back open after a deadly crash. Investigators say a van pulling out into the intersection, hitting a car. The driver of the car died and the two people inside the van are badly hurt.

Great Day, Mar 5, 2020, 05:05 AM, :55, Local: A state of emergency is now declared in California because of the Coronavirus. The announcement follows the first confirmed death from the disease in our state. This will allow Governor Newsom to receive federal help. This is important for people in our area to know about so they can keep track of what our leaders are doing to protect them from the Coronavirus.

Ten O'clock, Mar 18, 2020, 10:02 PM, :30, Local: At midnight the city of Fresno, California is under a lockdown order, forcing businesses to shut down and people to take shelter in their homes. This is important to viewers because an order like this will cause a lot of disruptions for people and businesses.

Midday, Mar 23, 2020, 11:41 AM, :32, Local: PG&E is now pleading guilty to 84 counts of involuntary manslaughter in connection to the deadly wildfires in Northern California in 2018. The utility company is also admitting to another count of unlawfully starting a fire. PG&E will pay the maximum fine of \$4 million.
