@Justin Betti @Griffin Stroin Do you guys mind tweaking that full screen so it looks proper for editing, usually fullscreens get a top line header and a bottom did you want "title" in the fullscreen?

 **Justin Betti** 3:03 PM  
@Griffin Stroin's learning as he goes. Check it now, @pbonardelli.  
My fault for not explaining the FS style better.

 **pbonardelli** 3:04 PM  
@Justin Betti Thank you! S'all good, learning is fun!  
Full screen lines shouldnt really be longer than 5 words each line
