Our license will expire on August 1, 2014. We must file an application for license renewal with the FCC on April 1, 2014. When filed, a copy of this application will be available for inspection during regular business hours. It will contain information concerning WQKY's performance since November 22, 2006.

Individuals who wish to advise the FCC of facts relating to our renewal application, and to whether this station has operated in the public interest, should file comments and petitions with the FCC by July 1, 2014. Further information concerning the FCC's broadcast license renewal process is available at 27 E 4th Street, Embourne N.J.
