WFNP-FM Programs and Issues, 2nd Quarter 2022

NOTICE CONCERNING COMMUNITY SERVICE PROGRAMMING

The Federal Communications Commission requires non commercial radio stations to report, on a quarterly basis, the programming it has aired to address the needs and issues confronting the community it is licensed to serve.

The attached document lists and describes the programming aired during the first quarter of 2022. WFNP-FM may transmit it's programming, in compliance with its time share contract with WRHV, only during the months of February, March, April, September, October and November. Accordingly, the attached document lists Community Service Programming for the month of April , the only month in the year's second quarter during which WFNP operates.

WFNP broadcasts *Public Service Announcements* regularly three to six or more times each hour on a daily basis. A list of the public service announcements can be found on pages 2-3 of this document.

WFNP regularly broadcasts the *Nightly News*, a half-hour live news program, weeknights at 7:00pm. The programs cover news features of local and regional relevance as well as international and national news topics. A list of the local news coverage can be found on pages 3 through 9 of this document.

WFNP broadcasts 30 minute talk shows, weeknights at 7:30pm. A list of community based talk show topics can be found on pages 9 and 10 of this document.
