WFNP-FM Programs and Issues, 2nd Quarter 2023

NOTICE CONCERNING COMMUNITY SERVICE PROGRAMMING

The Federal Communications Commission requires non commercial radio stations to report, on a quarterly basis, the programming it has aired to address the needs and issues confronting the community it is licensed to serve.

The attached document lists and describes the programming aired during the second quarter of 2023. WFNP-FM may transmit its programming, in compliance with its time share contract with WRHV, only during the months of February, March, April, September, October and November. Accordingly, the attached document lists Community Service Programming for the month of April, the only month in the year's second quarter during which WFNP operates.

WFNP broadcasts *Public Service Announcements* regularly three to six or more times each hour on a daily basis. A list of the public service announcements can be found on **page 2** of this document.

WFNP regularly broadcasts the *Nightly News*, a half-hour live news program, weeknights at 7:00pm. The programs cover news features of local and regional relevance as well as international and national news topics. A list of the local news coverage can be found on pages 3 through 6 of this document.

WFNP broadcasts 30 minute talk shows, weeknights at 7:30pm. A list of community based talk show topics can be found on **page 7** of this document.

WFNP Nightly News: April 2023

Mon, 03, 2023 Local Mid-Hudson News • WOODSTOCK - Fines leveled at owner of company that illegally dumped thousands of tons of contaminated fill at private property. Fines are unlikely to be paid or dump cleaned as the individual is being held for unrelated manslaughter.
• WOODSTOCK - Elderly man rescued after fall hiking. • KINGSTON - Kingston is finalizing a

project labor agreement with unions for renovations at Dietz Stadium, saving over 5% in labor costs, and allowing all contractors, including local ones, to bid on the work for greater coordination and flexibility. Campus News • Talk on health and career readiness hosted by Black Studies Department. • Lecture on data science in relation to astronomy.

Tue, 04, 2023 Local Mid-Hudson News • CATSKILL REG. - The Onteora Central School District is considering permanently closing one or two of its public elementary schools due to low enrollment, prompting pushback from parents and community members who say the process has been rushed and relies on outdated data. • CATSKILL REG. - Mountaintop communities in the Catskills are urging New York City to reconsider its land preservation efforts in the region, as the city's Department of Environmental Protection must buy 10,000 acres of land annually to maintain the purity of its water supply, the majority of which comes from Catskills reservoirs. • WOODSTOCK - The Bethel Woods Center for the Arts museum, located on the grounds of the original Woodstock Music and Arts Fair, is launching the Woodstock Oral History Initiative to interview 1% of the live audience, or 4,500 people, to better understand the iconic festival that inspired an entire cultural phenomenon. Campus News • Alumni talk on social and psychological issues correlates with ghosting. • Panel Discussion on the importance of archival work.

Wed, 05, 2023 Local Mid-Hudson News • HUDSON Valley - Central Hudson Gas & Electric Corp. is adding nearly 50 new positions in key areas, including the customer billing, consumer outreach, and customer contact center, as part of its efforts to improve customer experience. • ULSTER COUNTY - No charges have been filed against former Ulster County Finance Commissioner Burt Gulnick a month after being accused of stealing thousands of dollars from the Hurley Recreation Association treasury; the investigation is still ongoing.

Thu, 06, 2023 Local Mid-Hudson News • HUDSON RIVER - Radioactive water from the Indian Point Nuclear Power Plant is expected to start flowing into the Hudson River on May 5, according to plant operator Holtec International, causing concerns among officials and residents alike. • ULSTER COUNTY - Ulster County Sheriff Juan Figueroa has confirmed that negotiations are underway to establish an FBI field office in the county, and he expects it to open either later this year or early 2024, pending legislative and executive approval.

Mon, 10, 2023 Local Mid-Hudson News • SAUGERTIES - The Saugerties Town Board has set a 10 pm time for the start of July 4th fireworks, with the annual Saugerties Stallions baseball game to be completed even if it requires the result to be a tie. • HUDSON VALLEY - Tolls on the New York state Bridge Authority's Hudson River crossings, including the Kingston-Rhinecliff, Mid-Hudson and Rip Van Winkle bridges, will increase on May 1 • HUDSON RIVER: Radioactive water from the Indian Point Nuclear Power Plant is expected to start flowing into the Hudson River on May 5, according to plant operator Holtec International, causing concerns among officials and residents alike. Campus News • Lecture and Talk with author Carmen Maria Mandado. • Career Resource Center.

Tue, 11, 2023 Local Mid-Hudson News • HUDSON VALLEY - Increased brush fire risk, burn ban still in effect. • POUGHKEEPSIE - A defamation lawsuit filed by Judge Frank M. Mora against Stacey Koch, a local woman who filed an ethical misconduct complaint against him with the

New York State Commission on Judicial Conduct, was dismissed by Dutchess County Supreme Court Judge, who affirmed the right of private citizens to report judicial misconduct without fear of reprisal. • HUDSON VALLEY - A report by Ulster County Comptroller March Gallagher revealed that county residents and businesses paid 33% more in sales tax on electrical service between March and November 2022 compared to the same period in 2021. Campus News • Inauguration Planning Committee for President Wheeler looking for volunteers. • Meditation Event at the school's planetarium.

Wed, 12, 2023 Local Mid-Hudson News • WOODSTOCK - Woodstock officials are divided on whether to remove all 2,000 cubic yards of contaminated soil from 10 Church Road or allow the owners to sift through the dirt to remove items associated with construction and demolition, while co-owner Vincent Conigliaro is expected to start the cleanup soon. • RED HOOK - Patrons of the Red Hook Public Library are questioning the transparency of the library board after former employee Amy Smith was taken out of the running for director, despite receiving support from library users and even a letter from U.S. Rep. Marcus Molinaro. • HUDSON VALLEY - Democratic candidate Josh Riley has announced his candidacy for the 2024 election for New York's 19th Congressional District, after losing his 2022 bid for the seat to Republican U.S. Rep. Marc Molinaro. Campus News • New alumni exhibits are open in town, planned in conjunction with the school. • Upcoming Art History Symposium.

Thu, 13, 2023 Local Mid-Hudson News • ULSTER - Ulster County Executive Jen Metzger is urging for the revenues from a proposed increase in the county's hotel/motel occupancy tax to be used for Ulster County's housing and transportation needs. • KINGSTON - The Kingston High track and field teams lost to Monroe-Woodbury, with the boys team losing 102-39 and the girls squad losing 106-35 • CASTLETON - US Transportation Secretary Pete Buttigieg visited Rensselaer County on Thursday to announce a \$21 million federal grant to repair and modernize the Castleton-on-Hudson Bridge, part of I-90 and the Thruway, which spans the Hudson River between Albany and Rensselaer counties Campus News • Band made up of Professors appearing at a local bar for a fundraiser. • West Point Marching Band performing on campus.

Fri, 14, 2023 Local Mid-Hudson News • HUDSON RIVER - Holtec International, the company responsible for decommissioning the Indian Point nuclear power plant, has decided to postpone its planned discharge of radioactive wastewater into the Hudson River following opposition from local and federal officials, environmentalists, and residents. • KINGSTON - The Senate House State Historic Site in Kingston, NY offers interactive programs and activities to engage visitors with the history of the Hudson Valley, including the annual "Let Freedom Ring" program which features live music and instrument demonstrations. • ULSTER COUNTY - Valerie Naccarato, who has worked for the Ulster County Department of Probation for 25 years, has been appointed as the department's new Director of Probation, succeeding Nancy Schmidt who retired in January. Campus News • Banquet being held by New Paltz National Association of Black Accountants. • Resume workshop being held by Career Resource Center.

Mon, 17, 2023 Local Mid-Hudson News • WALLKILL - Colin McCartney was named valedictorian and Joseph J.J. Wagner salutatorian of the Wallkill High School class of 2023. • DUTCHESS

COUNTY - Dutchess Community College's business program is offering a new micro-credential in Cannabis Retail Management

Tue, 18, 2023 Local Mid-Hudson News • Saratoga: A 65-year-old man has been charged with second-degree murder after he allegedly shot and killed a 20-year-old Saratoga County woman Saturday evening after the car she was in mistakenly drove up the man's driveway • HUDSON - Mountco Construction and Development Corp. has been selected by Hudson City officials and the public housing board to reimagine public housing in Hudson, with plans to build new public housing units, move the current tenants into them, then demolish the old Hudson Housing Authority buildings and construct new housing in their footprint.

Wed, 19, 2023 Local Mid-Hudson News • ULSTER COUNTY - Ulster County Human Rights Commissioner Tyrone Wilson was fired due to complaints about offensive language he used on his local radio show, social media, and in person, which came to light following an inquiry. • KINGSTON - Hutton Brickyards reopened under new management after flood waters forced the resort to shut down during the winter, with Waterford Hotel Group of Connecticut taking over management of the property owned by MWest Holdings Inc. • MONROE - An appeals court has dismissed legal challenges by Monroe and Kiryas Joel to invalidate a petition for the formation of the primarily Hasidic community, Seven Springs, that would include about 2 square miles of land in northern Monroe. Campus News • Investiture Ceremony for President Wheeler upcoming. • Upcoming Theater Production Dates.

Thu, 20, 2023 Local Mid-Hudson News • ELLENVILLE - The Catskills Borscht Belt Museum, set to open in 2025 in a former bank building in Ellenville, NY, is dedicated to preserving a slice of Americana and the Jewish history of the region that catered to Jewish families who were denied access to other resorts during an era of anti-Semitism. • HUDSON VALLEY - Central Hudson Gas & Electric Corp. has been criticized in a state energy watchdog's audit for a 900% increase in adjusted bills due to "inexperience" of its information technology leadership and a reliance on outside vendor, resulting in the Public Service Commission giving the utility 30 days to submit a plan to implement the audit's recommendations. • KINGSTON - The Laws and Rules Committee of Kingston, New York, has approved resolutions that would repeal Good Cause Eviction protections in the city after its denial in other municipalities. • Franklin, a steer living at the Forsyth Nature Center in New York, is being relocated to an undisclosed animal sanctuary following allegations from the Woodstock Farm Sanctuary that the animal was mistreated. Campus News • Upcoming Theater Production Dates. • Field trip to Moulin Rouge on Broadway! being held by the school

Fri, 21, 2023 Local Mid-Hudson News • HUDSON VALLEY - Mohonk Preserve is offering free six-week passes to Ulster County residents as part of the Healthy Ulster Pass program, which will be distributed from April 21 to April 23. • NEW PALTZ - Sofia Loyer and Lauren Stolfe have been named valedictorian and salutatorian, respectively, of the New Paltz High School graduating class, with Loyer graduating with a GPA of 101.8 and Stolfe with a GPA of 99.674. • WOODSTOCK - Woodstock Supervisor Bill McKenna ended his re-election campaign and verbally attacked his Democratic primary opponent during a Town Board meeting that also included public objections to the handling of contaminated debris at 10 Church Road and the replacement of the town Environmental Commission chairperson. Campus News • Exhibition

and hands on demonstration in printmaking with visiting artists. • Earth Day Celebration on Campus.

Mon, 24, 2023 Local Mid-Hudson News • KINGSTON - Mary Zou and Eleanor O'Dwyer have been named as the valedictorian and salutatorian respectively for the Kingston High School Class of 2023. • CRAGSMOOR - The parents of Daniel K. McAlpin, who was killed by state trooper Jason T. Wurtz during a mental health breakdown in September 2022, are seeking accountability and an investigation into the events leading up to their son's death • HUDSON VALLEY - An audit by a state energy watchdog has found that Central Hudson Gas & Electric Corp.'s reliance on outside vendors, inexperience of its IT leadership, and bill estimation processes resulted in a 900% increase in adjusted bills. Investigation is ongoing. Campus News • Talk on portrayal of Autism in the media being hosted. • Photography demonstration being hosted by a visiting artist.

Tue, 25, 2023 Local Mid-Hudson News • SARATOGA - Recommendations made in a 2021 report commissioned by the state to improve cell phone coverage upstate have not been fully implemented, and the recent shooting of Kaylin Gillis, who was unable to call 911 after her friends couldn't get a signal, has brought renewed attention to the issue. • PRATTSVILLE - Former Prattsville town justice David Rikard has been barred from serving as a judge after refusing to cooperate with a judicial review board investigating complaints against him, but he will continue working as chief assistant district attorney in neighboring Delaware County. • KINGSTON - Mary Zou and Eleanor O'Dwyer have been announced as the valedictorian and salutatorian of the Kingston High School class of 2023 respectively. Campus News • Resume workshop hosted by career center. • Panel Discussion with local legislators.

Wed, 26, 2023 Local Mid-Hudson News • REDHOOK - The Town Board of Red Hook is considering changes to zoning and subdivision laws to tackle the housing affordability crisis while preserving the town's rural character and environmental stewardship. • ULSTER COUNTY - Central Hudson Gas and Electric must end its practice of reading electric meters every other month, according to an audit of the utility ordered by state regulators. • KINGSTON - The city of Kingston plans to make municipal buildings carbon-neutral and promote sustainability by adding electric vehicle stations, developing a wetlands project, launching compost collection for buildings, and implementing a bike share program. These projects are made possible by grants received from different sources. Campus News • Clothing repair workshop being hosted by the theater arts costume department. • Planetarium Night for April 27th.

Thu, 27, 2023 Local Mid-Hudson News • HUDSON VALLEY - State lawmakers from the region are opposing Governor Kathy Hochul's proposal to raise the minimum wage to \$17 an hour, with Assemblywoman Sarahana Shrestha included. • HUDSON VALLEY - The newly approved redistricting map for the Assembly includes three districts for Ulster County, one fewer than the current configuration, and does not change the districts represented by two area Democrats but does make changes in ones represented by Republicans. Campus News • College strings concert. • Student theater club hosting shows at local theaters.

Fri, 28, 2023 Local Mid-Hudson News • HUDSON VALLEY - The newly approved redistricting map for the Assembly includes three districts for Ulster County, one fewer than the current

configuration, and does not change the districts represented by two area Democrats but does make changes in ones represented by Republicans. ● KINGSTON - A Kingston man and his passenger are facing multiple charges after being chased by state police on the state Thruway for allegedly violating traffic laws. ● KINGSTON - Prestige Toyota is ending its practice of unloading cars on the street after approval for additional building space.
