**Dear Mr. Wright:**

**We have completed our review of the response of Midwest Communications, Inc., as licensee of the above-noted stations, to the February 14, 2019, random audit letter sent to it in accordance with the provisions of 47 C.F.R. § 73.2080(f)(4) of the Federal Communication Commission's Equal Employment Opportunity (EEO) rules. As a result of our review, we find that no further action is required.**

**In accordance with Section 73.3526(e)(10) of the Commission's rules for commercial stations or Section 73.3527(e)(11) for noncommercial stations, the licensee must place copies of this letter, our audit letter, and its audit response in each station's online public inspection file. The licensee must maintain these materials in the files until the next grant of the renewal application, by final order, of the license for each station.**

**Should you have any questions concerning this matter, you may call the EEO staff at (202) 418- 1450. Thank you for your cooperation.**
