

Cumulus Media Inc. Chief Operators Designation

It is herein posted that Edward W. Noyes III is the designated Chief Operator of WISW, WLXC, WNKT, WOMG, & WTCB, herein referred to as the Stations, as defined under 47-CNFR-73.1870. The designated Chief Operator is herein charged with maintaining the operations of the Stations within the terms and conditions of all the corresponding FCC License, and to maintain all technical operations of the Stations within the requirements of the Federal Communications Commission's Rules and Regulations. The Chief Operator is empowered with the necessary authority, in cooperation with the General Manager of the Stations, to carry out this charge.

During times when the Chief Operator is unavailable to perform the assigned duties, Florence Market Engineer will act as Chief Operator with the same responsibility and authority as the Chief Operator. In the event that both the Chief Operator and the Alternate Chief Operator are unavailable to perform the assigned duties, the designation of an interim Chief Operator will be made and posted on the Employee Bulletin Board.

This designation is made on 1/19/2021 and supersedes any previously made designations.

MM 
Tammy O'Dell
Market Manager
Columbia, SC

The undersigned herein acknowledges the designation of Chief Operator {and Alternate Chief Operator (if appropriate)} effective the date noted above.

Engineer 
Ed Noyes III
RDOE
