Issues/Programs Statement

On October 2, 2021, the Program “Missing: Open Files” began running on Saturdays from 5-5:30 PM and from 5:30-6 PM AST. This program focuses on a variety of issues of public concern, from the perspective of missing persons cases. This includes important safety information every child and their family should know to better protect themselves. KTVA is working to acquire additional programming covering issues of concern in the local community.
