In the month of April WVIN/WABH works in conjunction with the Steuben County Youth Bureau to raise money for the Tyrtle Beach Youth Fund. 100 percent of the money stays local and goes to Youth Organizations and groups in Steuben County. During the month of April local law enforcement, School Superintendent's, Mayor's and other local dignitaries came in and not only donated to the cause but talked on the air about the benefit of Tyrtle Beach and took pledges over the phone. Listener's, Local Business's, Residents, Groups and others called in and made pledges to see a Local Celebrity to take the jump in Lake Salubria for Tyrtle Beach. On May 3rd there was a 2 hour live broadcast as Campbell Savona Central School Principal Kelley Meade took the plunge for 27th annual Tyrtle Beach Fundraiser. This year \$40,018.46. 79 local youth organizations and groups benefited from this year's fundraiser. In the 27 years of Tyrtle Beach over \$700,000 has been raised.
