WNYM-AM	01/04/24	Thursday	4:28:59 AM	Along with Gay herself, the scandal's greatest victims are elite education and the DEI movement. But the resignation is too little, too late. WNYM-AM	01/05/24	Friday	5:29:59 AM	This election year is looking a lot like 1980. In that campaign, Ronald Reagan said: "We know only too well that war comes not when the forces of freedom are strong, but when they are weak. It is then that tyrants are tempted. WNYM-AM	01/09/24	Tuesday	4:02:00 AM	It needs saying, again: the world is a dangerous place. The question is whether we'll make it more dangerous or less, by what we do and don't, by who we support or don't. And when. And how.

WNYM-AM	01/19/24	Friday	10:50:38 AM	What's notable about that isn't that Nadler wants more illegal immigration, what's notable is that he, a liberal Democrat, acknowledges that we have an underpopulation problem. So we don't face a population bomb? We don't need to shrink global population to sustainable levels? Our economy actually needed the 70 million people we've aborted since Roe?

WNYM-AM	01/24/24	Wednesday	5:20:13 AM	Is the United States still a “global superpower”? Or, simply, any kind of power? Iran has been pushing us around and—with its proxies—continues to launch rockets at US forces. Two US Navy Seals were just killed trying to prevent illegal Iranian arm shipments. A U.S. base in Iraq was just attacked by Iran. Russia invades an ally of ours in Ukraine. Israel—a major ally—was subjected to an unfathomable act of bloodlust terrorism redolent of Caligula. Taiwan is increasingly threatened by China. And our southern border has been obliterated.
