Issue: Community Fundraising Support/Firefighter Recruitment

Dave Hazlett, president of the North Washington Volunteer Fire Department, was in studio to discuss the upcoming week-long North Washington Rodeo, which is the primary fundraiser for the volunteer department. The event is staffed entirely by volunteers to provide money to operate the first-responder organization. He also stressed the need for volunteers for the fire department and other first-responder organizations. Many in the northern part of Butler County have developed agreements between departments in order to have enough personnel to handle community emergencies.
