Re: WREG-TV, Memphis, Tennessee (Fac. Id. No. 66174)
Response to Letter of Inquiry
FCC File No. EB-11-IH-0913

Dear Ms. Dortch:

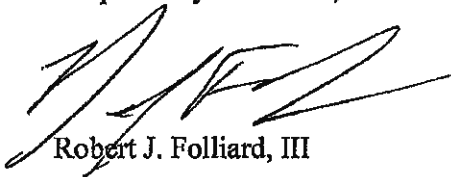

On behalf of Local TV Tennessee License, LLC ("Local TV"), licensee of WREG-TV, Memphis, Tennessee, we hereby submit the licensee's response to the Enforcement Bureau's June 28, 2013, Letter of Inquiry regarding a contest that Local TV conducted from February 14, 2011 to April 11, 2011 (the "Contest"). Local TV's response consists of the Declaration of Mr. Ronald Walter, Vice President and General Manager of WREG-TV, and a supporting Declaration of Ms. Jacque Hood, Internet Sales Director of WREG-TV.

As described in Mr. Walter's Declaration, Local TV conducted the Contest in accordance with its official rules (the "Official Rules"). In her complaint, Ms. Pryor claims that Local TV should have awarded a prize to her. Ms. Pryor, however, did not win the Contest. Under the official rules of the Contest, which Local TV posted to WREG-TV's website, Ms. Pryor did not have the most valid votes. The Official Rules state: "**Automated voting of any kind is not allowed.** Detection of said automated voting will lead to votes being voided." (emphasis added). The voter record for Ms. Pryor's entries, attached as Exhibit D to this response, demonstrates that Ms. Pryor received votes by using excessive user registrations generated under false e-mail addresses. In many cases, the votes were made from the false e-mail addresses from the same Internet Protocol address. Based on the Official Rules, Ms. Pryor's votes generated by the use of multiple user registrations from false e-mail addresses and from the same Internet Protocol address were invalid. This left Ms. Pryor with 670 valid votes. The Contest's winner, Ms. Belinda Jones received 1,010 votes. Although Local TV did not broadcast these official rules over the air, Local TV fully and accurately disclosed the material terms of the Contest by posting the rules on its website.

As described in Exhibit E, Local TV is asserting attorney-client privilege and withholding an email that Local TV's General Counsel sent on February 27, 2012, to WREG-TV and its other commonly owned television stations regarding the Commission's contest rule. The email included a memorandum from Local TV's outside counsel describing the contest rule and explaining how stations can comply with the rule.

If you have any questions about this submission, please contact me directly.

Respectfully submitted,

Robert J. Folliard, III

A transcript of the promotional announcement is attached as Exhibit B-1. Exhibit B-2, attached to this Declaration, is the recording of the promotional announcement. The Station did not broadcast any other announcements over the air about the Contest. - a. A the date(s) and time(s) that the Station aired any portion of such programming material;**
 - b. two recordings of the programming material in either DVD or VHS videotape format;**
 - c. a written transcript of the programming material; and**
 - d. any Documents relating to such programming material, including e-mails, written agreements, marketing materials, or invoices.**

Attached as Exhibit C-1 to this Declaration is a copy of all invoices that list the dates and times that WREG-TV broadcast the promotional spot. As discussed in the response to Inquiry 2, recordings of the promotional spot is attached as Exhibit B-2. The written transcript of the promotional announcement is included as Exhibit B-1.

- 4. To the extent, if any, not provided in response to the previous Inquiries, provide all information describing the material terms of the Contest and state whether and how such information was made available to listeners.**

The Ugliest Bathroom Contest was an online photo contest. Contestants were encouraged, through on-air promotional announcements and advertisements on WREG-TV's website, to submit a photograph of their ugly bathroom for a chance to enter to win a bathroom makeover from Bath Fitter Memphis, valued up to \$5,000. A link on the WREG-TV website directed contestants to the Contest website, along with banner ads that rotated throughout the website. The contestant who submitted the photograph which received the most valid votes was deemed the winner of the Contest. Although Local TV did not broadcast the Official Rules over the air on WREG-TV, Local TV did post the Official Rules on the portion of its website dedicated to the Contest.

- 5. Identify each individual winner in the Contest and the prize(s) won, and state the date and time each winner was selected.**

Ms. Belinda Jones was the winner of a bathroom makeover. Local TV selected Ms. Jones as the winner of the Contest on or about April 18, 2011 because Ms. Jones received the most valid votes in accordance with the Official Rules. Local TV then provided Ms. Jones' contact information to Bath Fitter Memphis, which then contacted her to award the prize. Ms. Jones' name was not announced on air as the winner of the Contest.

- 6. Specify the criteria used to select each winner.**

To enter the Contest, a contestant simply submitted a photograph of his or her bathroom via WREG-TV's website. The photograph that received the most valid votes was the winner.

Paragraph five of the Official Rules states: "Automated voting of any kind is not allowed. Detection of said automated voting will lead to votes being voided."

Ms. Pryor did not have the most valid votes in the Contest. The Ms. Pryor's voting record, attached as Exhibit D, shows that Ms. Pryor received votes by using excessive multiple user registrations generated under false e-mail addresses. In many cases, the votes were made from the false e-mail addresses using the same Internet Protocol address. These automatically generated votes plainly violated the Official Rules and, thus, were not counted toward Ms. Pryor's vote total. This left Ms. Pryor with at most 670 valid votes. The Contest's winner, Ms. Belinda Jones received 1,010 valid votes.³

7. State whether the Station failed to fulfill its award of any prize to any winner of the Contest. If so, for each instance, explain fully the circumstances.

The Station did not fail to award the prize. The Station awarded the bathroom makeover, valued up to \$5,000, to Ms. Belinda Jones.

8. Identify any errors in the Complaint. For each such error identified, if any, describe specifically and in detail why you contend the allegation is incorrect.

The Complaint contains one factual error. As discussed above, Ms. Pryor did not have the most valid votes in the photo contest. Because a vast majority of her votes were generated in violation of the Official Rules, many of the votes submitted for Ms. Pryor were invalidated. This left Ms. Pryor with fewer votes than Ms. Jones.

9. Provide a copy of all written policies and directives of the Licensee relating to the Licensee's compliance with Section 509 of the Communications Act, as amended (Act), and Section 73.1216 of the Commission's rules.

Local TV takes all FCC rules and obligations seriously, and it expects all employees to comply with federal and state law and all rules and regulations of the FCC. Indeed, on February 27, 2012 (after WREG-TV conducted the Contest, but well before Local TV received the Letter of Inquiry), Local TV's General Counsel sent me an email to me and to all of the other commonly owned television stations providing an overview of the FCC's contest rule. The email included a detailed memorandum from our outside counsel Dow Lohnes, PLLC. I reviewed the material and instructed the key staff at WREG-TV to review the memorandum. I also told my staff at WREG-TV to ensure that all contests comply with the FCC's contest rule. As discussed in the cover letter to this response and Exhibit E, Local TV has asserted attorney-client privilege and is not providing copies of the email or the memorandum that was attached. In any event, since receiving the memorandum, Local TV believes the Station has fully complied with the contest rules for all contests it has conducted. Local TV now ensures that the Station broadcasts the entire official rules for all contests over the air in addition to posting the rules on its website.

³ Exhibit E indicates Jessica Nicklay received more votes than Ms. Belinda Jones. However, like Ms. Pryor, the vast majority of Ms. Nicklay's count were invalidated because the votes were entered using an automated system.

10. Identify all Station employees or agents fired or otherwise disciplined for apparent violations of Section 509 of the Act or Section 73.1216 of the Commission's rules and describe the apparent violations and disciplinary actions.

The Station did not fire or otherwise discipline any employees.

11. Have any Station employees ever executed an affidavit, acknowledgment, or other certification concerning his or her awareness of or compliance with the statutory and regulatory provisions governing station-conducted contests contained in 47 U.S.C. § 509, and in 47 C.F.R. § 73.1216? If so, provide a copy of each such affidavit, acknowledgment, or other certification.

Local TV requires station personnel to execute affidavits in connection with the payola and plugola rules but not in connection with the contest rules.

12. Identify every broadcast station licensed to the Licensee that promoted or broadcast announcements or material concerning the Contest. For each such station, provide responses to Inquiries Nos. 1-11 above.

WREG-TV was the only broadcast station that broadcast any announcements about the Contest or otherwise promoted the Contest. Thus, each response in this Declaration refers solely to WREG-TV. WREG-TV is licensed to Local TV Tennessee License LLC.

13. Provide copies of all Documents that provide the basis for or otherwise relate to your responses to Inquiries 1-12, above.

See the attached Declaration by Ms. Jacque Hood and Exhibits for documents that provided the basis of my responses.

14. Provide any additional information that would be relevant to our consideration and resolution of these allegations.

Local TV conducted the Contest in accordance with its Official Rules. Under those rules, Ms. Pryor definitively was not the winner. The Official Rules were readily available on the Station's website.

Other than the facts attested to by Jacque Hood, I have personal knowledge of the factual matters in this Declaration, and they are true and correct to the best of my knowledge, information, and belief. Pursuant to Section 1.16 of the Commission's rules, I declare under penalty of perjury that the foregoing is true and correct.
