WVBZ - WMAG - WTQR - WMKS - WPTI
Quarterly Issues/Programs List

WVBZ-WMAG-WTQR-WMKS-WPTI provides its listeners with programming and public service announcements that address issues of concern to our local community. Among the issues determined to be of most concern to the community during the preceding calendar quarter were:

- **Getting volunteers for Cancer prevention survey:** Am Cancer Society Lisa Bottomley, Mission Delivery Director - Getting volunteers for Cancer prevention survey. Volunteers are needed from all age groups and all types of lifestyles. Information was provided on how people can volunteer for these surveys and what they can expect when they become a part of these life time surveys.
- **Basic Food Principles and Saving Money:** Arnesia Gutcher, Nutrition Educator- Basic Food Principles Shelia Dalco, Family & Consumer Agent - Saving Money
- **Cancer Awareness & Prevention campaign:** Danny Baughman, High Point Firefighter - Cancer Awareness & Prevention campaign. The Pink Heals Tour features pink firetrucks from around the country in a parade through downtown High Point. In addition there is a big festival in downtown High Point featuring bands, food and entertainment for everyone. All funds raised go to local women in the community to help pay for mammograms and to fund research to fight breast cancer.
- **Community Gardening:** Guilford County Co-Op Ext - Karen Neill discussed community gardening and how important it is for helping people maintain a healthy life style. Community gardening also helps the local economy because it keeps the money used for food purchasing in our local community.
- **Crime:** Sheriff BJ Barnes from Guilford County discussed the crime situation in Guilford County. He also talked about the difficulty of getting funding from the county commissioners for his department. How the department uses money and property that is confiscated during drug raids. What they can legally do with it and what they cannot do with it.
- **Getting volunteers for Cancer prevention survey:** Am Cancer Society - Am Cancer Society Lisa Bottomley, Mission Delivery Director - Getting volunteers for Cancer prevention survey. These surveys last for decades and will help to decide public policy for our children and their children. For example, the cultural changes in our country caused by the elimination of smoking ads came about because of surveys done

during the 40's, 50's and 60's.

- **Getting your lawn/Garden ready for Fall:** Karen Neil - Getting your lawn/Garden ready for Fall. The importance of soil testing so you can know exactly what types of fertilizer your lawn and garden needs. Soil testing is a free service provided by the state government.
- **Greek Festival:** Greek Festival. The largest Greek festival in the area is held each year to celebrate the culture of local greek-americans in the community. There are lots of examples of greek cuisine served and there are tours of the greek community church in Greensboro. Funds raised from the event go to the church and to the Pink Heals Tour to fight breast cancer.
- **Horticulture programa and it's effect of community:** Pres Dr. Martin Nadleman & Justin Snyder, Dept Head of Horiticulture - Horticulture programa and it's effect of community
- **Hunger in the community:** Rev Mike Aiken, Ex. Dir. GSO Urban Ministry - All things Urban Ministry
- **Injured Military Veterans:** Fisher House Foundation is best known for the network of comfort homes built on the grounds of major military and VA medical centers nationwide and in Europe. Fisher Houses are beautiful homes, donated to the military and Department of Veterans Affairs. These homes enable family members to be close to a loved one at the most stressful time - during the hospitalization for a combat injury, illness or disease. Located in close proximity to the medical center or hospital it serves, each Fisher House consists of between 8 and 21 suites, with private bedrooms and baths. Families share a common kitchen, laundry facilities, spacious dining room and an inviting living room with a library and toys for children. Fisher House Foundation ensures that there is no fee to stay in a Fisher House. Since 1990, the foundation has saved military, veterans and their families an estimated \$200 million in out of pocket costs for lodging and transportation.
- **Keeping your home safe from chemicals:** Guilford County Co-Op Ext Barbara Strong discussed how to store and dispose of dangerous household chemicals and cleaning supplies.
- **Lupus:** Christine John Fuller, Pres & CEO of Lupus Foundation of America - Making people aware/Fundraising
- **Myths and truths of prostate cancer:** Rod Lattie had prostate cancer and is no in remission. Rod dicussed the myths and truths of prostate cancer. Why it is important to get the correct diagnosis and why it is important to get a second or even third opinion. How to live with a diagnosis.
- **Preventing Crime:** Rebecca Fallon, GSO PD Crimestoppers Coord. - Awarness and fund raising. The crimestoppers program has helped solver hundreds of crimes and recovered millions of dollars of property that has been stolen. She explained how the program works and how it promises to keep the identities of the people who call in crime tips

secret.

- **Prostate Cancer:** Rod Lattie had prostate cancer but is now in remission. Rod discussed the importance of men being tested for prostate cancer, and the difference treatment options that are available.
- **Salvation Army:** Salvation Army - recruitment - Major James Allison - services and volunteers. Plus discussed the many programs that the Salvation Army is involved in for children, such as the boys and girls clubs and how they help children improve their academic achievements.
- **Salvation Army Recruiting:** Salvation Army Recruiting - Major James Allison talked about the services and volunteers of the Salvation Army. He discussed the amount of homeless persons that the Salvation Army is helping. They need to recruit more volunteers for bell ringing for the holidays and more people to help donate toys for children.
- **school gardening program:** Karen Neil - Getting your lawn/Garden ready for Fall and Food Corp/school gardening program. The school gardening program helps to teach children where their food actually comes from. Teaches them how to plant, care for and harvest food right out of their own gardens. In addition, it teaches children how they can prepare and cook fresh vegetables for better nutrition.
- **Soldiers with PTSD:** Katie Taylor, Project Manager & Susan Hathaway, Project Volunteer. Discussed the upcoming event to raise money for the Patriot Rover program
- **Using organic cleaning ideas in the home:** Guilford County Co-Op Ext agent Barbara Strong discussed how to use safer non-chemical types of cleaning agents in the home. The many uses of vinegar for example around the home instead of buying expensive or dangerous cleaning agents.
