MEMORANDUM

TO: Station Internal Files
DATE: May 23, 2011
RE: Circumstances concerning AM Drive Co-Host hire

To fill the position of AM Drive Co-Host on May 23, 2011, this station employment unit ("SEU") used only one recruitment source, rehiring a former employee. The SEU did not widely disseminate the vacancy notice in this case because we had an opportunity to hire a unique talent -- one of our former employees, who is well-known in the market and previously had worked with his current co-host at another station in the market.
