

KNBC-TV QUARTERLY ISSUES/PROGRAMS REPORT

THIRD QUARTER 2002

July 1, 2002 through September 30, 2000

I. BUSINESS & INDUSTRY

CHANNEL 4 NEWS, 4:00-5:00PM, 7/29/02 (:40) mentioned tat credit card companies are using a new way to shop on-line, to help prevent theft and fraud. It's virtual credit card numbers, use them once then throw them out. CitiBank is already using the procedure. The way it works is, a random account number is generated for each shopping purchase and then discarded. CitiBank says the system is designed so you never use the same number twice. American Express has introduced a similar system as well.

CHANNEL 4 NEWS, 4:00-5:00PM, 8/12/02 (:40) reported that another airline is taking a financial fall because of a drop in air travel nationwide. U.S. Airways has filed for chapter eleven-bankruptcy protection. The Virginia-based carrier was hard hit by the decline in travel after the 9/11 attacks. The company cut back a billion dollars in expenses to try and get out of the red, but failed.

CHANNEL 4 NEWS, 4:00-5:00PM, 8/13/02 (:40) talked about how the Federal Reserve left key interest rates unchanged today. The Fed also signaled that it might be willing to lower rates later if the economy remains sluggish. The Federal Fund rates which banks charge each other on overnight loans will remain at 1.75% and the benchmark prime rate will stay at 4.75%. That's the lowest the prime rate has been since November of 1965. Unemployment remains just under 6%.

CHANNEL 4 NEWS, 4:00-5:00PM, 9/6/02 (:40) discussed how American workers are paying more for health insurance. Companies of all sizes have been hit with double-digit increases in providing coverage and they're passing some of those costs along to their employees in the form of higher premiums, deductibles and co-payments. According to the Kaiser Family Foundation, single workers paid an average of 27% for health care this year. The cost to families went up an average of 16%.

II. CHILDREN & YOUTH

CHANNEL 4 NEWS, 4:00-5:00PM, 7/1/02 (:40) reported that the American Heart Association has issued new guidelines to keep children's hearts healthy. Experts urge parents to teach kids to eat less fast food and more fruits and vegetables, and to keep children active. That means limiting the time they spend sitting watching TV or playing

video games. Experts say the current epidemic of childhood obesity is a warning sign that America's children could face heart disease earlier than their parents.

CHANNEL 4 NEWS, 4:00-5:00PM, 4/12/02 (:40) mentioned that new comprehensive health insurance will soon be available to about 15,000 kids in Los Angeles County. Today, a County Commission unanimously approved a five year, 100-million dollar budget to insure children ages five and under. This program will cover kids who don't qualify for Medi-Cal or "Healthy Families" insurance. Money to support this program will come from a cigarette tax that was approved through proposition 10 two years ago.

CHANNEL 4 NEWS, 4:00-5:00 PM, 7/22/02 (:40) discussed how the murders of Samantha Runnion and Danielle Van Dam have many parents worried about protecting their own children. To address this issue families can learn all about "keeping today's children safe" at a town hall meeting in Stanton. Police and other experts will give valuable advice on how to protect kids. The meeting is sponsored by the National Center for Missing and Exploited Children. It runs from 6:00PM until 8:00PM at the Cultural Arts and Recreational Center of Katella Avenue in Stanton.

CHANNEL 4 NEWS, 4:00-5:00 PM, 7/30/02 (:40) talked about a new kidnap emergency alert system in California. Governor Gray Davis joined law enforcement officials in Sacramento to announce what is designed to be a partnership between broadcast media and law enforcement. It's called the California Child Safety Amber Network. It will help get the word out when a child is missing. In addition to the alert system, state officials are working on prevention programs which will help educate parents, as well as children.

CHANNEL 4 NEWS, 4:00-5:00 PM, 8/1/02 (:40) reported that there is new hope for autistic children with behavior problems. A study by the UCLA Neuro-Psychiatric Institute found that an anti-psychotic drug helps control aggressive and self-destructive behavior in autistic children. The drug is called risperidon, which is also used to treat schizophrenia. Researchers found that the drug reduced tantrums, rages, and self-injuries, with few side effects.

CHANNEL 4 NEWS, 4:00-5:00 PM, 8/12/02 (:40) mentioned that State Senators okayed legislation to prohibit smoking in or near children's playgrounds. California law currently bars both smoking and disposing of smoking materials in a playground, or a tot sandbox. The bill would extend that prohibition to within 25-feet of any such facility. Violators could be fined \$250. Backers say the legislation would protect children from being exposed to second hand smoke.

CHANNEL 4 NEWS, 4:00-5:00 PM, 8/13/02 (:40) reported that there are some problems with the Amber Alert. System. And this became apparent in the latest alert. L.A. Police issued and canceled the alert, then re-issued another one. Today in Sacramento, state and law enforcement officials met with children's advocates, including Mark Klaas, the father of kidnap and murder victim Polly Klaas. They discussed guidelines for when to call an Amber Alert. The guidelines are as follows: the

kidnapping must be confirmed, the victim must be 17 or under or have mental or physical impairments, there must be a threat of serious bodily injury or death and there must be some sort of information to tell the public what to look for.

CHANNEL 4 NEWS, 4:00-5:00 PM, 9/4/02 (:40) talked about how an estimated 1-million California children are missing out on a chance to get low-cost health insurance. Teachers and insurance officials held a series of informational news conferences around the state today. The program, called “Healthy Families” is designed to help the state’s neediest children. Teachers have pledged to get the word out to parents. The premiums for “Healthy Families” insurance are extremely low, often less than the cost of one emergency room visit.

CHANNEL 4 NEWS, 4:00-5:00 PM, 9/5/02 (:40) mentioned that if your child has asthma, you may consider getting a cat unless you, too, have the allergy. New research shows cats can protect against asthma and allergies in all groups except children whose mothers have asthma. Exposure to cats actually triples the risk of asthma in these children. Scientists studied 450 children under the age of 5. All the children studied had a family history of allergic diseases.

CHANNEL 4 NEWS, 4:00-5:00 PM, 9/6/02 (:40) discussed how an elementary school in Rancho Cucamonga is asking students not to come to school with peanut butter sandwiches. Bona Merced School sent letters home to parents saying it was not banning peanuts outright but asking for parents’ cooperation to protect kids who are allergic to peanuts. Some parents say they found the tone of the letter offensive. Students’ say those who do have peanut butter sandwiches have been segregated from the rest of the kids at lunch.

CHANNEL 4 NEWS, 4:00-5:00 PM, 9/12/02 (:40) reported that a helmet may not be enough to protect a child on a bicycle. A new study points to the handlebar as another source of potential danger. During this one-year survey, more than 1100 children suffered serious internal injuries in bicycle crashes not involving cars. Up to 80% of those injuries were linked to handlebars. In fact, researchers recommend a safer handlebar design, one that is retractable and absorbs the impact of a crash. The study appears in this month’s issue of The American Medical Association’s archives of pediatric and adolescent medicine.

CHANNEL 4 NEWS, 4:00-5:00 PM, 9/18/02 (:40) discussed how experts say many teenagers feared gaining weight if they take birth control pills. A new study found no evidence the pills put on the pounds. Researchers at Penn State University followed more than 100 teenage girls and half of them used birth control pills for an average of two years. The study found no evidence the pill-takers put on extra weight of body fat.

III. CONSUMER ISSUES

CHANNEL 4 NEWS, 4:00-5:00PM, 7/10/02 (:30) mentioned that a California bicycle maker is recalling thousands of mountain bikes because their forks could break apart, and cause serious injury. The recall involves 4700 Dyna-Craft Vertical XL-2 mountain bikes. Dyna-Craft has received six reports of the forks breaking on these bikes, which have resulted in abrasions, cuts, bruises and broken teeth. This recall only includes 24-inch vertical XL-2 mountain bikes. Target stores nationwide sold these bicycles from August, 1999 through March, 2000 for about \$130. Consumers should stop riding the bikes immediately and contact Dynacraft.

CHANNEL 4 NEWS, 4:00-5:30 PM, 7/16/02 (:30) reported that there is another major hamburger recall, the second in one month. The USDA says the meat could contain E-Coli bacteria. This one concerns "Carneco Foods" hamburger sold nationwide at Sam's Club Warehouse stores. The hamburger was produced February 22nd, 2002 and it's labeled with the code: EST.245-P, that's inside the USDA inspection seal. The recall involves 131-thousand pounds.

CHANNEL 4 NEWS, 4:00-5:00PM, 7/18/02 (:40) talked about a San Diego company that is recalling more than 100-thousand defective juice-making machines. The machine being recalled is the Aroma Juice Extractor. The problem with this machine is that it can break apart during use sending plastic and metal fragments flying through the air. So far, at least two people have been injured by the problem. If you own one of those machines, you can call the Aroma Housewares Company at 800-276-6286 for a full refund.

CHANNEL 4 NEWS, 4:00-5:00PM, 7/19/02 (:40) mentioned that in the latest J.D. Power customer satisfaction survey of long-distance services, none of the big three made the top of the list. Instead, two smaller local providers, Verizon and Cincinnati Bell got higher ratings than AT & T, MCI or Sprint. Researchers say they noticed that when people are satisfied with their local service, they'll go with the same company for long distance.

CHANNEL 4 NEWS, 5:00-6:00PM, 7/22/02 (:20) briefly mentioned that apartment rent is on the rise in Southern California. The latest real estate survey shows rents continue going up locally. That is not the case in other major cities throughout the west like San Francisco, Seattle, Denver, Phoenix and Reno. Weak rental markets are causing landlords to slash rates in those cities.

CHANNEL 4 NEWS, 4:00-5:00PM, 8/6/02 (:40) reported that a line of lawn mowers is being pulled off the shelves today. 1500 Hustler Fast-trak riding mowers are being recalled by their maker Excel Industries. Excessive heat, vibration and wear-and-tear can make the fuel line rub against the transmission fan, in turn posing a fire risk. The mowers were sold by Hustler Dealers nationwide from November, 2001 to May, 2002. For more information, call 800-395-4757 or log on to NBC4.TV and look under news links.

CHANNEL 4 NEWS, 4:00-5:00PM, 9/5/02 (:40) reported that a Congressional Committee says too many college students are getting deeper in debt. The Committee on

Banking, Housing and Urban Affairs conducted a hearing on financial literacy among college students. They found 45% of college students hold an average credit balance of \$3000 and 83% of all college students have at least one credit card. The committee wants credit card companies to pay for programs to help students understand the pitfalls of large credit debts.

CHANNEL 4 NEWS, 4:00-5:00PM, 9/9/02 (:40) talked about how low-flow toilets save millions of gallons of water every year and now California is about to require low-flow washing machines. The typical washer uses 13 to 15 gallons of water to do a load of laundry, but a bill signed by Governor Davis to day requires the State Energy Commission to develop standards for machines that use no more than 9.5 gallons per load. If approved by the Federal Energy Department. The new standards would go into effect in 2007.

CHANNEL 4 NEWS, 4:00-5:00PM, 9/12/02 (:40) mentioned that the Ford Motor Company is trying to turn a good deal into an offer you can't refuse. The Detroit automaker announced today it's going to defer payments on all 2002 trucks, cars and SUV's until January of next year. That's on top of the company's current offer of five year 0% financing on most 2002's. The program runs from today through the end of the month.

CHANNEL 4 NEWS, 11:00AM-12:00PM, 9/18/02 (:40) reported that rent is getting so expensive in southern California that minimum-wage workers are being priced out of housing. Take an average 2-bedroom apartment, the study found that a worker would have to make \$15.00 an hour to afford the monthly rent and still have enough left over to pay for food and other basics. In southern California, as in three-quarters of the country, that's beyond the reach of two people working full time, making minimum wage.

CHANNEL 4 NEWS, 11:00AM-12:00PM, 9/19/02 (:40) discussed the recall of thousands of lawn mowers due to a potential safety hazard. A cordless electric lawn mower sold by Black & Decker and also under the Craftsman name at Sears. An electrical part in the mowers can overheat, posing a possible fire hazard. Black & Decker says it's received 11 complaints. One included a report of a minor hand burn. For more information on this, click onto our website at www.nbc4.tv.

CHANNEL 4 NEWS, 11:00AM-12:00PM, 9/25/02 (:40) talked about a new California law for people who wear contact lenses. It allows you to shop around for the best prices for that important eyewear. Governor Davis has signed a bill that requires eye doctors to give their patients their contact lens prescriptions. This means patients can buy their contacts through pharmacies, discount club stores, mail order or on-line.

IV. CRIMES – FEDERAL/STATE/LOCAL

CHANNEL 4 NEWS, 4:00-5:00PM, 7/30/02 (:40) mentioned that police are still looking for a serial rapist in the Long Beach area. They say he is not the same person as the Torrance rapist. DNA evidence has linked this suspect to 11 cases, 8 in Long Beach and one each in Huntington Beach, Los Alamitos and Seattle, Washington. Police are urging people to stay on alert and report anything unusual because this rapist may have a keen ability to blend into a neighborhood.

CHANNEL 4 NEWS, 4:00-5:00PM, 7/30/02 (:30) discussed how the Los Angeles County Board of Supervisors voted to approve a proposal which posts a map on-line that shows where sex offenders live on the county's website. If parents spot a sex offender living nearby, they can then obtain a picture, name, description and even a rap sheet from local police. Nearly 18,000 convicted sex offenders live in Los Angeles County.

CHANNEL 4 NEWS, 4:00-5:00PM, 8/2/02 (:40) reported that federal agents in Florida searched a storage facility as part of the on-going investigation into last year's Anthrax mailings. The agents spent several hours going through at least one unit of a private mini-storage company. Officials say the unit was used by U.S. Government scientist Steven Hatfill, who is considered a "person of interest" in the Anthrax probe. This is the second time investigators have searched this storage locker. The first time was back in June.

CHANNEL 4 NEWS, 4:00-5:00PM, 8/2/02 (:40) mentioned that Orange County prosecutors plan to ask for the death penalty against suspect Alejandro Avila. Avila was charged with kidnapping, sexually assaulting and killing Samantha Runnion. Prosecutors held off making a death penalty decision at that time. They are expected to release more details next week.

CHANNEL 4 NEWS, 4:00-5:00PM, 8/5/02 (:40) talked about a judge who has further grounded two former America West pilots accused of being drunk in the cockpit. The two pilots, Christopher Hughes and Thomas Cloyd explained in court why they went home to Arizona without permission after being arrested in Florida. The men said they just completed alcohol rehab in Phoenix. Then, they asked for permission to travel to other states. The judge said no way. The judge ordered them to turn over their passports until after their trial in October. America West has fired them and the FAA has revoked their pilot's licenses.

CHANNEL 4 NEWS, 4:00-5:00PM, 8/14/02 (:40) mentioned that a 70-year old Huntington Beach woman beats back an attacker in her home overnight, now police in Orange County and Long Beach are comparing notes to see if this latest attack, is the work of the Belmont Shore rapist. Just before midnight, the victim told police she heard the suspect in her home. As she dialed 911, he grabbed her. She was able to fight back and the suspect ran away. Police with dogs conducted a massive search, but the suspect managed to escape.

CHANNEL 4 NEWS, 4:00-5:00PM, 8/22/02 (:40) reported that Los Angeles Police are hoping a \$25,000 reward offer will help solve a disturbing murder mystery. Juan Pablo

Mendez of Van Nuys died just hours after he was brutally beaten, when someone stole his red Mercury van on April 7th at the Panorama City Car Wash where he worked. Councilman Alex Padilla hopes the public will come forward. Mendez family also joined in the plea for help. Police say the suspect is a male Hispanic, 30 to 40years old, five foot six between 160 and 170 pounds. He has a mustache.

CHANNEL 4 NEWS, 4:00-5:00PM, 8/23/02 (:40) mentioned that police in LaPuente are looking for three suspects for murdering a woman and stealing money meant for abandoned children. The 51-year old woman, Carme Castro was shot Tuesday night at her income tax and bookkeeping business in La Puente. Castro also collected money for orphans in Nicaragua. Her office used as a base of operations for the organization. Witnesses say the gunmen burst in, shot her and grabbed the cash.

CHANNEL 4 NEWS, 4:00-5:00PM, 8/24/02 (:40) talked about a young woman who was killed last night by a hit and run driver in South Los Angeles. Police say the driver who hit her is in jail thanks to an alert and quick thinking witness. 28-year old Bridgett Brazel of Inglewood was struck & killed as she crossed Vermont Avenue near 65th Street late last night. A witness who saw the accident called 911 then followed the suspect's truck and flagged-down a police car when the suspect stopped to check the damage. 49-year-old Jose Quintanilla, was arrested and booked on suspicion of vehicular manslaughter and driving under the influence.

CHANNEL 4 NEWS, 4:00-5:00PM, 8/28/02 (:40) reported that the search is on for 9-year-old Nicholas Michael Farber who was taken at gunpoint in the middle of the night from a home in Palm Desert. Two men forced their way into his father's Palm Desert home around 2:00AM, then hauled th boy away in a white SUV. Investigators are now trying to locate his mother, 38-year-old Debra Rose of Colorado Springs. Colorado authorities say she was arrested two weeks ago and held for one day for violating a restraining order, but they say right now she is not considered a suspect. Police say the parents had a "bad relationship and there was a custody dispute but the father had physical custody". Police have set up a hotline number for the public to call in any information about this abduction. The number is 760-836-1632.

CHANNEL 4 NEWS, 11:00-12:00PM, 9/17/02 (:40) discussed the manhunt that is on for the bank robber dubbed the "Skull Cap Bandit". The FBI says he has robbed six banks in Los Angeles since June. The suspect passes notes to bank tellers claiming to have a gun. He always wears a skull or stocking cap type of head covering and also has an earring in his right ear. The FBI hopes someone recognizes this suspect from these surveillance photos and provides the tip that leads to his capture. .

CHANNEL 4 NEWS, 11:00-12:00PM, 9/18/02 (:40) mentioned that a self-described vigilante activist fro the disabled is now in legal trouble. Prosecutors say he's been issuing fake tickets to people who park illegally in handicap spaces. Prosecutors say Matthew Lakota illegally wrote fake tickets form the fictitious California Sate Parking Enforcement Agency. So far, Lakota has ticketed 19-people and collected \$760 in fines.

CHANNEL 4 NEWS, 11:00-12:00PM, 9/25/02 (:40) talked about how a former Orange County priest is scheduled to be arraigned tomorrow in a 30-year old molestation case. 59-year old Gerald John Plesetz was a priest at Saint Edward Catholic Church in Dana Point in 1972. According to Court papers he is accused of molesting a 13-year old girl at that time. She later became pregnant and the child was put up for adoption.

V. DISEASES - DISABILITIES - MEDICINE

CHANNEL 4 NEWS, 4:00-5:00PM, 7/19/02 (:40) talked about a new treatment that is available for osteoporosis, the so-called brittle bone disease. It's a drug called Zometa, an intravenous infusion that works like the oral drugs, but only has to be given once a year. Zometa has already been FDA approved for the treatment of bone cancer. It doesn't actually kill the cancer but helps ease the intense pain that comes when cancer spreads into bones.

CHANNEL 4 NEWS, 4:00-5:00PM, 7/23/02 (:40) reported that the FDA has recommended approval of anew birth control option. It is called "Essure" and gives women an alternative to having their tubes tied. Doctors insert a small coil through the cervix into the fallopian tubes. After three months, scar tissue grows around the device, permanently blocking the tubes and preventing pregnancy. "Essure" proved 99.5% effective in clinical trials. The procedure is less invasive than a tubal ligation.

CHANNEL 4 NEWS, 4:00-5:00PM, 7/23/02 (:40) mentioned that health officials in Texas are on alert today after a 50-year-old man tested positive for the West Nile virus. This is the first time the mosquito-borne illness has been diagnosed in a human being. Until now, only birds and horses had contracted it. The man's wife says he is suffering from encephalitis and muscle weakness. Trucks are spraying pesticide in the area where the man was infected. Officials are currently testing four additional patients wha may also be infected.

CHANNEL 4 NEWS, 4:00-5:00PM, 5/02/02 (:40) discussed a new study conducted to determine if you are at a greater risk of a cold by breathing re-circulated air during an airplane trip. According to the results of the study, the answer is no. The study compared travelers on planes with re-circulated air and those that pumped in fresh air. The researchers at the U.C. San Francisco campus found passengers on both types of planes had the same rate of getting a cold, 20%. The study is published in the latest edition of th Journal Of the American Medical Association.

CHANNEL 4 NEWS, 4:00-5:00PM, 7/25/02 (:40) mentioned that after five decades on the market, a popular thyroid drug has finally won approval from the FDA. Synthroid is one of the most prescribed drugs in the country. It's a synthetic version of the thyroid hormone. FDA approval comes just before the deadline that would have required the drug's manufacturer to phase out the production of Synthroid.

CHANNEL 4 NEWS, 4:00-5:00PM, 7/25/02 (:40) discussed a new discovery about the bacteria that causes stomach ulcers. Researchers say the sugar molecules which are

suppose to trigger the immune system are hijacked by the H-Pylori bacteria. That bacteria then uses those triggers to make the infection worse. Scientists are now working on a vaccine to fight this type of infection. The findings are in a study which appears in the journal "Science".

CHANNEL 4 NEWS, 4:00-5:00PM, 7/31/02 (:40) mentioned a new UCLA study suggests that certain drugs might stop an HIV epidemic from spreading, even in areas where the disease is rampant. Last March, Jimmy Carter and Nelson Mandela toured an aids clinic in South Africa, where 30% of the population is infected with the HIV virus. The study suggests areas closer to home can be saved from similar widespread exposure.

CHANNEL 4 NEWS, 4:00-5:00PM, 8/5/02 (:40) talked about how scientists now have two new genetic markers to help them in their search for improved cancer diagnosis and treatment. In mapping the human genome, they've found a portion that seems to repeat more often in patients with oral cancers. They've also found a new gene, called "Taos-One", which could become an important marker in identifying those at risk for oral cancer. The repeating genetic band has also been found in lung, breast, and other cancers.

CHANNEL 4 NEWS, 4:00-5:00PM, 8/5/02 (:40) reported on a new study out confirming that Viagra is safe for men with congestive heart failure. Researchers in Brazil studied Viagra in 23 patients with erectile dysfunction. They found no harmful side effects. Erectile dysfunction and heart failure often appear at once., partly because of the side effects from some medication used to treat heart failure. The study is published in the Journal Of the American Heart Association.

CHANNEL 4 NEWS, 4:00-5:00PM, 8/6/02 (:40) talked about how women who've had small tumors removed from their breasts routinely undergo radiation therapy as a follow-up treatment. However, a new study may forever change the way those treatments are administered. The study by the National Cancer Institute reveals that more intensive radiation applied over 22 -days is just as effective as low-dose radiation applied for 35-days. After six years, there was no difference between the two methods, either in the recurrence of tumors or the women's overall survival rates.

CHANNEL 4 NEWS, 4:00-5:00PM, 8/7/02 (:40) mentioned that Botox, which helps erase wrinkles and it can also stop sweating, is now being touted as a way to treat the symptoms of a stroke. Scientists at Indiana University confirm that Botox injections reduce muscle tightness and twitching and help stroke patients regain the use of their hands. The treatment, reportedly is effective in more than half the patients treated with Botox.

CHANNEL 4 NEWS, 4:00-5:00PM, 8/8/02 (:40) reported that health officials confirm West Nile virus is on the move, as a Washington DC man is diagnosed today with the virus and another case in Oklahoma. The virus has already killed five people in Louisiana, which stepped up mosquito abatement programs state-wide. The infection is passed by mosquito's, from infected birds, to humans. 34 states are now on alert for the

disease. Health officials say most people can resist the infection with little more than flu-like symptoms. But, for the elderly and those with weakened immune systems, West Nile Virus can be deadly.

CHANNEL 4 NEWS, 4:00-5:00PM, 8/9/02 (:40) talked about a breakthrough in stem cell research. It offers hope to millions of people who suffer pain in their limbs because of clogged arteries. The stem cells of patients were injected into their leg muscles. Researchers confirm the cells actually created new blood vessels that eased the pain of poor circulation. The study indicates the procedure may also help prevent Gangrene and amputations. The research is published in the journal "Lancet".

CHANNEL 4 NEWS, 4:00-5:00PM, 8/12/02 (:40) mentioned a new study today that reveals depressed people actually have a higher risk of developing alzheimers. Researchers in Chicago studied 650 elderly people. They found those who had more symptoms of depression had a higher risk of alzheimers. The patients underwent a battery of tests during a seven year period and it showed that with each symptom of depression, the risk of alzheimers increased by 25%.

CHANNEL 4 NEWS, 4:00-5:00PM, 8/13/02 (:40) discussed research showing that if your doctor seems patient, positive and caring, that doctor is probably a woman. The Johns Hopkins Medical Center study also published in "Jama" magazine found female doctors spent more time with their patients, were more positive and more emotionally in tune with their patients.

CHANNEL 4 NEWS, 4:00-5:00PM, 8/20/02 (:40) reported that the federal government gives the green light to a machine that uses a blue light to fight acne. The high-intensity light kills bacteria that causes acne. It's called the clearlight system. It's not for severe acne or mild cases of pimples, but test doctors say it does work on inflammatory acne. About half the patients in a test study saw at least a 50% reduction in pimples. It's about \$50 a session and it's the first such treatment to get FDA approval.

CHANNEL 4 NEWS, 4:00-5:00PM, 8/21/02 (:40) talked about how researchers have discovered what might be a major clue into the cause of rheumatoid arthritis. Doctors say arthritis is common in elderly patients, and now scientists have pinpointed a possible cause. A group of natural carbohydrates called "gags". "Gags" are found in joints and in cartilage. Rheumatoid arthritis may be triggered when the body starts attacking these "gags". If the findings are confirmed, researchers will begin looking into drugs that turn-off the body's attack.

CHANNEL 4 NEWS, 4:00-5:00PM, 8/24/02 (:40) mentioned that new research shows bone marrow cell transplants could hold the key to stroke recovery. Scientists studied rats given human bone marrow cells after a stroke. The rats showed significant improvement in regaining function lost in the stroke compared to rats who were not given cell transplants. The cells apparently migrate to the damaged areas of the brain and somehow repair stroke injured tissue.

CHANNEL 4 NEWS, 4:00-5:00PM, 8/24/02 (:40) reported that the federal government has approved a new one-a-day Ritalin pill. Millions of American kids take the drug for attention deficit hyperactivity disorder. But some have to remember to take a mid-day dose during school hours. The new pills are designed to last through an entire school day and only need to be taken once in the morning. There's a lot of controversy about the use of Ritalin and the possibility that some children may not need it. Make sure your child gets a full check up if they seem hyperactive.

CHANNEL 4 NEWS, 4:00-5:00PM, 8/30/02 (:40) discussed a new technique to take-out tonsils that can have kids bouncing back in no time. A device similar to one used by orthopedic surgeons to shave away damaged cartilage is being used to nip away tonsil tissue. But, the key is to leave a little tissue behind so there's no raw surface. So far, the technique is not being used to take out infected tonsils, only enlarged tonsils that cause breathing trouble and interrupted sleep.

CHANNEL 4 NEWS, 4:00-5:00PM, 8/30/02 (:40) mentioned that today is the last day for medical treatment at two Los Angeles County health clinics. The North Hollywood Health Center and the Tujunga Health Center both close their doors today. They are the first of 11 county health clinics that will shut down for budgetary reasons. Patients will be referred to other clinics and the medical staff will also be transferred to other health centers.

CHANNEL 4 NEWS, 4:00-5:00PM, 9/5/02 (:20) talked about a new drug to treat depression that hits the market today. It is called "Lexapro". It can also be used to treat anxiety, panic and social disorders. Forest Laboratories, the drug's manufacturer expects it to be a big player in the 12-billion dollar a year anti-depressant market.

CHANNEL 4 NEWS, 4:00-5:00PM, 9/6/02 (:40) reported that if you are a sun-worshipper, you may soon be able to get that tan and fight skin cancer at the same time. These days, many people opt for artificial tans by using tanning tables that block harmful rays. Australian researchers are developing a drug implant that stimulates the production of Melanin pigment to cause a tan. Human clinical trials are set to begin in a few weeks. The drug Melan-Tan is expected to go on the market in 2005.

CHANNEL 4 NEWS, 4:00-5:00PM, 9/12/02 (:40) discussed how researchers are learning more about one of the genes linked to inherited forms of breast and ovarian cancers. Scientists have known for years that mutations of certain genes put women at an increased risk of breast cancer. However, they haven't fully understood how these genes function, until now. They have discovered the gene called BRCA2 repairs broken double-strands of DNA. When the gene is mutated and unable to spark these fixes, it actually increases the risk of cancer.

CHANNEL 4 NEWS, 4:00-5:00PM, 9/13/02 (:40) mentioned that the Herpes virus actually shows promise as a new weapon against cancer. Researchers in Houston are using the virus as part of gene therapy. As an example, there is a patient with an advanced form of prostate cancer. The way the therapy works is the Herpes virus is injected

directly into the tumor where it invades the cancer cells. Later, the patient will take oral medication to kill the Herpes virus and the cancer cells will die as well. Unlike many other cancer treatments, this one appears to be nearly free of side effects.

CHANNEL 4 NEWS, 11:00AM-12:00PM, 9/8/02 (:40) talked about new research out today in the fight against breast cancer. It outlines ways to cut down on the number of false positive mammogram readings. The study found some radiologists made errors almost 16% of the time. Researchers say the rate of false positives could be significantly reduced if radiologists always compared films from past mammogram screenings. That means women should try to get examined at the same testing facility each time, where their previous test results are on file.

CHANNEL 4 NEWS, 11:00AM-12:00PM, 9/19/02 (:40) reported that federal health officials are warning that thousands of Americans could accidentally take a toxic overdose of the popular painkiller "Acetaminophen". The health risks include serious liver damage. "Acetaminophen" is best known by the Tylenol brand. But the painkiller is in almost 200 other products from headache relievers to cold medicines. Sometimes people use several products at once hoping to get faster relief. Today, the Federal Food and Drug Administration will consider whether to require stiffer warning labels on how to safely take "Acetaminophen"

CHANNEL 4 NEWS, 11:00AM-12:00PM, 9/24/02 (:40) mentioned that for the first time, health officials are recommending flu shots for babies. The Centers for Disease Control says the flu vaccine can help reduce the impact of the flu, which is just as high-risk for babies as it is for the elderly. Officials are urging parents not to procrastinate, because the flu vaccine needs to be given in two doses, one month apart.

VI. EDUCATION

CHANNEL 4 NEWS, 4:00-5:00PM, 7/1/02 (:40) mentioned that a Los Angeles school today became the nation's largest independent elementary charter school. A big celebration marked the opening of Santa Monica Blvd. Community Charter School. It had been part of the L.A. City School system for nearly 100 years. Independent charter schools are free from many local district and state regulations regarding curriculum and school operations. The new school's staff says that gives them more flexibility to quickly respond to the needs of its students. It's hoped parents will get involved in the actual running of the school.

CHANNEL 4 NEWS, 4:00-5:00PM, 8/1/02 (:40) discussed how some Californians will soon be eligible for a free college education. That is, if they are college-age and are children of "Medal of Honor" recipients. Today, Governor Davis signed into a law a bill that would waive their fees and tuition at state schools. Under the law, recipients must be

younger than 27, be California residents and earn no more than the national poverty level. The new law takes effect on January 1st.

CHANNEL 4 NEWS, 4:00-5:00PM, 8/13/02 (:40) talked about how high school students from around the state are getting a unique opportunity to meet with lawmakers in Sacramento. The students are spending the week asking questions about the inner workings of government. The symposium is sponsored by the Junior Statesmen Foundation. One student from southern California says the program is helping him learn about issues facing society. He believes more young people would be encouraged to vote if they understood what the issues were about.

CHANNEL 4 NEWS, 4:00-5:00PM, 8/24/02 (:40) mentioned how many executives use consultants to find a job and now some high school students are hiring consultants to get into college. Experts say it takes planning, several years in advance, to prepare for the best schools. Some students feel they need more individual counseling on what classes to choose and when to take standardizing tests. Professional college consultants say they begin working with many students in eighth or ninth grade, to map out the high school years.

CHANNEL 4 NEWS, 4:00-5:00PM, 8/26/02 (:40) mentioned that the L.A. School Board votes tonight on whether to ban the sale of soft drinks on all 677 school campuses. Board members are expected to approve the ban based on research, which shows that too many school children in Los Angeles are overweight and have poor eating habits.

CHANNEL 4 NEWS, 4:00-5:00PM, 8/26/02 (:40) reported that the state is set to release test scores showing how California schools are performing nationally and how students are measuring up to state standards. The results are from tests taken this spring by second through eleventh graders. The tests cover a wide range of topics from social science to math. Fourth through seventh graders also take a writing evaluation. Parents will receive information outlining what the results mean. The state will officially release test scores this Thursday.

CHANNEL 4 NEWS, 4:00-5:00PM, 9/3/02 (:40) mentioned that thousands of southern California students went back to school today. Superintendent Roy Romer says he expects a good year at L.A. Unified. Based on student test scores. More than 400-thousand kids in the L.A. Unified School District began their academic year this morning. The other half attend school year-round. For them, the current track started July 1st.

CHANNEL 4 NEWS, 4:00-5:00PM, 9/13/02 (:40) talked about officials at UCLA who say they will start taking a closer look at transcripts from foreign-born applicants. Administration officials say they're changing admission procedures, after a Chinese doctoral student got caught falsifying records. UCLA says an anonymous informant tipped off admissions' officials about that student. The student's acceptance to a doctoral program was later withdrawn. School officials say people who want to become scientific and medical researchers, must be held to the highest ethical standards.

CHANNEL 4 NEWS, 4:00-5:00PM, 9/13/02 (:40) discussed U.S. News and World Reports annual list of the nation's top colleges and universities. For the third year in a row, Princeton tops the list. Yale and Harvard tie for second-place. Still, some schools call the rankings unfair. But the magazine defends its system, saying it helps parents and students make informed choices. The only California Universities in the top 10 are Cal-Tech in Pasadena and Stanford in Palo Alto, both in a 5-way tie for fourth place.

CHANNEL 4 NEWS, 11:00AM-12:00PM, 9/18/02 (:40) reported that there are more problems for the troubled Belmont Learning Center near Downtown Los Angeles. Now, there's new reports of possible toxic mold in classrooms. Construction of the Belmont Learning Center was abandoned two years ago, due to environmental problems.

CHANNEL 4 NEWS, 11:00AM-12:00PM, 9/26/02 (:40) mentioned that some angry parents are clashing with the Rialto School Board over the district's policies. Among the many complaints, punishment for elementary students needing to use the bathroom during class time and the lack of bi-lingual teachers and classes in a largely Hispanic area. As a result the school district has reversed its bathroom policy and is looking into the other issues.

VII. ELDERLY/SENIORS/RETIREMENT

CHANNEL 4 NEWS, 4:00-5:00PM, 7/24/02 (:40) talked about a warning for older golfers with heart disease. A new study has found golf could put a strain on their heart. The greatest concern is for those heart patients who aren't in shape. A game of golf could tire them out. Researchers are advising these golfers to check with their doctors before hitting the links. The study was published in a recent issue of The Journal of Cardiopulmonary Rehabilitation.

CHANNEL 4 NEWS, 4:00-5:00PM, 7/30/02 (:40) reported on new research today about how to ward off memory loss as you get older. A new study indicates exercise can help sharpen the reflexes of an aging brain. The study focused on adults over 60. Those who exercised on a regular basis had better reflex skills than those who worked out occasionally. The study was conducted at The University of Illinois.

CHANNEL 4 NEWS, 4:00-5:00PM, 7/30/02 (:40) mentioned that a woman in India may have lent new meaning to the term senior citizen. 130 years old, that's how old she claims to be, making her the world's oldest human. Devki Devi can't produce her birth certificate, but she says she was born in 1872. A village doctor has researched her claim. He says her 102-year old son and 80-year old grandson seem to confirm Devi's claim. Devi isn't alone in her old age. Her village is also home to more than 20 other people over the age of 80, including several more over the age of 100.

CHANNEL 4 NEWS, 4:00-5:00PM, 7/31/02 (:40) discussed a big disappointment for millions of senior citizens. Today, the senate fails to approve the latest plan to provide

prescription drug coverage under Medicare. Despite passionate pleas by prominent democrats like Senator Edward Kennedy, it falls 11 votes short of the 60 needed to pass. The proposal would have provided 390-billion dollars over ten years, to help poor seniors pay high drug bills. According to a survey just released by the Kaiser Family Foundation, nearly a quarter of seniors are skipping doses of medicines or not filling prescriptions because of the expense.

CHANNEL 4 NEWS, 4:00-5:00PM, 7/31/02 (:40) reported that seniors and independent pharmacists take Governor Gray Davis to task over a plan to cut 110-million dollars from the state's medi-cal prescription drug program. Today, they delivered a box of empty pill bottles to the governor's office to underline their point, that when medi-cal funds get cut, it's the elderly who suffer, if smaller pharmacies stop accepting medi-cal payments. Governor Davis calls cutting medi-cal drug benefits a difficult choice but necessary to prevent raising taxes and cutting other programs.

CHANNEL 4 NEWS, 4:00-5:00PM, 8/24/02 (:40) talked about a message the U.S. Postal service has for seniors. Be alert for con artists who prey on elderly victims. The postal service has launched a nation-wide campaign to warn people about phony giveaways, contests, sweepstakes and credit frauds. Fraud investigators say you should never give your creditcard information to anyone you don't know, either over the phone, on a contest entry or by e-mail.

CHANNEL 4 NEWS, 11:00-12:00PM, 9/23/02 (:40) mentioned that you can expect to see more older faces in the workforce. A new study shows more Americans are planning to work, well into retirement. The study says this is going to become a more familiar site. The study found almost 70% of U.S. workers plan to work through their retirement years. 56% of them say health care costs are to blame. Three quarters say they'll keep working for the money and about the same number say they just enjoy working. Another 84% say they'll keep jobs even if they are financially set for life.

VIII. EMPLOYMENT/LABOR

CHANNEL 4 NEWS, 4:00-5:00PM, 8/23/02 (:40) reported on two demonstrations today protesting Operation Tarmac. That's what they are calling federal raids at five different airports in southern California that netted 81 arrests. Carrying picket signs and American flags, demonstrators from the Service Employees International Union marched in front of the federal building in downtown. The union claims those raids create an air of panic and hysteria in the immigrant community. U.S. Attorney Debra Yang tells a different story. She says the individuals who were arrested had phony ID's and access to high-level security areas of the airports. Most of those arrested will face charges of misusing a social security number.

CHANNEL 4 NEWS, 4:00-5:00PM, 8/30/02 (:40) mentioned that there is a new call for a national boycott of the fast food restaurant, Taco Bell this Labor Day weekend.

Presbyterian church officials say the restaurant is unfair to Florida tomato workers, who in the opinion of church leaders, don't earn a living wage. Taco Bell is a major buyer of Florida tomatoes. So far, no comment from Taco Bell.

CHANNEL 4 NEWS, 4:00-5:00PM, 9/1/02 (:40) talked about a new report about whistleblowers that finds they still face retaliation from employers. According to a survey by the National Whistleblowers Center, about half of the whistleblowers who responded said they were fired after reporting unlawful conduct in the workplace. Most of the other half said they are harassed or unfairly disciplined. The report recommends that Congress pass new laws to protect whistleblowers. Current laws only offer protection in specific cases.

CHANNEL 4 NEWS, 4:00-5:00PM, 9/1/02 (:40) reported that there are massive layoffs today at Consolidated Freightways. Consolidated says it's filing for Chapter 11 bankruptcy and cutting 15-thousand workers. Consolidated is the 3rd biggest truck company in the country. Workers in Vancouver were turned away this morning without warning or an explanation. Some management employees left there building with boxes of personal items and said they were told not to return to work. Consolidated stock has fallen nearly 70% since the company missed a deadline to file its 2nd quarter financial report two weeks ago.

CHANNEL 4 NEWS, 4:00-5:00PM, 9/1/02 (:40) mentioned that West Coast shipping ports could be hit by work slow-downs and even a lock-out as early as tomorrow morning. Negotiations between the shippers and the longshoremen's union broke down over the weekend. Union leaders say they may engage in work slow-downs at 29 West Coast ports, including Los Angeles and Long Beach. The shippers say if that happens, they will lock-out the union workers. West Coast ports handle 300-billion dollars in trade goods every year.

X. FAMILY/MEN/WOMEN

CHANNEL 4 NEWS, 4:00-5:00PM, 7/3/02 (:40) reported that doctor Julie Gerberding today became the first woman to head the nation's top public health agency. She's the new director of the Centers for Disease Control and Prevention in Atlanta. She's an infectious disease specialist and was on the front lines of the nation's response to the anthrax crisis. Her new challenge is preparing for potential bio-terrorism attacks.

CHANNEL 4 NEWS, 4:00-5:00PM, 7/19/02 (:40) discussed a new study that is offering evidence that breast-feeding is not just good for your baby, it is good for you too. Research shows breast-feeding your baby helps prevent breast cancer. In fact, the longer a woman breastfeeds, the lower her risk of getting breast cancer. Also, the more children a woman breastfeeds, the better. Researchers found breast cancer risk goes down by 7% every time a woman has a child. The study appears in the Lancet Medical Journal.

CHANNEL 4 NEWS, 4:00-5:00PM, 7/24/02 (:40) mentioned that the FDA is re-issuing a warning to pregnant mothers, be careful about eating some fish. Expectant mothers should avoid shark, swordfish, king mackerel and tilefish. These fish contain levels of mercury considered un-safe and could result in damage to the brain of a fetus. Critics now want tuna steak included on the list and warning labels on packaged fish. The panel is expected to have a decision tomorrow.

CHANNEL 4 NEWS, 4:00-5:00PM, 8/1/02 (:40) reported that for the first time, more women than men in this country are dying from emphysema and chronic lung disease. Researchers at the Centers Of Disease Control say women who began smoking in the 1940's are most at risk. They say air pollution is also a contributing factor. Chronic pulmonary disease is the 4th largest killer in the United States.

CHANNEL 4 NEWS, 4:00-5:00 PM, 8/20/02 (:40) talked about a controversial bill designed to strengthen a woman's right to choose an abortion headed to the governor's desk. The measure would protect the rights guaranteed under "Roe versus Wade", even if the federal government overturns that decision. Pro-life supporters are upset over this and a provision that would allow nurses to dispense the abortion drug RU486. Physicians' assistants would also be allowed to dispense RU486 under this new legislation.

CHANNEL 4 NEWS, 4:00-5:00 PM, 9/17/02 (:40) discussed a new sperm bank service that is exclusively for lesbian couples. It's on the internet. The controversial website "man not included dot com" was launched last month in Britain. It matches anonymous donors with lesbian couples who want children. The site says the sperm will be screened for diseases, then sent to the couples for home insemination. The process is supposed to cost less than \$1000.

XI. GOVERNMENT/POLITICS

CHANNEL 4 NEWS, 4:00-5:30PM, 7/15/02 (:40) reported that Governor Davis resolved the flag fight between homeowners and their homeowners associations. The governor went to a Los Angeles condominium complex to sign the bill, which allows people to fly the flag unless it interferes with public safety. The bill was approved unanimously by both houses of the legislature.

CHANNEL 4 NEWS, 4:00-5:00PM, 7/16/02 (:40) mentioned that actor Arnold Schwarzenegger says he still might run for governor. Schwarzenegger told a meeting of 15 republican governors in Idaho yesterday, that he hasn't ruled out a run for governor some day. He told the governors, "the greatest thing you can do, is serve other people." Last year he declined to run because of movie commitments.

CHANNEL 4 NEWS, 4:00-5:00PM, 7/17/02 (:40) talked about L.A. Mayor Jim Hahn getting a little magic in his campaign against secession. Magic Johnson announced that

he is joining the fight to prevent the San Fernando Valley from breaking away from Los Angeles. During a news conference at his movie theater in Baldwin Hills, Johnson said that valley secession would hurt the people in the inner city. Johnson says he will spread this message at community meetings and through public service announcements.

CHANNEL 4 NEWS, 4:00-5:00PM, 8/9/02 (:40) mentioned that the deadline is less than an hour away for candidates to file for mayor or city council of the proposed new San Fernando Valley City. Candidates have until 5:00PM this evening to get the papers in. So far, more than 110 candidates have filed. However, there was more opposition to this secession movement today. The democratic party of San Fernando Valley has gone on record opposed to the split and is now refusing to endorse any candidate for office in the new proposed city. Also, City Controller Laura Chick spoke out today against the secession of the San Fernando Valley saying it would disrupt current efforts by Los Angeles to improve city services.

CHANNEL 4 NEWS, 4:00-5:00PM, 8/16/02 (:20) reported that republican candidate for governor Bill Simon campaigned in southern California today and he got a stormy reception at a Rotary club luncheon. The demonstrators focused on legal problems, revolving around Simon's corporate dealings. Simon dismissed the protests as simple partisan politics. He told Rotarians he is more interested in getting his campaign in solid financial shape for the toughest part of the campaign, which is still ahead.

CHANNEL 4 NEWS, 4:00-5:00PM, 8/24/02 (:40) talked about how California is now into day 57 without a budget, but there could be a glimmer of progress out there. Over the weekend, democrats in the state assembly made a new spending proposal. It calls for more than 200-million dollars in cuts, a spending cap for next year and laying off more than 1000 state employees. Republicans want even deeper spending cuts and no tax hikes. The democrats proposal would also boost cigarette taxes to \$3.00 a pack.

CHANNEL 4 NEWS, 4:00-5:00PM, 8/30/02 (:40) mentioned that the budget stalemate at the state capitol, is now the longest in California history. A new ultimatum from Governor Davis hangs over the lawmakers in Sacramento, who were set to adjourn tomorrow. The governor says, hammer out a budget this weekend or else he'll call a special session and make them stay at work until it's done. One side wants about 2-billion in revenue enhancements. The other side wants a billion dollars in additional cuts.

CHANNEL 4 NEWS, 4:00-5:00PM, 9/1/02 (:40) talked about Labor Day not just being only a holiday, it's the traditional day for political campaigns to begin in earnest. With the California general election only nine weeks away, both the Gray Davis and William Simon gubernatorial campaigns are already running ads on T.V. Davis now holds a substantial lead in many of the polls. But republicans say the governor's record will work against him. Simon's campaign isn't as well funded as Davis's, but Simon has powerful political endorsements from Rudy Giuliani and President Bush.

CHANNEL 4 NEWS, 4:00-5:00PM, 9/4/02 (:40) reported that there is a scrap today over voter registration in California. Proposition 52, if it's passed, would allow voters to

register right up until election day. In Sacramento today, the No on 52 campaign gained momentum. Secretary of State Bill Jones, joined in the opposition. Backers of prop 52 campaign says, the measure will lead to voter fraud, ballot mistakes and chaos at polling-places.

CHANNEL 4 NEWS, 4:00-5:00PM, 9/5/02 (:40) mentioned that Governor Gray Davis today signed California's new 98-billion dollar budget in Sacramento. However, critics say it does nothing to prevent problems next year. It comes up a record 23.6 billion dollars short. That means deep cuts. 7000 state workers will be sent to the unemployment line and some analysts say the future is not any better. They say the budget deficit will increase by another 3-billion dollars by next year,

CHANNEL 4 NEWS, 4:00-5:00PM, 9/6/02 (:40) reported that Congress met in New York City today for the first time in two centuries. The gavel came down today on a special joint session of Congress at Manhattan's Federal Hall, where America's founders once met. The event was mostly ceremonial. Vice-President Dick Cheney drew parallels between America's beginnings and the present day. Members of Congress also visited ground zero, placing small American flags beside a wreath overlooking the site where the World Trade Center Towers once stood.

CHANNEL 4 NEWS, 4:00-5:00PM, 9/10/02 (:40) talked about how the day before the 9-1-1 anniversary, Governor Gray Davis signed into law three bills that will help families of the victims. Some of the relatives were on hand in Sacramento for the signing ceremony. The benefits include, wages lost while traveling to memorial events and free tuition at state colleges, for the children of those killed in the terrorist attacks. Also, domestic partners will be able to inherit the property of a partner who died in the attacks.

CHANNEL 4 NEWS, 4:00-5:00PM, 9/12/02 (:40) reported that a judge in Los Angeles has thrown out the 78-million dollar fraud verdict against republican gubernatorial candidate Bill Simon. The GOP hopeful had predicted the huge verdict would be dismissed. He says he can concentrate on the issues in his campaign to unseat democrat Gray Davis. In dismissing the damages, the judge ruled that Simon's company and other investors were actually fraud victims. The plaintiffs who sued Simon's company say they will appeal the ruling.
