WHBT-FM
Quarterly Issues/Programs List

WHBT-FM provides its listeners with programming and public service announcements that address issues of concern to our local community. Among the issues determined to be of most concern to the community during the preceding calendar quarter were:

- **Health:** DARS' mission: to improve the employment, quality of life, security, and independence of older Virginians, Virginians with disabilities, and their families.
 - **Safety:** Traffic crashes are one of the leading causes of injury and fatality in the nation but. Most can be prevented
 - **Transportation:** The American Traffic Safety Services Association (ATSSA), represents the roadway safety infrastructure industry with effective legislative advocacy, traffic control safety training, and a far-reaching member partnership
-

Section I
LOCAL PROGRAMMING

Section I lists regularly-scheduled and special programs that represent the station's issue-responsive programming providing the most significant treatment of the issues listed above for the calendar quarter.
