Issues/Program Report for Q1 2024

WKXA makes an ongoing effort to serve the community of Findlay and the surrounding area. As part of this effort, WKXA has identified the most significant needs, problems and interests for our coverage area. This quarterly report documents the programming provided by WKXA in response to these identified community issues. Key areas and the issues addressed during this period are verified in the attached documentation. This list is not inclusive, but does represent primary focal areas.

WKXA News Director Matt Demczyk has noted the following as significant issues during the January 1, 2024 through March 31, 2024 time period:

- Findlay was named the Top Micropolitan Community for a tenth straight year
- A tornado touched down in Hancock County, damaging homes and barns
- Ottawa-Glandorf's Colin White was named Ohio Mr. Basketball
- University of Findlay and Bluffton University announced a merger
- It was announced that important flood mitigation projects would be delayed

This letter with the attached documentation was placed in the WKXA Online Public Inspection File on April 10, 2024.
