Issues/Program Report for Q4 2021

WKXA makes an ongoing effort to serve the community of Findlay and the surrounding area. As part of this effort, WKXA has identified the most significant needs, problems and interests for our coverage area. This quarterly report documents the programming provided by WKXA in response to these identified community issues. Key areas and the issues addressed during this period are verified in the attached documentation. This list is not inclusive, but does represent primary focal areas.

WKXA News Director Matt Demczyk has noted the following as significant issues during the October 1st – December 31st time period:

- A state trooper was shot in Findlay, leading to a manhunt for the suspect
- A lengthy project to raise two intersections so they don't flood was completed
- COVID cases started to surge again and health officials urged vaccinations
- A local Veteran was inducted into the Ohio Veterans Hall of Fame
- Educational institutions partnered on a Center for Advanced Manufacturing
- A project crucial to flood mitigation received a large federal grant
- The community rallied around Toys for Tots after they had \$20K in toys stolen

This letter with the attached documentation was placed in the WKXA Public Inspection File on January 7th, 2022.
